Commission Choices (required)

Preferred Commission Choice

Citizen Involvement Commission

Reason Interested

I am interested in being appointed to the Citizen Involvement Commission because I believe it is important to engage members of our community and would like to assist in outreach. It is my understanding that the Village previously had a "Welcome Packet" for new residents interested in getting more involved. I would like to help bring that outreach tool back.

If you have already attended a meeting of this commission, when approximately?

Second Commission Choice

Transportation Commission**Reason Interested**

I have communicated with Commission member, Kyle Eichenberger, regarding the parking study and outreach efforts by the Transportation Commission. My neighbors and I have been concerned by the increased traffic near Euclid Square Park during summer months and the safety of young children. I have also observed and listened to other residents present their traffic concerns at Village Board meeting (Dec 2016), Mayoral forum (Early Childhood Ed forum), and our local Beat Officer meetings (June 2016, February 2017). By being involved in the Transportation Commission, I hope to help create a positive environment for motorists, pedestrians, and commuters.

Third Commission Choice (Optional)**Reason Interested**

Additional Information

I would also like to assist with outreach to residents with young families who might not be able to make it to evening meetings or daytime meetings due to work obligations and family obligations. In addition, I bring a diverse perspective in engaging different stakeholders in our community. I have served in leadership roles in several legal related bar associations and will be concluding my term as ISBA Environmental Law Section Council Chair in June 2017. I would like to contribute my time to helping my Oak Park community.
