PETITION FOR TRAFFIC REGULATIONS

Page 1 of 3

We, the undersigned, respectfully petition the Transportation Commission to recommend to the Oak Park Board of Trustees that traffic regulations be established in the intersection of East Division block of 800-900 East Division in the Village of Oak Park, Illinois.

We further petition the Commission to regulate traffic in this manner:

addition of stop sign in the
intersection of East Ave and Division,
facing east and west (to establish a 4-way stop)

* = This petition is being circulated by: (list name, address and telephone number)

October 24, 2016

Dear Transportation Commission,

My name is Melissa Kowalski. I currently reside at 925 N East Avenue in Oak Park. My family and I have lived here for the past 13 years.

My children ages 23, 19 and 17 have all taken their turns in commuting to OPRF High School from our home. They have also all had their fair shares of "near misses" when it came to accidents at the corner of Division and East.

As a matter of fact, I have witnessed 4 separate accidents in the past 3 months. The last accident, a 5 car accident, resulted in a driver being removed from his car by ambulance stretcher and another driver ended up on a neighbor's lawn (not parkway).

Along with 33 of my neighbors, we believe that it would be beneficial to install a 4-way stop at the above mentioned intersection. We're certain that this will slow traffic traveling east and west on Division Street.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Melissa Kowalski', with a long horizontal flourish extending to the right.

Melissa M. Kowalski

(708) 606-4280
