Re: Support for Marion Street Permit Parking

Dear Mr. Youkhana:

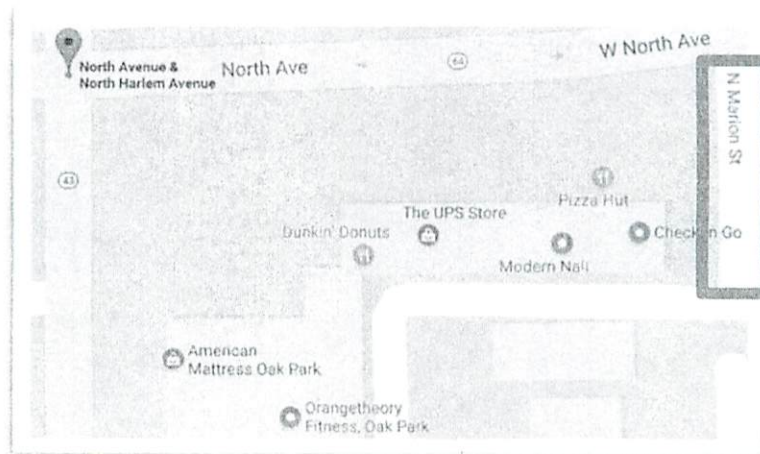

As a tenant of the North & Harlem Plaza located at 7101-7123 W. North Avenue in Oak Park, I would like to personally express my desire for the parking spots on Marion Street, directly adjacent to the east, to be converted to permit parking.

Having an opportunity to purchase permits for these parking spots and provide them to our employees will free up spots the Plaza's parking lot for more customers.

Thank you for your consideration.

Sincerely,
