Subject: IGA Extension Proposal
Attachments: D97 DRAFT for DISCUSSION Amendment to IGA.docx

Dear Anan and Cara,

I hope you are enjoying the holiday. As discussed at our meeting on December 19th, District 97 is requesting an extension of the January 2015 IGA. The purpose of the extension will be to discuss entering into an alternative agreement that will allow the Village and D97 to reevaluate the best way to work together in connection with the District's warehouse on Madison. We propose to extend the IGA for 90 days with the option to renew for an additional 90 days, if necessary.

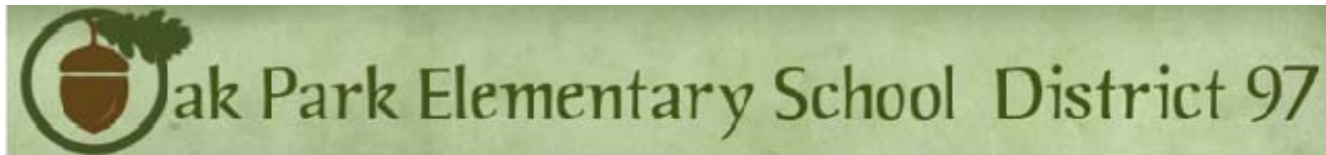

As the agreement expires on December 31, 2017, we are sending this email and the enclosed draft extension amendment in anticipation of that approaching date.

Our next Board meeting is January 9, 2018. We are out of the office through January 8th but available via email or phone to discuss the language of the agreement during the first week of January.

Thank you,
Holly
