

# Parking Pilot Zone Program Information

-DRAFT -  
PUBLIC  
INFORMATION  
HANDOUT

Harlem Avenue to Oak Park Avenue and South Boulevard to Harrison Street

## Parking Meter Rates

Dynamic pricing Mon-Sat, 8am-8pm: \$1/hour for first 3 hours and \$3/hour after.  
No parking 2:30am-6:00 am without a permit/pass. Free on Sundays.

## Simplified Parking Zone

Four main streets create a border in an easy to identify zone.  
Simple and consistent rules throughout the parking pilot zone.

## Parking Time Limits

Non-permitted vehicles are restricted to a 3-hour limit on residential blocks between 8am-8pm.  
No parking from 2:30am-6am without a permit or pass.  
Open Parking on Sundays.

## Residential Parking Permits

Day permit costs \$70 annually, for residents within the parking pilot zone.  
Night permit costs \$540 annually, for residents within the parking pilot zone.

## Resident Guest Parking (Passes)

Guests park for 24 hours, using mobile pass platform.  
Thirty (30) free passes per plate, per year, within the parking pilot zone.  
Additional \$7 each, for 24 hours, using mobile payment platform.  
Must be a guest of parking pilot zone resident.

## Employee On-Street Parking Permits

Expanded employee parking options for businesses, employees, care providers, trades people, and other service providers, on East/West streets, within the parking pilot zone.

## Street Cleaning

Restrictions in place for street cleaning on one specific day, per each side of the street, every week. For example: No parking Monday 8am-1pm, on all south streets.

## Streamlined Enforcement

License plate recognition technology will be used to effectively enforce parking restrictions.
