MYFUELMASTER.COM

Dear Mr. Crowley/Village of Oak Park,

I would like to thank you for considering a FuelMaster NJPA/Sourcwell purchase through our local distributor Stenstrom Petroleum Service Group. Stenstrom is the only AIM Certified distributor in Illinois and I am confident you will be in good hands with them.

The wonderful thing about purchasing via the NJPA/Sourcwell program is the bidding/RFP requirement has already been done on your behalf. Sourcwell has already looked at pricing, quality, service, support and all of the things one would look at when going out to bid and awarded contracts to different manufacturers in various different industries. Syn-Tech Systems Inc, home of the FuelMaster has long been an NJPA/Sourcwell awarded contract. With this contract the FuelMaster equipment pricing is pre-negotiated with a 10% discount and you are welcome to purchase this equipment via our local AIM certified distributor Stenstrom who will honor this pre-negotiated FuelMaster equipment pricing.

Please do not hesitate to reach out to me for any questions you may have.

Sincerely,

Ron Zubairi | West Central Regional Sales Manager
