Permanent protective shielding will be installed beneath the entire length of the Home Avenue pedestrian bridge deck. Concrete repairs will be performed on the sidewalks and parapets of the Oak Park Avenue bridge. In addition to repairs, the sidewalks at all four corners of the bridge will be removed and replaced with ADA compliant ramps. On East Avenue, the existing neoprene deck joint seal at the North end of the bridge will be removed and replaced with a silicone joint sealer and polymer concrete nosing. Protective shielding will be required beneath the joint replacement. Partial depth deck slab repairs will also be performed in the area surrounding the deck joint replacement. **Re: Annual Certification Expires: March 1, 2019**

Dear Ms. Villaseñor-Galvani:

Congratulations on your continued eligibility for Certification as a **Minority-owned Business Enterprise (MBE)** and **Woman-owned Business Enterprise (WBE)** by Cook County Government. This certification is valid until **March 1, 2022**; however, you must re-validate your firms' certification annually.

As a condition of continued Certification during this five (5) year term, you must file a **"No Change Affidavit"** within **sixty (60) business days** prior to the date of Annual Certification Expiration. Failure to file this Affidavit shall result in the termination of your Certification. You must notify Cook County Government's Office of Contract Compliance of any change in ownership or control or any other matters or facts affecting your firm's eligibility for Certification within **fifteen (15) business days** of such change.

Cook County Government may commence action to remove your firm as a **MBE/WBE** vendor if you fail to notify us of any changes of facts affecting your firm's Certification, or if your firm otherwise fails to cooperate with the County in any inquiry or investigation. Removal of status may also be commenced if your firm is found to be involved in bidding or contractual irregularities.

Your firm's name will be listed in Cook County's Directory of certified firms in the following area(s) of specialty:

**Construction: General Contractor; Concrete, Excavation, Rebar, Demolition,  
Drainage & Civil Engineering Consultation**

Your firm's participation on Cook County contracts will be credited toward **MBE** or **WBE** goals in your area(s) of specialty. While your participation on Cook County contracts is not limited to your specialty, credit toward **MBE** or **WBE** goals will be given only for work performed in the specialty category.

Thank you for your continued interest in Cook County Government's Minority, Women, Veteran, and Service-Disabled Veteran Business Enterprise Programs.

Sincerely,

Jacqueline Gomez

Dear Ms. Villasenor-Galvani:

Pace, has reviewed your annual No Change Affidavit and supporting documentation and is pleased to inform you that your firm continues to meet the Disadvantaged Business Enterprise (DBE) program certification eligibility standards set forth in 49 CFR Part 26.61. Your next No Change Affidavit is due **July 15, 2019**. Notification will be sent to you sixty (60) days prior to this date.

This certification allows your firm to participate as a DBE in the Illinois Unified Certification Program (IL UCP). The participating agencies include the Illinois Department of Transportation, the City of Chicago, the Chicago Transit Authority, Metra and Pace.

If there is any change in circumstances that affect your ability to meet size standards, disadvantaged status, ownership, or control requirements or any material change in the information provided in your initial application, you must provide written notification to this agency within thirty (30) days of the occurrence of the change. Failure to provide this information is a ground for denial of certification based on failure to cooperate pursuant to 49 CFR 26.109(c).

The Directory is used by prime contractors/consultants, as well as other agencies, to solicit participation of DBE firms. The Directory can be accessed on the Internet at [www.pacebus.com](http://www.pacebus.com). Your firm's name will appear in the IL UCP DBE Directory under the following category name(s):

- NAICS Code: 238110 Poured Concrete Foundation and Structure Contractors specifically, concrete repair, and footing and foundation concrete contractors
- NAICS Code: 238120 Structural Steel and Precast Concrete Contractors specifically, rebar contractors and erecting structural steel (sheet piling, H-piling [waterside and landside])
- NAICS Code: 238910 Site Preparation Contractors specifically, demolition and excavation contractor

Sincerely,
