WHEREAS, the Village issued a Request for Proposals (“RFP”) for said services dated June 4, 2018, a copy which is attached hereto and incorporated herein by reference, and;

WHEREAS, the Contractor has represented to the Village that it has necessary expertise to perform its services for the Village and has expressed its willingness to furnish its services subject to terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties agree as follows:

1. RECITALS INCORPORATED.

The above recitals are incorporated herein as though fully set forth.

Prior to the start of each annual audit, Contractor shall furnish the Village with an engagement letter setting forth the services to be provided. The services provided must be at a level for full Village compliance with current GASB standards as well as allow the Village to submit and receive the GFOA Certificate of Achievement in Financial Reporting Excellence.

2.2. The Contractor shall be responsible for any delay in the Services to be provided pursuant to this Agreement due to the Contractor's failure to provide any required submittal in conformance with this Agreement.

2.3. In case of a conflict between a provision of the Contractor's Proposal and this Agreement or the RFP, this Agreement or the Village's RFP shall control to the extent of such conflict.

2.4. Village Authorized Representative. The Village's Chief Financial Officer or the Chief Financial Officer's designee shall be deemed the Village's authorized representative, unless applicable law requires action by the Corporate Authorities, and shall have the power and authority to make or grant or do those things, certificates, requests, demands, approvals, consents notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Village and with the effect of binding the Village as limited by this Agreement. The Contractor is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Village as having been properly and legally given by the Village. The Village shall have the right to change its authorized representative by providing the Contractor with written notice of such change which notice shall be sent in accordance with Section 18 of this Agreement.

2.5. Contractor's Authorized Representative. In connection with the foregoing and other actions to be taken under this Agreement, the Contractor hereby designates Daniel A. Berg as its authorized representative who shall have the power and authority to make or grant or do all things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Contractor and with the effect of binding the Contractor. The Contractor shall have the right to change its Authorized Representative by providing the Village with written notice of such change which notice shall be sent in accordance with Section 18 of this Agreement.

2.6. The Contractor shall be an independent contractor to the Village. The Contractor shall solely be responsible for the payment of all salaries, benefits and costs of supplying personnel for the Services.

3. COMPENSATION FOR SERVICES.

3.1. The Village shall compensate the Contractor for the Services pursuant to the agreed upon fee schedule as set forth in its Proposal. The Contractor may issue progress billings upon the start of each annual audit engagement through its conclusion or may submit one invoice upon the conclusion of the engagement for the full amount.

3.2. The Village may, at any time, by written order, make changes within the general scope of this Agreement in the Services to be performed by the Contractor. If such changes cause an increase or decrease in the amount to be paid to Contractor or time required for performance of any Services under this Agreement, whether or not changed by any order, an equitable adjustment shall be made and this Agreement shall be modified in writing accordingly. No service for which additional compensation will be charged by the Contractor shall be furnished without the written authorization of the Village.

3.3. The Contractor's Services shall be considered complete on the date of final written acceptance by the Village, which acceptance shall not be unreasonably withheld or delayed. As soon as practicable after final acceptance, the Village shall pay to the Contractor the balance of any amount due and owing under this Agreement, after deducting therefrom all charges against the Contractor as provided for in this Agreement ("Final Payment"). The acceptance by Contractor of Final Payment with respect to the Services shall operate as a full and complete release of the Village of and from any and all lawsuits, claims, demands, damages, liabilities, losses, and expenses of, by, or to the Contractor for anything done, furnished for, arising out of, relating to, or in connection with the Services, except for such claims as the Contractor reserved in writing at the time of submitting its invoice for final payment.

4. TERM AND TERMINATION.

4.1. This Agreement shall take effect upon the last date of its execution by one of the parties and conclude by the earlier of completion of services as set forth in this Agreement or June 30, 2021 for audits of the Village's 2018, 2019 and 2020 fiscal years. This Agreement may be extended through June 30, 2023 by the Village in writing pursuant to Section 18 below, and in the Village's sole discretion, to include up to two (2) additional optional audit years pursuant to the compensation schedule set forth in Contractor's Proposal for audits of the Village's 2021 and 2022 fiscal years.

This provision shall also be stated on each Certificate of Insurance: "Should any of the above described policies be canceled before the expiration date, the issuing company shall mail fifteen (15) days' written notice to the certificate holder named to the left." The Contractor shall require any of its subcontractors to secure and maintain insurance as set forth in this Section 6 and indemnify, hold harmless and defend the Village, its officers, officials, employees, agents and volunteers as set forth in this Agreement.

7. SUCCESSORS AND ASSIGNS.

7.1. The Village and the Contractor each bind themselves and their partners, successors, executors, administrators and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party in respect to all covenants of this Agreement. Except as above, neither the Village nor the Contractor shall assign, sublet or transfer its interest in this Agreement without the written consent of the other. 10. STANDARD OF CARE.

10.1. The Contractor is responsible for the quality, technical accuracy, timely completion, and coordination of all designs, drawings, specifications, reports and other professional services furnished or required under this Agreement, and shall endeavor to perform such services with the same skill and judgment which can be reasonably expected from similarly situated professionals.

10.2. The Contractor shall be responsible for the accuracy of its Services under this Agreement and shall promptly make revisions or corrections resulting from its errors, omissions, or negligent acts without additional compensation. The Village's acceptance of any of Contractor's Services shall not relieve Contractor of its responsibility to subsequently correct any such errors or omissions, provided the Village notifies Contractor thereof within one year of completion of the Contractor's Services.

10.3. The Contractor shall respond to the Village's notice of any errors and/or omissions within seven (7) days of written confirmation by the Contractor of the Village's notice. Such confirmation may be in the form of a facsimile confirmation receipt by the Village, or by actual hand delivery of written notice by the Village to the Contractor.

10.4. The Contractor shall comply with all federal, state, and local statutes, regulations, rules, ordinances, judicial decisions, and administrative rulings applicable to its performance under this Agreement.

10.5. The Contractor shall give all notices, pay all fees, and take all other action that may be necessary to ensure that the Services are provided, performed, and completed in accordance with all required governmental permits, licenses, and other approvals and authorizations that may be required in connection with providing, performing, and completing the Services, and with all applicable statutes, ordinances, rules, and regulations, including, but

not limited to, the Fair Labor Standards Act; any statutes regarding qualification to do business; any statutes prohibiting discrimination because of, or requiring affirmative action based on race, color, religion, sex, national origin, ancestry, age, order of protection status, marital status, physical or mental disability, military status, sexual orientation, or unfavorable discharge from military service or other prohibited classification, including, without limitation, the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 *et seq.*, and the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.* The Contractor shall also comply with all conditions of any federal, state, or local grant received by the Village or the Contractor with respect to this Agreement.

10.6. The Contractor shall be solely liable for any fines or civil penalties that are imposed by any governmental or quasi-governmental agency or body that may arise, or be alleged to have arisen, out of or in connection with the Contractor's, or its subcontractors', performance of, or failure to perform, the Services required pursuant to this Agreement or any part thereof excluding the acts or omissions of the Village and its officers, officials, employees, agents or volunteers.

11. DRAWINGS, DOCUMENTS AND BOOKS AND RECORDS.

11.1. Drawings, plans, specifications, photos, reports, information, observations, calculations, notes and any other reports, documents, data or information, in any form, prepared, collected, or received by the Contractor in connection with any or all of the Services to be provided pursuant to this Agreement ("Documents") shall be and remain the property of the Village upon completion of the project and payment to the Contractor all amounts then due under this Agreement except for the Contractor's work papers. At the Village's request, or upon termination of this Agreement, the Documents shall be delivered promptly to the Village. The Contractor shall have the right to retain copies of the Documents for its files. The Contractor shall maintain files of all Documents unless the Village shall consent in writing to the destruction of the Documents, as required herein.

11.2. The Contractor's Documents and records pursuant to this Agreement shall be maintained and made available during performance of Project Services under this Agreement and for three (3) years after completion of the Project. The Contractor shall give notice to the Village of any Documents to be disposed of or destroyed and the intended date after said period, which shall be at least ninety (90) days after the effective date of such notice of disposal or destruction. The Village shall have ninety (90) days after receipt of any such notice to give notice to the Contractor not to dispose of or destroy said Documents and to require Contractor to deliver same to the Village, at the Village's expense. The Contractor and any subcontractors shall maintain for a minimum of three (3) years after the completion of this Agreement, or for three (3) years after the termination of this Agreement, whichever comes later, adequate books, records and supporting documents to verify the amounts, recipients and uses of all disbursements of funds passing in conjunction with the Agreement. The Agreement and all books, records and supporting documents related to the Agreement shall be available for

review and audit by the Village and the federal funding entity, if applicable, and the Contractor agrees to cooperate fully with any audit conducted by the Village and to provide full access to all materials. Failure to maintain the books, records and supporting documents required by this subsection shall establish a presumption in favor of the Village for recovery of any funds paid by the Village under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. The Contractor shall make the Documents available for the Village's review, inspection and audit during the entire term of this Agreement and three (3) years after completion of the Project as set forth herein and shall fully cooperate in responding to any information request pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* by providing any and all responsive documents to the Village.

11.3. The Contractor shall furnish all records related to this Agreement and any documentation related to the Village required under an Illinois Freedom of Information Act (ILCS 140/1 *et. seq.*) ("FOIA") request within five (5) business days after the Village issues notice of such request to the Contractor. The Contractor shall not apply any costs or charge any fees to the Village regarding the procurement of records required pursuant to a FOIA request. The Contractor shall defend, indemnify, and hold harmless the Village, and agrees to pay all reasonable costs connected therewith (including, but not limited to reasonable attorney's and witness fees, filing fees, and any other expenses) for the Village to defend any and all causes, actions, causes of action, disputes, prosecutions, or conflicts arising from the Contractor's actual or alleged violation of the FOIA, or the Contractor's failure to furnish all documentation related to a request within five (5) days after the Village issues notice of a request. Furthermore, should the Contractor request that the Village utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, the Contractor agrees to pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. The Contractor shall defend, indemnify, and hold harmless the Village, and agrees to pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees and any other expenses) to defend any denial of a FOIA request by the Contractor's request to utilize a lawful exemption to the Village.

11.4. The Contractor shall have the right to include among the Contractor's promotional and professional materials those drawings, renderings, other design documents and other work products that are prepared by the Contractor pursuant to this Agreement (collectively "Work Products"). The Village shall provide professional credit to the Contractor in the Village's development, promotional and other materials which include the Contractor's Work Products.

11.5. With respect to the disclosure of data or other information by the Village or Contractor, the other party shall hold all information in strict confidence for as long as the information remains confidential and not public or otherwise disclosed unless as required by

law. The Village and Contractor shall never disclose or make any use of any information and never copy any such information or remove it from the other's premises, except such use as is required in the performance of the Contractor's duties for the Village. Before providing any data or other information to a third party, the disclosing party shall secure the permission of the other party in writing to provide such data or other information to the third party.

11.6. The obligation set forth in Section 11.5 above shall not apply if: (i) the information to be disclosed has otherwise become public knowledge through no fault of the disclosing party where the disclosing person was not under an obligation not to disclose such information; (ii) the information to be disclosed was available to the disclosing party prior to its disclosure; (iii) the information is independently developed by the disclosing party; or (v) the information is disclosed as required by law.

11.7. The Village and Contractor shall always use all reasonable precautions to assure that all information and data is properly protected and kept from unauthorized persons and shall do so pursuant to current industry standards for data protection and privacy.

12. SAVINGS CLAUSE.

12.1. If any provision of this Agreement, or the application of such provision, shall be rendered or declared invalid by a court of competent jurisdiction, or by reason of its requiring any steps, actions or results, the remaining parts or portions of this Agreement shall remain in full force and effect.

13. NON-WAIVER OF RIGHTS.

13.1. No failure of either party to exercise any power given to it hereunder or to insist upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under this agreement shall constitute a waiver of either party's right to demand exact compliance with the terms hereof.

13.2. This Agreement shall not prohibit the Contractor from providing its Services to any other public or private entity or person. In the event that the Contractor provides Services to a public or private entity or person, the Village, at its sole discretion, may determine that such Services conflict with a service to be provided to the Village by Contractor, and the Village may select another vendor to provide such Services as the Village deems appropriate.

14. THE VILLAGE'S REMEDIES.

14.1. If it should appear at any time prior to final payment that the Contractor has failed or refused to prosecute, or has delayed in the prosecution of, the Services to be provided pursuant to this Agreement with diligence at a rate that assures completion of the Services in

full compliance with the requirements of this Agreement, or has attempted to assign this Agreement or the Contractor's rights under this Agreement, either in whole or in part, or has falsely made any representation or warranty, or has otherwise failed, refused, or delayed to perform or satisfy any other requirement of this Agreement or has failed to pay its debts as they come due ("Event of Default"), and has failed to cure, or has reasonably commenced to cure any such Event of Default within fifteen (15) business days after Contractor's receipt of written notice of such Event of Default, then the Village shall have the right, at its election and without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

14.1.1. The Village may require the Contractor, within such reasonable time as may be fixed by the Village, to complete or correct all or any part of the Services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete and to take any or all other action necessary to bring the Services into compliance with this Agreement;

14.1.2. The Village may accept the defective, damaged, flawed, unsuitable, nonconforming, incomplete, or dilatory Services or part thereof and make an equitable reduction in the Contract Price;

14.1.3. The Village may terminate this Agreement without liability for further payment of amounts due or to become due under this Agreement except for amounts due for Services properly performed prior to termination;

14.1.4. The Village may withhold any progress payment or final payment from the Contractor, whether or not previously approved, or may recover from Contractor, any and all costs but not exceeding the amount of the Contract Price, including attorneys' fees and administrative expenses, incurred by the Village as the result of any Event of Default or as a result of actions taken by the Village in response to any Event of Default; or

14.1.5. The Village may recover any damages suffered by the Village as a result of the Contractor's Event of Default.

15. NO COLLUSION.

15.1. The Contractor hereby represents and certifies that the Contractor is not barred from contracting with a unit of state or local government as a result of: (1) a delinquency in the payment of any tax administered by the Illinois Department of Revenue unless Contractor is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of the tax, as set forth in 65 ILCS 5/11-42.1-1; or (2) a violation of either Section 33E-3 or Section 33E-4 of Article 33E of the Criminal Code of 1961, 720 ILCS 5/33E-1 *et seq.* The Contractor hereby represents that the only persons, firms, or corporations interested in this Agreement are those disclosed to the Village prior to the execution of this Agreement, and that this Agreement is made without collusion with any other person, firm, or

corporation. If at any time it shall be found that Contractor has in procuring this Agreement, colluded with any other person, firm, or corporation, then the Contractor shall be liable to the Village for all loss or damage that the Village may suffer thereby, and this Agreement shall, at the Village's option, be null and void and subject to termination by the Village.
