1. ENTERPRISE MESSAGING: In order to protect our network and safeguard subscriber privacy from unsolicited (spam) or objectionable text messaging, Verizon Wireless employs protective measures, including aggregate message volume limits, content filtering and speed of service limitations on publicly accessible Internet messaging gateways. Verizon Wireless Enterprise Messaging service allows enterprise accounts to send aggregate text messages to other Verizon Wireless subscribers while reducing potential delays related to these protective measures.

2. REQUIREMENTS AND RESTRICTIONS: Enterprise Messaging is available for a monthly access fee for which Verizon Wireless will provision a Pilot Mobile Phone (described below) and provide access to the Enterprise Messaging Access Gateway (EMAG) online portal to set-up and manage the service. Enterprise Messaging can be used to send messages to Verizon Wireless subscribers and to subscribers on most domestic wireless carriers (inter-carrier messaging requires additional provisioning and is subject to message size and reporting limitations, experience by carrier and region may cause the experience to vary). Customer agrees that it will send messages only to subscribers that have opted in to receive its messages by: a) establishing an opt-in process that effectively captures each subscriber's consent to receive Customer's messages, informs subscribers of the nature and scope of Customer's messaging campaigns and any financial obligations ("Standard Messaging Charges Apply") associated with the messaging; b) maintaining opt-in records for a minimum of 6 months from the date of a subscriber's opt-in consent; and c) immediately complying with subscriber opt-out requests such as STOP, END, CANCEL, UNSUBSCRIBE or QUIT in compliance with Mobile Marketing Association (MMA) guidelines (www.mmaglobal.com). Customer can use compatible, properly configured SNPP, WCTP, XML, TAP, SMPP and SMTP messaging protocols, for which it is solely responsible for maintaining facilities to monitor its messaging operations, or the EMAG portal, to send up to fifteen text messages per second to subscribers. Provision of the EMAG service does not obligate Verizon Wireless to support variations of these protocols, whether those variations are optional within the published protocols or authorized or unauthorized variations to the published protocols.

Customer agrees that: a) its messaging will comply with applicable industry guidelines (e.g. MMA's Best Practices and CTIA's Wireless Content Guidelines) and Verizon Wireless content (www.verizon.com/contentpolicy) standards as they may be updated from time to time; b) it will not send messages containing executable files or links to other content or premium or similar messages that require a subscription or surcharge; c) it will not install, deploy, or use any hardware, firmware, software or other technology or technique to circumvent Verizon Wireless' messaging network operations protections except as granted under this agreement; and d) it will not send any objectionable material via Enterprise Messaging or advertise, promote, distributed or use objectionable material in connection with Enterprise Messaging (for purposes of this agreement, objectionable material includes, but is not limited to material that: (i) is prohibited by any applicable law, rule or regulation, (ii) contains anything that is obscene or indecent or anything with strong sexual, explicit or erotic themes or that links to such content, (iii) contains hate speech; (iv) contains excessive violence; (v) contains extreme profanity; (vi) contains misleading or fraudulent claims, or (vii) promotes or glamorizes alcohol abuse, illegal drug use or use of tobacco products). Consistent with prevailing standards in other content distribution mediums, content in this category that does not satisfy the above may be distributed if included in the context of artistic, educational, medical, news, scientific or sports material. Customer agrees that its use of Enterprise Messaging will comply with any applicable local, state, national and international laws and regulations.

3. LIMITATIONS: Wireless phones use radio transmissions which by their nature do not permit the delivery of text messages when the wireless phone is not in range of one of our transmission sites or a transmission site of another company that has agreed to carry our customer's calls, or if there is insufficient network capacity available to handle the message at that moment. Even within a coverage area, there are many factors that might interfere with the delivery of text messages, including the subscriber's equipment, terrain, proximity to buildings, foliage, and weather. Verizon Wireless also does not own or control all of the various facilities and communications lines between Customer's site and Verizon Wireless Enterprise Messaging access point. Due to these natural and technological limitations and the limitation in the number of messages that can be sent (up to fifteen per second), ENTERPRISE MESSAGING SHOULD NOT BE USED AS THE SOLE MEANS TO SEND MESSAGES THAT CONTAIN INFORMATION THAT IS ESSENTIAL TO THE PROTECTION OF LIFE OR PROPERTY, OR IS MISSION ESSENTIAL OR CRITICAL IN OTHER WAYS.

4. CUSTOMER'S ENTERPRISE MESSAGING CONTACT: Customer agrees to provide contact information including a phone number and email address to Verizon Wireless of an Enterprise Messaging contact or contacts, who shall be available during business hours and any other time period that Customer utilizes Enterprise Messaging for the purpose of assisting to resolve service matters and trouble shooting. Customer must provide

written notice of changes to contact information fourteen days prior.

5. PILOT MOBILE PHONE: Verizon Wireless shall provide Customer with one pilot mobile phone at no charge to manage password setup and resets. Customer should safeguard the pilot mobile phone in case password resets are needed as Verizon Wireless must rely on regular mail delivery of password resets if the phone is not available (password resets cannot be given over the phone or sent via email). This pilot mobile phone will not be capable of making any voice calls. Customer shall promptly notify Verizon Wireless if the phone is lost, damaged or stolen and Verizon Wireless reserves the right to charge Customer for replacement phones.

6. TERMINATION OF SERVICE: VERIZON WIRELESS CAN, WITHOUT NOTICE, LIMIT, SUSPEND, OR CANCEL CUSTOMER'S ACCESS TO OR USE OF THE ENTERPRISE MESSAGING SERVICE OR EMAG IF CUSTOMER VIOLATES THE RESTRICTIONS OF THIS AGREEMENT OR FOR GOOD CAUSE which shall include, but is not be limited to: (a) breaching this Agreement or the Customer's Non-Government Agreement; (b) spamming or other abusive messaging; (c) using Enterprise Messaging in a way that adversely affects our network, our customers, or other customers; (d) allowing anyone to tamper with messaging applications in a manner contrary to this Agreement; (e) any governmental body of competent jurisdiction suspends or terminates your service or institutes a requirement, ruling or regulation that conflicts with this Agreement; or (f) operational or other governmental reasons.

7. DISCLAIMER AND LIMITATION OF LIABILITY: CUSTOMER AGREES THAT ENTERPRISE MESSAGING AND EMAG IS PROVIDED ON AN "AS IS" BASIS AND CUSTOMER'S USE OF ENTERPRISE MESSAGING AND EMAG IS ITS SOLE RESPONSIBILITY. VERIZON WIRELESS (AND ITS OFFICERS, EMPLOYEES, PARENTS, SUBSIDIARIES AND AFFILIATES), ITS THIRD PARTY LICENSORS, PROVIDERS VENDORS AND SUPPLIERS, DISCLAIM ANY AND ALL WARRANTIES FOR ENTERPRISE MESSAGING, EMAG OR TEXT MESSAGE DELIVERY, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT, NONINTERFERENCE, AND THOSE ARISING FROM COURSE OF DEALING, COURSE OF TRADE, OR ARISING UNDER STATUTE. VERIZON WIRELESS DOES NOT WARRANT THAT ENTERPRISE MESSAGING OR EMAG WILL BE WITHOUT FAILURE, DELAY, INTERRUPTION, ERROR, OR LOSS OF CONTENT, DATA, OR INFORMATION. VERIZON WIRELESS SHALL NOT BE LIABLE FOR ANY FAILURE TO PROVIDE ENTERPRISE MESSAGING AND MAKES NO GUARANTEES THAT ANY TEXT MESSAGE WILL BE DELIVERED. NEITHER PARTY, NOR ITS AGENTS OR VENDORS, SHALL BE LIABLE TO THE OTHER PARTY, ITS EMPLOYEES, AGENTS OR ANY THIRD PARTY FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES.

8. NO RESELLING: Customer cannot resell Enterprise Messaging services or allow third parties to use Enterprise Messaging or access EMAG without prior written permission from Verizon Wireless.

9. SUBJECT TO CUSTOMER'S GOVERNMENT AGREEMENT: These terms supplement Local Government Agreement as it relates to Enterprise Messaging and EMAG and the terms of such Agreement, are applicable to Customer's use of Enterprise Messaging and EMAG.

Please note: Grandfathered Pricing does not apply to CMS government subscribers lines that have migrated to the current pricing under this contract.

Plans and Associated Charges: Billing, shipping and end-user address must be within an area where Verizon Wireless is licensed and provides service. Charges for calls will be based on the cell sites used, which may be outside the calling plan coverage area even when the subscriber is physically within the coverage area. Time of the call is based on the telephone switching office that carries the call, which may be different from the time of day shown on subscriber's phone. Unused monthly minutes and/or Megabytes are lost. On outgoing calls, charges start when subscriber presses **SEND** or the call connects to a network, and on incoming calls, when the call connects to a network (which may be before it rings). A call may end several seconds after subscriber presses **END** or the call disconnects. Calls made on the Verizon Wireless network are only billed if they connect (which includes calls answered by machines). Billing for airtime and related charges may sometimes be delayed. Calls to "911" and certain other emergency services are toll-free and airtime-free. Airtime may be charged when dialing toll-free numbers.

Price Plan Changes: When changing calling plans/features, depending upon the calling plan/feature selected, changes may be:

- Backdated to the beginning of the billing cycle;
- Future dated to the beginning of the next billing cycle; or
- Made effective that day and therefore prorated based on the number of days the service is provided, rather than billing for the entire bill cycle.

Please note: Backdating is recommended when the customer has exceeded the existing plan/feature allowance or wants the benefit of the new allowance in the current bill cycle. System logic restricts backdating in the following scenarios: moving down in plan access charge; changing from a data plan to a voice plan; or if the plan is not available on the first day of the bill cycle, as may be the case with a new pricing launch. Under these scenarios, changes are either processed on demand or with future dating.

Anytime Minutes: Anytime Minutes apply when making or receiving calls from a calling plan's rate and coverage area. Coverage information is available at www.verizonwireless.com. Airtime is rounded up to the next full minute.

Allowance minutes/Megabytes are not transferable except as may be available on plans with sharing. In order to gain access to coverage in newly expanding markets, subscribers must periodically dial *228 to update roaming information from voice or Smartphone devices; from the VZAccess Manager, go into "Options" and click "Activation," while in the National Enhanced Services Rate and Coverage Area every three months. This may alter the rate and coverage area. Automatic roaming may not be available in all areas and rates may vary. Roaming charges may be delayed to a later bill.

Long Distance: Unlimited domestic long distance is included when calling from the plan's rate and coverage area, unless otherwise specified in the plan.

Unlimited Messaging: Unlimited Messaging is included with the certain plans and is available in the National Enhanced Services rate and coverage area in the United States. Messaging applies when sending and receiving (i) text, picture and video messages to and from Verizon Wireless and Non-Verizon Wireless customers in the United States, (ii) Text, picture, and video messages sent via email, (iii) Instant messages, and (iv) Text messages with customers of wireless carriers in Canada, Mexico, Puerto Rico, and the U.S. Virgin Islands. Messaging is subject to Text, Picture, and Video Messaging Terms and conditions. Premium messages are not included. **Friends & Family:** Calls directed to and received from an account's listed Friends & Family numbers shall not use Monthly Anytime Voice Minutes. For Nationwide for Business plans with 900 minutes or more or 450 minute plan with the share option can add up to ten (10) Friends & Family numbers. Only calls from Nationwide Coverage Area to designated domestic landline or wireless numbers (excluding Directory Assistance, 900 numbers, or customer's own wireless or Voicemail access numbers) may be added; all qualifying lines on an account share the same Friends & Family numbers, up to account's eligibility limits; My Verizon, My Business Account or Verizon Enterprise Center is required to set up and manage Friends & Family numbers.

Mobile to Mobile Calling: Mobile to Mobile Calling minutes apply when making calls directly to or receiving calls directly from another Verizon Wireless subscriber while in the Nationwide Rate and Coverage area. Mobile to Mobile calls must originate and terminate while both Verizon Wireless subscribers are within the Mobile to Mobile Calling area. Mobile to Mobile Calling is not available (i) with fixed wireless devices with usage substantially from a single cell site, (ii) for data usage including Picture or Video Messaging (iii) if Call Forwarding or No Answer/Busy Transfer features are activated, (iv) for calls to Verizon Wireless

customers using any of the global services, (v) for calls to check Voice Mail, (vi) in those areas of Louisiana and Mississippi where the users roaming indicator flashes, (vii) in Canada and Mexico and (viii) to users whose current wireless exchange restricts the delivery of Caller ID And (viii) for incoming calls if Caller ID is not present or Caller ID Block is initiated. Mobile to Mobile Calling minutes will be applied before Anytime Minutes.

Night and Weekend Minutes: Apply to calls made in a calling plan's rate and coverage area only during the following hours: 12:00 am Saturday through 11:59 pm Sunday and 9:01 pm to 5:59 am Monday through Friday. If both Night and Weekend and Mobile to Mobile Calling minute allowances apply to a given call, Mobile to Mobile Calling minutes will apply before Night and Weekend minutes. However, if either allowance is unlimited, the unlimited allowance will always apply first.

Nationwide for Business Share Option: The Share Option is available to businesses with a minimum of five (5) Nationwide for Business lines on the same account with the share option. The Monthly Anytime Minutes of all lines on an account will be aggregated, and then allocated first to the line with the highest anytime minute usage, and then to the line with the next highest usage.

Push to Talk Plus: Push to Talk Plus (PTT+) capable Equipment required. Push to Talk Plus capable Equipment can only be used with a Push to Talk Plus calling plan. **Subscribers switching from a Push to Talk Plus Calling Plan to another calling plan may not be able to use certain Push to Talk Plus capable Equipment with the new plan.** Push to Talk Plus calls may only be made with other Verizon Wireless Push to Talk Plus subscribers. Push to Talk Plus Subscribers may initiate or participate on a call, simultaneously, with as many as 250 total participants (total is limited to (50) if interoperating between 3G and 4G participants). Administrators can be designated to manage the Push to Talk contact lists via a single website interface with a single user name/password. Existing Push to Talk Subscriber Equipment may require a software upgrade to use Push to Talk Plus or replacement with a Push to Talk Plus capable device. Push to Talk Plus is only available within the National Enhanced Services Rate and Coverage Area and WiFi access points. There will be a delay from the time a Push to Talk Plus call is initiated until the Push to Talk Plus call is first received by the called party. If an incoming voice call is received while on a Push to Talk Plus call the voice call may be answered and the Push to Talk Plus placed on hold. If an incoming Push to Talk Plus call is received while on a Push to Talk Plus call the PTT call icon can be selected to connect to the Push to Talk Plus call. If the incoming voice or Push to Talk Plus call is not answered a missed call alert will display. Network registration information will be sent to the Equipment each time it is powered on in the National Enhanced Services Rate and Coverage Area, each time the Subscriber travels into the National Enhanced Services Rate and Coverage Area, and every 12 hours if the Subscriber stays within the National Enhanced Services Rate and Coverage Area. While the updated network registration information is being sent to the Equipment, incoming voice calls will go directly to voice mail. Contact list cannot be modified from certain Equipment. Subscriber cannot prevent others who have the Subscriber's MTN from entering the MTN into their Push to Talk contact list. Only one person can speak at a time during a Push to Talk Plus call. In-Call Talker Override (Talker Priority) allows a pre-determined user priority to take the floor to communicate urgent message over participant. Push to Talk Plus services cannot be used for (i) access to the Internet, intranets or other data networks, except as the device's native applications & capabilities permit, (ii) any applications that tether Equipment to laptops, personal computers or other devices for any purpose. Please visit our website www.verizonwireless.com for additional Push to Talk Plus information.

International Eligibility: International Eligibility requires a minimum payment history and credit approval; a contract term and security deposit may also be required. Failure to maintain these requirements may result in suspension of International Eligibility without notice. You can remove International Eligibility at any time by calling Customer Service. You are responsible for any unauthorized use of your SIM Card and will safeguard security codes. Upon termination of service, destroy your SIM Card. See verizonwireless.com/global for details.

International Long Distance: You need International Eligibility to make international calls to most countries, but you can make calls to some North American destinations without it. Additional surcharges may apply when calling certain countries; see verizonwireless.com/global for details.

Verizon Wireless International Long Distance Value Plan: International Eligibility required to call most countries. Value Plan feature is not available on all Plans. Rates are subject to change without notice. Standard International Long

Verizon Wireless Plan and Feature Details

Distance rates apply in addition to airtime charges per your Plan on calls made from the Verizon Wireless network. Rates and service availability may vary when your phone's banner displays "Extended Network." Value Plan rates apply only on calls to Value Plan Countries made from your Plan's Rate and Coverage Area. If a subscriber's Plan's Rate and Coverage Area includes calls to any Value Plan country, those calls will be billed per the Plan. Except when roaming on another carrier's network, in which case that carrier's rates, taxes and surcharges apply. For Value Plan subscribers, calls made from the Verizon Wireless network to countries not included in the Value Plan will be billed at standard International Long Distance rates. Additional surcharges may apply when calling certain destinations, see www.verizonwireless.com/international for details.

International Roaming: Some services, such as premium text messaging, directory assistance, entertainment lines and third-party services, may be available, and charges for these services will be billed (along with applicable toll charges) in addition to roaming rates. Message-waiting-indicator service is not available where Text Messaging is not available. When using Global Phone, or Global Data services, or if you subscribe to a Nationwide Plus Canada or Nationwide Plus Mexico Plan, and you're roaming near country borders, calls may be carried by a cell site located in a neighboring country and billed at that country's rates. Verizon Wireless will terminate your service for good cause, upon 60 days written notice, if less than half of your voice or data usage over three consecutive billing cycles on the Verizon Wireless National Enhanced Services Rate and Coverage Area. See verizonwireless.com/global for rates and destinations, which are subject to change without notice. International Eligibility required for GSM roaming in many destinations. Rates, terms and conditions apply only when roaming on participating GSM networks in published destinations. Availability of service, calling features, and Text messaging varies by country and network and may be restricted without notice. You must add International Eligibility to your account to roam in many destinations. Visit verizonwireless.com/narooming. By using Equipment outside the United States, subscriber is solely responsible for complying with all applicable foreign laws, rules and regulations ("Foreign Laws"), including Foreign Laws regarding use of wireless phones while driving and use of wireless camera phones. Verizon Wireless is not liable for any damages that may result from subscriber's failure to comply with Foreign Laws.

Roaming in GSM countries: GSM Global Phone, activated in the United States with compatible Subscriber Identity Module (SIM) card required. Rates, terms and conditions apply only when roaming on participating GSM networks in published Global Phone countries. Service may be available in additional countries, but airtime rates, availability of calling features, and ability to receive incoming calls (including return calls from emergency services personnel) may be restricted. See www.verizonwireless.com for coverage and airtime rates. Service in certain countries may be blocked without prior notice. Where Text messaging is available, Customer will be charged \$0.50 for each message sent and \$0.05 for each message received. Text messaging rates are subject to change. Text messages may be sent only to MTNs of (i) Verizon Wireless customers, and (ii) customers of foreign wireless carriers that participate in international text messaging. Check www.vtext.com for the most current list of participating foreign carriers.

Data Services: Verizon Wireless charges you for all data and content sent or received using our network (including any network overhead and/or Internet Protocol overhead associated with content sent or received), as well as resolution of Internet Protocol addresses from domain names. Sending or receiving data using a virtual private network (VPN) involves additional VPN overhead for which you will be charged. Please note that certain applications or widgets periodically send and receive data in the background, without any action by the user, and you will be billed for such data use. Applications may automatically re-initiate data sessions without you pressing or clicking the **SEND** or connect button. Data sessions automatically terminate after 24 hours. A data session is inactive when no data is being transferred. Data sessions may seem inactive while data is actively being transferred, or may seem active when the data is actually cached and data is not being transferred. If you have a Data Only plan and use voice service, domestic voice calls will be billed at \$0.25/minute.

Verizon Wireless is implementing optimization and transcoding technologies in our network to transmit data files in a more efficient manner to allow available network capacity to benefit the greatest number of users. These techniques include caching less data, using less capacity, and sizing the video more

appropriately for the device. The optimization process is agnostic to the content itself and to the website that provides it. While Verizon Wireless invests much effort to avoid changing text, image, and video files in the compression process, and while any change to the file is likely to be indiscernible, the optimization process may minimally impact the appearance of the file as displayed on your device. For a further, more detailed explanation of these techniques, please visit verizonwireless.com/vzwoptimization.

Verizon Wireless strives to provide customers with the best experience when using our network, a shared resource among tens of millions of customers. To further this objective, Verizon Wireless has implemented Network Optimization Practices designed to ensure that the overwhelming majority of data customers aren't negatively impacted by the inordinate data consumption of a few users. For a further more detailed explanation of these techniques please visit www.verizonwireless.com/networkoptimization. Data transfer amounts will vary based on application. If you download an audio or video file, the file may be downloaded in sections or in its entirety; data charges will apply to the portion downloaded, regardless of whether you listen to or watch all of it. You may access and monitor your own data usage during a particular billing period, including during the Return Period, by accessing My Verizon online or by contacting Customer Service.

Data Services: Permitted Uses: You can use Verizon Wireless Data Services for accessing the Internet and for such uses as: (i) Internet browsing; (ii) email; (iii) intranet access (including accessing corporate intranets, email and individual productivity applications made available by your company); (iv) uploading, downloading and streaming of audio, video and games; and (v) Voice over Internet Protocol (VoIP).

Data Services: Prohibited Uses. You may not use our Data Services for illegal purposes or purposes that infringe upon others' intellectual property rights, or in a manner that interferes with other users' service, that violates trade and economic sanctions and prohibitions as promulgated by the Departments of Commerce, Treasury or any other U.S. government agency, that interferes with network's ability to fairly allocate capacity among users, or that otherwise degrades service quality for other users. Examples of prohibited usage include: (i) server devices or host computer applications that are broadcast to multiple servers or recipients such that they could enable "bots" or similar routines (as set forth in more detail (ii) below) or otherwise denigrate network capacity or functionality; (ii) "auto-responders," "cancel-bots," or similar automated or manual routines that generate amounts of net traffic that could disrupt net user groups or e-mail use by others; (iii) generating "spam" or unsolicited commercial or bulk e-mail (or activities that facilitate the dissemination of such e-mail); (iv) any activity that adversely affects the ability of other users or systems to use either Verizon Wireless' services or the Internet-based resources of others, including the generation of dissemination of viruses, malware, or "denial of service" attacks; (v) accessing or attempting to access without authority, the information, accounts or devices of others, or to penetrate, or attempt to penetrate Verizon Wireless' or another entity's network or systems; or (vi) running software or other devices that maintain continuous active Internet connections when a computer's connection would otherwise be idle or "any keep alive" functions, unless they adhere to Verizon Wireless' requirements for such usage, which may be changed from time to time.

Verizon Wireless further reserves the right to take measures to protect our network and other users from harm, compromised capacity or degradation in performance. These measures may impact your service, and Verizon Wireless reserves the right to deny, modify or terminate service, with or without notice, to anyone Verizon Wireless believes is using Data Services in a manner that adversely impacts the Verizon Wireless network. **Verizon Wireless may monitor your compliance, or other subscribers' compliance, with these terms and conditions, but Verizon Wireless will not monitor the content of the communications except as otherwise expressly permitted or required by law.** [See verizonwireless.com/privacy]

Unlimited Data Plans and Features (such as NationalAccess, BroadbandAccess and certain VZEmail services) may **ONLY** be used with wireless devices for the following purposes: (i) Internet browsing; (ii) email; and (iii) intranet access (including access to corporate intranets, email, and individual productivity applications like customer relationship management, sales force, and field service automation). The Unlimited Data Plans and Features MAY NOT be used for any other purpose. Examples of prohibited uses include,

Verizon Wireless Plan and Feature Details

without limitation, the following: (i) continuous uploading, downloading or streaming of audio or video programming or games; (ii) server devices or host computer applications, including, but not limited to, Web camera posts or broadcasts, automatic data feeds, automated machine-to-machine connections or peer-to-peer (P2P) file sharing; or (iii) as a substitute or backup for private lines or dedicated data connections. This means, by way of example only, that checking email, surfing the Internet, downloading legally acquired songs, and/or visiting corporate intranets is permitted, but downloading movies using P2P file sharing services and/or redirecting television signals for viewing on laptops is prohibited.

For individual use only and not for resale. We will protect our network from harm, which may impact legitimate data flows. We will limit throughput or amount of data transferred exceeding 5 to 25 GB to 200 Kbps up and 200 Kbps down in a given billing cycle, and reserve the right to deny or terminate service, with 60 days notice, to anyone we believe is using an Unlimited Data Plan or Feature in any manner prohibited above or whose usage adversely impacts our network or service levels. Anyone using more than 5 to 25 GB per line in a given month is presumed to be using the service in a manner prohibited above, and we will limit data throughput speeds for all additional usage on that line for the remainder of that bill cycle. We also reserve the right to terminate service upon 60 days notification to the customer.

Unlimited VZAccess and VZEmail: NationalAccess, BroadbandAccess, and GlobalAccess data sessions may be used for the following purposes: (i) Internet browsing, (ii) e-mail, and (iii) intranet access (including access to corporate intranets, e-mail and individual productivity applications like customer relationship management, sales force and field service automation). Unlimited VZAccess and VZEmail services cannot be used (i) for uploading, downloading or streaming of movies, music or games, (ii) with server devices or with host computer applications, other than applications required for BlackBerry or Wireless Sync service, including, but not limited to, Web camera posts or broadcasts, automatic data feeds, Voice over IP (VoIP), automated machine-to-machine connections, or peer-to-peer (P2P) file sharing, or (iii) as a substitute or backup for private lines or dedicated data connections. Additionally, Unlimited

VZEmail services cannot be used for, (i) access to the Internet, intranets or other data networks, except as the Equipment's native applications and capabilities permit, or (ii) for any applications that tether Equipment to laptops or personal computers other than for use of the Wireless Sync or BlackBerry Solutions. Unlimited BroadbandAccess and NationalAccess data sessions automatically terminate after 2 hours of inactivity, unless Subscriber has Mobile IP (MIP) capable Equipment

Verizon Wireless is not responsible for any unauthorized use of subscriber's SIM Cards and subscriber must safeguard security codes. Upon termination of service, subscriber must destroy SIM Card.

Verizon Wireless will not be liable for problems receiving Service that result from Customer's device.

Account Share: Customer may activate up to 15 share groups per account. Sharing is available only among M2M Lines on the Mobile Broadband M2M Account Share Plans on the same billing account, in the same usage group (Low Usage and High Usage plans cannot share with each other). Unused KBs will be distributed to M2M Lines with an overage on an as needed basis to M2M Lines on the same billing account that have exceeded their MB allowance during the same monthly billing period. At the end of each bill cycle any unused KBs allowances will be applied to the overages of the other M2M Lines on the same account beginning with the line with the lowest overage need until depleted. Customers subscribing to Mobile Broadband M2M Account Share Plans will be billed on separate billing accounts and invoices from Subscribers to the Mobile Broadband M2M Profile Share Plans.

Multi-Account Share: Customer may activate one (1) share group per profile (Low Usage and High Usage plans cannot share with each other); however, customer may have multiple bill accounts on the same profile. Sharing is available only among M2M Lines on the Mobile Broadband M2M Multi-Account Share Plans on the same profile, in the same usage group. Each sharing M2M Lines unused KBs will pass to other sharing M2M Lines that have exceeded their data allowance during the same monthly bill cycle. Customers subscribing to Mobile Broadband M2M Profile Share Plans will be billed on separate billing accounts and invoices from Subscribers to the Mobile Broadband M2M Account Share Plans.

Note: ¹A profile is defined as a Customer's overarching account of record under which Customer may have multiple billing accounts

This map is not a guarantee of coverage and may contain areas with no service. This map reflects a depiction of predicted and approximate wireless coverage. The coverage areas shown do not guarantee service availability and may include locations with limited or no coverage. Even with a coverage area there are many factors, including customer's equipment, terrain, proximity to buildings, foliage, and weather that may impact service. An all-digital device will not operate or be able to make 911 calls when digital service is not available. The Verizon Wireless Nationwide Rate and Coverage Area includes networks run by other carriers; some of the coverage depicted is based on their information and public sources and we cannot ensure its accuracy. Service may not be available for certain devices throughout the Extended National Enhanced Services Rate and Coverage Areas. **MOBILEIRON, INC.
END USER LICENSE AGREEMENT (EULA)**

THE TERMS AND CONDITIONS OF THIS END USER LICENSE AGREEMENT ("EULA") GOVERN YOUR RIGHTS TO SOFTWARE (DEFINED BELOW), OTHER SOFTWARE (AS APPLICABLE), PRODUCTS (AS APPLICABLE), AND SERVICES (AS APPLICABLE) TO BE SUPPLIED MOBILEIRON, INC., HEREUNDER.

MOBILEIRON, INC., A DELAWARE CORPORATION ("MOBILEIRON") IS ONLY WILLING TO GRANT CUSTOMER ACCESS TO SOFTWARE, OTHER SOFTWARE (AS APPLICABLE), PRODUCTS (AS APPLICABLE), AND SERVICES (AS APPLICABLE) ONLY UPON THE CONDITION THAT CUSTOMER ACCEPTS ALL THE TERMS CONTAINED HEREIN.

This EULA includes the following attachments which are incorporated herein by reference:

- A Support & Maintenance
- B Hardware Terms & Conditions
- C EULA International Terms & Conditions (as applicable)
- D In-Licensed Materials Terms & Conditions

This EULA is entered into as of the earlier of the date that Customer accepts the terms herein or first accesses or uses any Software (the "Effective Date").

MobileIron and Customer hereby agree as follows:

1. Definitions. For purposes of this Agreement:

"Actual Count" means Actual Device Count or Actual User Count, as applicable based on the licensing model identified in the applicable Product Schedule.

"Actual Device Count" means the actual number of devices that are registered with specific Software.

"Actual User Count" means the actual number of users with devices that are registered with specific Software, provided, that a single user shall not have more than three (3) devices registered to and/or managed/monitored by such Software licensed hereunder at the same time.

"Agreement" means the attached cover page, the EULA General Terms and Conditions, the attachments and exhibits hereto, and any terms incorporated herein by reference.

"Authorized Reseller" means any authorized reseller of Software that validly sells Customer one or more licenses to specific Software subject to the terms and conditions of this Agreement.

"Customer Affiliate" means any entity Controlling, Controlled by or under common Control with Customer.

"Control" and its grammatical variants means: (i) a general partnership interest in a partnership; or (ii) the beneficial ownership of a majority of the outstanding equity entitled to vote for directors; or (iii) the power to direct or cause the direction of the management and policies of such entity whether by contract or otherwise.

"Customer Representative" means any Customer Affiliate and any employee or contractor of Customer (and/or any Customer Affiliate) to whom Customer (and/or any Customer Affiliate) provides a copy of any Software (or any component thereof) for use on behalf of and for the benefit of Customer (and/or any Customer Affiliate) and for Customer's (and/or any Customer Affiliate's) internal business purposes, subject to all the terms and conditions of this Agreement. No MobileIron Competitor (or any employee or contractor thereof) shall be deemed a Customer Representative.

"Documentation" means the written and/or electronic release notes, end user or implementation guides, or technical documentation pertaining to specific Software that is provided by MobileIron either directly or indirectly through the Authorized Reseller to Customer together with the delivery of the Software.

“Licensed Count” means Licensed Device Count or Licensed User Count, as applicable based on the licensing model identified in the applicable Product Schedule.

“Licensed Device Count” means the maximum number of registered devices that Customer may have at any time that are managed and/or monitored by specific Software licensed hereunder, which maximum number shall be based on the license fees paid by Customer as identified on the relevant Product Schedule. For the avoidance of doubt, registered devices are those devices that have loaded any device Software and have not been retired (meaning unregistered).

“Licensed User Count” means the maximum number of users that Customer may have at any time who have one or more devices (but not more than three (3) devices) registered to and/or managed/monitored by specific Software licensed hereunder; which maximum number shall be based on the license fees paid by Customer as identified on the relevant Product Schedule. For clarity, a user is any individual Customer Representative who uses a device that is registered to and/or managed/monitored by such Software at any time during a calendar month, provided that a user may not use more than three (3) devices that are all registered to and/or managed/monitored by such Software at the same time during such month. In the event an individual has more than three (3) devices that are all registered to and/or managed or monitored by such Software at the same time during such month, such individual shall be counted as multiple users. As an example, a single individual having five (5) devices registered to and/or managed/monitored by such Software at the same time in a month shall be counted as two (2) users for that month.

“License Term” means the term of the license granted with respect to specific Software as identified on the relevant Product Schedule.

“Price Lists” means the then-current price lists of MobileIron that identify MobileIron’s generally available software, products and services.

“Product Schedule” means one or more of the following applicable documents that identifies the software and/or products and/or services licensed or sold (as applicable) to Customer hereunder and the applicable licensing parameters, including the Licensed Count, License Term, and pricing and payment terms relating to the provision of the applicable Software, MobileIron Hardware (if any), Support and Maintenance Services (if any) and/or other MobileIron or third party products or services (if any): (i) a product schedule mutually approved by the parties; or (ii) a MobileIron invoice, quote, online order form, or any other MobileIron ordering document that is mutually approved by the parties and references this Agreement, where licenses, products or services are purchased from MobileIron directly; or (iii) an Authorized Reseller ordering document agreed to between Customer and Authorized Reseller, where licenses, products or services are purchased through an Authorized Reseller; Multiple Product Schedules may apply if licenses, products, or services are purchased at different times, provided that, unless expressly stated otherwise in a mutually agreed upon Product Schedule, the terms specified in one Product Schedule shall be relevant only to the specific licenses, products or services listed on such Product Schedule.

✓

“Software” means any object code version of proprietary computer programs provided by or through MobileIron hereunder (other than Third Party Products (defined in Section 6.c below)), including any server-side, device-side, virtual machine and/or installer software to which Customer has purchased licenses as identified on the relevant Product Schedule, and any Documentation, backup copies and Upgrades and/or modifications to any of the foregoing provided to Customer hereunder.

3. **Delivery and Commencement of License Term.** MobileIron delivers all Software electronically. For MobileIron's accounting purposes, specific Software shall be deemed "delivered," and the License Term of such Software shall commence on the date such Software is first made available for download by Customer or otherwise delivered to Customer. 4. **License.** Subject to the terms and conditions of this Agreement, during the applicable License Term, MobileIron grants to Customer a non-exclusive, non-transferable and non-sublicensable license for Customer and Customer Representatives to use the object code form of the applicable Software solely for Customer's (and/or any Customer Affiliate's) internal use with Customer's ordinary business operations, and solely in accordance with the applicable Documentation. Customer may also maintain a reasonable number of copies of the applicable Software on its systems for backup and recovery purposes.

5. **Restrictions.** As a condition of the license granted in Section 4, Customer shall not itself, and shall not authorize or permit any Customer Representative or any other third party to: (i) use any Software or any portion thereof in excess of the feature set(s), License Term, or Licensed Count; or (ii) copy or use any Software or any portion thereof, except as expressly authorized by this Agreement; or (iii) modify any Software or any portion thereof or create derivative works based upon any Software or any portion thereof; or (iv) reverse engineer or decompile, decrypt, disassemble or otherwise reduce any Software or any portion thereof to human-readable form, except and only to the extent any foregoing restriction is prohibited by applicable law; or (v) use any Software or any portion thereof in any way that is in violation of any applicable laws; or (vi) distribute, sell, license or otherwise provide any Software or any portion thereof to third parties except to Customer Representatives as expressly provided herein; or (vii) use any Software or any portion thereof to perform services for third parties (excluding Customer's normal internal business operations as a governmental entity), whether on a service bureau, SaaS, time sharing basis or otherwise except as otherwise expressly provided herein; or (viii) release, publish, and/or otherwise make available to any third party the results of any performance, functional or security evaluation of any Software or any portion thereof without the prior written approval of MobileIron; or (ix) alter or remove any proprietary notices or legends contained on or in any Software or any portion thereof; or (x) defeat or circumvent any controls of any Software or any portion thereof places on the number of users supported; or (xi) unbundle any component of any Software; or (xii) use the Documentation except for supporting Customer's authorized use of the Software; or (xiii) employ or authorize a MobileIron Competitor to use the Software on its behalf, to view the Software or Documentation, or to provide management, hosting, support or similar services with regard to the Software without the prior written consent of MobileIron. The Software may contain or be provided with open source libraries, components, utilities and other open source software (collectively, "Open Source"), which Open Source may have applicable license terms as identified on a website designated by MobileIron or otherwise provided with the applicable Software or Documentation. Notwithstanding anything to the contrary herein, use of the Open Source shall be subject to the applicable Open Source license terms and conditions to the extent required by the applicable licensor (which terms shall not restrict the license rights granted to Customer hereunder but may contain additional rights). Customer is responsible for actions or inactions of the Customer Representatives within the scope of employment that are in violation of the terms of this Agreement.

6. Support and Maintenance Services, Professional Services, and Third Party Products.

a. **Support and Maintenance Services.** Support and Maintenance Services (if any) are delivered in accordance with Attachment A. If Customer has paid the applicable fees to obtain Support and Maintenance Services directly from MobileIron, Attachment A applies. If MobileIron has been paid the applicable fees by an Authorized Reseller to provide Maintenance Services indirectly to Customer, Customer is entitled to receive Maintenance Services through such Authorized Reseller in accordance with Attachment A. Otherwise, Attachment A does not apply.

b. **Professional Services.** Customer may order standardized professional services that are identified on the applicable Price List and described in a standardized statement of work published by MobileIron ("Standard SOW") or the parties may agree to customized professional services related to the Software as set forth in a mutually-agreed statement of work ("Custom SOW"), which Standard SOW and/or Custom SOW are hereby incorporated by reference herein. All such professional services delivered by MobileIron shall be subject to the terms and conditions of this Agreement, regardless of whether the applicable Product Schedule, Standard SOW or Custom SOW expressly references this Agreement.

7. Additional Licenses; Reporting.

a. **Additional Licenses.** Customer shall be responsible for any incremental license fees and any associated maintenance and support fees (where applicable) if the Actual Count for specific Software exceeds the Licensed Device Count for such Software at any time during a License Term. If Customer learns that the Actual Count exceeds the Licensed Count for specific Software, Customer shall either immediately cease such excessive usage or promptly notify MobileIron that it wishes to increase the Licensed Count to cover the excessive usage. Customer acknowledges that MobileIron's delivery and support infrastructure may enable MobileIron (and/or its Authorized Reseller) to access information regarding Actual Count for specific Software. If MobileIron (and/or its Authorized Reseller) learns that the Actual Count exceeds the Licensed Count for specific Software, MobileIron (or its Authorized Reseller) may, subject to the requirements of the Illinois Procurement Code (30 ILCS 500), invoice Customer for the excessive usage (including any associated support and maintenance fees) and Customer shall be responsible for such invoice. Unless otherwise mutually agreed in writing, the fees charged to Customer for the additional licenses, user counts (or device counts, if applicable) and services shall be based on the pricing section of the Reseller contract (based on MobileIron's then-current price list).

b. **Reporting; Audit.** For audit purposes, within ten (10) days of MobileIron's or its Authorized Reseller's written request, Customer shall complete MobileIron's Software usage verification documentation; and provide MobileIron access to the relevant device and user inventory data showing the number and type of registered devices and an electronic copy of administrative usage logs generated by the specific Software. Any such access shall be conducted during normal business hours and not unreasonably interfere with Customer's business. Any audits that require MobileIron to access Customer's premises shall not be conducted more than once per calendar year.

8. Indemnity. Subject to the terms herein, MobileIron shall, at its cost and expense, (i) defend, or at its option, settle any claim brought against Customer, Customer Representatives, and their respective directors, officers and employees ("Customer Indemnitee(s)") by a third party alleging that any use of Software infringes or violates any third party intellectual property right, and (ii) pay, indemnify and hold Customer Indemnitees harmless from any settlement of such claim or any damages awarded to such third party as a result of such claim, provided that Customer Indemnitee(s): (a) give MobileIron prompt written notice of any such claim; and (b) permit MobileIron to solely control and direct the defense or settlement of any such claim, provided MobileIron shall not settle any claim in a manner that requires Customer to admit liability or pay money without Customer's prior written consent; and (c) provide MobileIron all reasonable cooperation in connection with the defense or settlement of any such claim, at MobileIron's cost and expense. Customer may participate in the defense and settlement at Customer's sole expense. If such a claim occurs, or in MobileIron's opinion is reasonably likely to occur, MobileIron, at its expense and at its sole discretion, may, in addition to its indemnification obligations hereunder: (i) procure the right to allow Customer to continue to use the applicable Software; or (ii) modify or replace the applicable Software or infringing portions thereof to become non-infringing; or (iii) if neither (i) nor (ii) is commercially practicable, terminate Customer's license to the affected portion of the applicable Software and, as applicable, refund a portion of the license fees paid by Customer corresponding to such Software, pro-rated over a three (3) year period from initial delivery (unless the applicable License Term is shorter than three years, in which case the pro-rated period shall be equal to the License Term). Notwithstanding the foregoing, MobileIron shall have no obligations under this Section to the extent any claim is based upon or arises out of and would not have occurred without: (aa) any modification or alteration to the applicable Software, made by or on behalf of Customer and not made by or on behalf of or at the direction of MobileIron; and/or (bb) any combination or use of the applicable Software with third party equipment, products or systems, to the extent that such claim is based on such combination or use; and/or (cc) Customer's continuance of allegedly infringing activity for longer than a reasonable period after being notified by MobileIron in writing to Customer as set forth in section 14(i) to stop such activity; and/or (dd) Customer's failure

to use, as soon as practical but within the reasonable time limit set by MobileIron, Upgrades made available by MobileIron if MobileIron notifies Customer in writing that such Upgrades are required to stop or prevent infringing or potentially infringing actions; and/or (ee) the use of a non-MobileIron product or service; and/or (ff) use of the applicable Software not in accordance with the applicable Documentation or outside the scope of the license granted under this Agreement. The remedies set forth in this Section constitute Customer's sole and exclusive remedies, and MobileIron's entire liability, with respect to infringement or violation of third party intellectual property rights.

9. Ownership. All Software is licensed and not sold. MobileIron and its licensors shall own and retain all rights, title, and (except as expressly licensed hereunder) interest in and to the Software and all copies or portions thereof, and any derivative works thereof (by whomever created). All suggestions or feedback provided by Customer or its employees, contractors or other agents (including Customer Representatives) to MobileIron or its Authorized Resellers with respect to the Software shall be MobileIron's property and designated by MobileIron as MobileIron Confidential Information, and Customer hereby assigns the same to MobileIron. There are no implied licenses granted by MobileIron under this Agreement.

10. Term and Termination. The license granted herein with respect to specific Software shall remain effective until terminated or until the applicable License Term expires, whichever is earlier. This Agreement shall be effective as of the Effective Date and shall remain in effect until terminated or until the License Terms for all Software licensed hereunder expire, whichever is earlier. This Agreement may be terminated by a party: (i) upon thirty (30) days written notice, if the other party materially breaches any provision of this Agreement and such breach remains uncured after such thirty (30) day notice period expires; or (ii) effective immediately, if the other party ceases to do business, or otherwise terminates its business operations without a successor; or (iii) effective immediately, if the other party becomes insolvent or seeks protection under any bankruptcy, receivership, trust deed, creditors arrangement, composition or comparable proceeding, or if any such proceeding is filed against it and not dismissed within ninety (90) days. Upon termination of this Agreement, Customer shall delete/remove all copies of Software in its possession or control, and upon written request of a party, the other party shall return to such party or delete all Confidential Information of such party in its possession or control. Sections 1, 2, 5, 7 (only with respect to any accrued and unpaid fees), 8, 9, 10 (with respect to this survival sentence), 11, 13, and 14, and all liabilities that accrue prior to termination or expiration shall survive any termination or expiration of this Agreement.

11. Limited Warranties; Disclaimer.

a. **Software Warranty.** For a period of ninety (90) days from the date of the initial delivery of specific Software to Customer, MobileIron warrants to Customer that such Software materially conforms to the specifications described in the relevant Documentation. Customer's sole and exclusive remedy and the entire liability of MobileIron and its licensors under this limited warranty will be, at MobileIron's option, repair or replacement of such Software, or if repair or replacement is not commercially practicable, to refund the license and any associated support and maintenance fees paid for such non-conforming Software upon the return and removal of all such Software from servers and devices.

b. **Malicious Code.** Each party shall use standard industry practices including, without limitation, the use of an updated commercial anti-malware program designed to prevent network intrusions and denial of services attacks, and to test any Software (in the case of MobileIron) and to test any data, materials or software (in the case of Customer) delivered or transmitted to the other party in connection with this Agreement prior to its delivery or transmission for Malicious Code and remove any Malicious Code it discovers prior to delivery thereof to the other party. "Malicious Code" means any code that is designed to harm, or otherwise disrupt in any unauthorized manner, the operation of a recipient's computer programs or computer systems or destroy, damage, or misappropriate recipient's data in an unauthorized manner. For clarity, Malicious Code shall not include standard routines in any Software that are intended to delete data and are implicit in the standard functionality of any Software, or any software bugs or errors handled through support or maintenance, or any license key or other equivalent code that might limit the functionality or scope of the use of any Software to the scope of the license purchased by Customer hereunder.

c. **Hardware Limited Warranty.** If Customer has ordered and received MobileIron Hardware from MobileIron or an Authorized Reseller, the limited warranty and remedies described in Attachment B shall apply.

d. **Professional Services Warranty.** For a period of ninety (90) days from the date of delivery of any professional service by MobileIron to Customer hereunder, MobileIron represents and warrants to Customer that such professional services provided shall be professional, workmanlike and performed in a manner conforming to generally accepted industry standards and practices for similar services. MobileIron's entire liability and Customer's sole and exclusive remedy for any breach of the preceding warranty will be, at MobileIron's option for MobileIron to (i) re-perform the nonconforming services or (ii) refund the fees paid for such non-conforming professional services, provided that, in either case, MobileIron must have received written notice of the non-conformity from Customer no later than ninety (90) days after the original delivery of the services by MobileIron.

e. **Restrictions.** The express warranties specified above do not apply if the applicable Software, MobileIron Hardware, services, or any portion of the foregoing: (i) has been altered, except by or on behalf of MobileIron; (ii) has not been used, installed, operated, repaired, or maintained in accordance with this Agreement and/or Documentation supplied to Customer; (iii) has been subjected to abnormal physical or electrical stress, misuse, negligence, or accident; (iv) is used on equipment, products, or systems not meeting specifications identified by MobileIron in the applicable Documentation; or (v) is provided, for beta, evaluation, or testing purposes. Additionally, the warranties set forth herein only apply when notice of a warranty claim is provided to MobileIron within the applicable warranty period specified herein and do not apply to any bug, defect or error caused by or attributable to software or hardware not supplied by MobileIron.

f. **DISCLAIMERS.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EXCEPT FOR THE WARRANTIES EXPRESSLY SET FORTH IN THIS SECTION, THE SOFTWARE, MOBILEIRON HARDWARE, AND/OR ALL SERVICES ARE PROVIDED "AS IS", AND MOBILEIRON AND ITS SUPPLIERS PROVIDE NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED WITH REGARD TO THE SAME. EXCEPT AS EXPRESSLY SPECIFIED IN THIS SECTION, MOBILEIRON AND ITS SUPPLIERS HEREBY DISCLAIM ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS, AND WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR THAT THE SOFTWARE IS BUG/ERROR FREE, THAT ITS USE WILL BE UNINTERRUPTED, OR THAT IT IS FREE OF VULNERABILITY TO INTRUSION OR ATTACK. MOBILEIRON DOES NOT WARRANT THAT ANY SERVICES CONNECTING TO THE SOFTWARE PROVIDED BY THIRD PARTIES OR ANY DATA PROVIDED BY SUCH THIRD PARTIES WILL BE FREE FROM ERRORS OR INTERRUPTIONS OF SERVICE. THIS DISCLAIMER OF WARRANTY CONSTITUTES AN ESSENTIAL PART OF THIS AGREEMENT. THIS WARRANTY GIVES CUSTOMER SPECIFIC LEGAL RIGHTS, AND CUSTOMER MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION.

12. **Confidentiality.** "Confidential Information" means any non-public data, information and other materials regarding the products, software, services, or business of a party (and/or, if either party is bound to protect the confidentiality of any third party's information, of a third party) provided by one party ("Disclosing Party") to the other party ("Receiving Party") after the Effective Date in connection with this Agreement, where such information is marked as being "proprietary" or "confidential" or the like. In addition, MobileIron designates all Software (and any performance data, benchmark results, security assessments, product roadmap), Documentation, and derivatives of the foregoing, as MobileIron Confidential Information. MobileIron shall mark all confidential information as such. In the event that Customer receives a request for a disclosure of MobileIron Confidential Information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140, ("FOIA"), Customer will promptly notify MobileIron that it has received such a request, so that MobileIron may exercise its rights under the FOIA statute and related laws and regulations to prevent the release of such MobileIron Confidential Information. If MobileIron Confidential Information is released pursuant to a FOIA request, Customer will not be in breach of the provisions of this section 12 provided that it has provided MobileIron notice of the FOIA request and that the applicable FOIA statutes and regulations have been followed to review that FOIA request. Notwithstanding the foregoing, Confidential Information shall not include information that: (a) is already known to the Receiving Party without restriction as to disclosure prior to disclosure by the Disclosing Party; (b) becomes publicly available without fault of the Receiving Party; (c) is rightfully obtained by the Receiving Party from a third party without restriction as to disclosure, or is approved for release by written authorization of the Disclosing Party; or (d) is independently developed or created by the Receiving Party without use of the Disclosing Party's Confidential Information as evidenced by contemporaneous written records. Except as otherwise expressly authorized herein, the Receiving Party agrees to: (i) use the Confidential Information of the Disclosing Party only to perform hereunder (including providing the features and services associated with the normal use of the Software) or exercise rights granted to it hereunder; (ii) treat all Confidential Information of the Disclosing Party in the same manner as it treats its own similar proprietary information, but in no case will the degree of care be less than reasonable care; and (iii) with the exception of a release pursuant to a FOIA request that complies with the terms of this section 12 and the applicable Illinois law, disclose the Disclosing Party's Confidential Information only to those employees, contractors and other agents of the Receiving Party who have a need to know such information for the purposes of this Agreement, provided that any such employee, contractor or other agent shall be subject to obligations of non-use and confidentiality with respect to such Confidential Information at least as restrictive as the terms of this Agreement, and the Receiving Party shall remain liable for any non-compliance of such employee, contractor or other agent with the terms of this section. Notwithstanding the provisions of this Section, the Receiving Party may disclose: (I) the Disclosing Party's Confidential Information as required by any court or other governmental body or as otherwise required by law or regulation to be disclosed, provided, however, that the Receiving Party shall provide written notice to the disclosing party, unless prohibited by law to enable the Disclosing Party to seek a protective order or otherwise prevent disclosure of such Confidential Information; (II) the terms and conditions of this Agreement to advisors (including financial advisors, attorneys and accountants) and investors on a need-to-know basis under conditions that reasonably ensure the confidentiality thereof; (III) the terms and conditions of this Agreement in confidence, in connection with a proposed or actual merger, acquisition of stock or assets, or the like; or (IV) the terms and conditions of this Agreement as advisable or required in connection with any government or regulatory filings, including filings with the United States Security and Exchange Commission. The obligations of the parties under this Section will survive the expiration or termination of this Agreement. To the extent that the parties discuss MobileIron's product roadmap, which

is Confidential Information of MobileIron, Customer acknowledges that it is not purchasing any licenses to any Software based on any such feature or functionality discussed, and that such features or functionality may or may not (in MobileIron's sole discretion) be included in any Software.

13. Limitation of Liabilities. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EXCEPT FOR ANY BREACHES OF OR FOR LIABILITY ARISING OUT OF SECTION 5 (RESTRICTIONS), OR SECTION 8 (INDEMNITY): (a) IN NO EVENT SHALL CUSTOMER OR MOBILEIRON (OR MOBILEIRON'S SUPPLIERS) BE LIABLE TO THE OTHER PARTY FOR ANY LOST REVENUE, LOST PROFIT, LOST OR DAMAGED DATA, OR BUSINESS INTERRUPTION, OR FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL, OR PUNITIVE DAMAGES, HOWEVER CAUSED, IN CONNECTION WITH THIS AGREEMENT (UNDER ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STATUTE, TORT OR OTHERWISE), EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES; AND (b) IN NO EVENT SHALL THE AGGREGATE LIABILITY OF CUSTOMER OR MOBILEIRON ARISING OUT OF OR RELATED TO THIS AGREEMENT (UNDER ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STATUTE, TORT OR OTHERWISE) EXCEED THE FEES PAID TO MOBILEIRON FROM CUSTOMER (OR AUTHORIZED RESELLER, AS APPLICABLE) FOR THE RELEVANT PRODUCT OR SERVICE DURING THE TWENTY-FOUR (24) MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE SUCH LIABILITY. WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE OR OTHERWISE. MULTIPLE CLAIMS SHALL NOT EXPAND THE LIMITATIONS SET FORTH IN THIS SECTION. THE FOREGOING LIMITATIONS SHALL NOT APPLY TO ANY INFRINGEMENT OR MISAPPROPRIATION BY EITHER PARTY OF THE OTHER PARTY'S INTELLECTUAL PROPERTY RIGHTS, ANY INTENTIONAL BREACH OF SECTION 12 (CONFIDENTIALITY) OR BREACH BY CUSTOMER OF ITS PAYMENT OBLIGATIONS TO MOBILEIRON (OR AUTHORIZED RESELLER, AS APPLICABLE).

14. General.

a. **Language.** If there are any inconsistencies between the English language version of this Agreement and any translated version, then the English language version shall prevail. All services to be provided hereunder by MobileIron to Customer (if any) shall be conducted and provided in the English language.

b. **In-Licensed Materials.** The Software may contain or may interoperate with software services or other technology that is not owned by MobileIron but has been licensed to MobileIron ("In-Licensed Materials"). The In-Licensed Materials may be subject to the additional terms and conditions identified on Attachment D, which are current as of the Revision Date specified in Attachment D. The additional terms and conditions for In-Licensed Materials may be updated by MobileIron on occasion, and any such updates shall only affect the Customer's usage rights for the In-Licensed Materials and will not modify the indemnification terms in section 8 or the limitation of liability terms of section 13 of this EULA. These updates will be posted to: <https://www.mobileiron.com/en/legal/thirdpartyterms>.

c. **Import/Export.** Software and Documentation, including technical data, may be subject to import and export control laws, including the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries. Customer agrees to comply with all such regulations.

d. **U.S. Government End User Purchasers.** All Software, including all components thereof, and Documentation qualify as "commercial items," as that term is defined at Federal Acquisition Regulation ("FAR") (48 C.F.R.) 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in FAR 12.212. Consistent with FAR 12.212 and DoD FAR Supp. 227.7202-1 through 227.7202-4, and notwithstanding any other FAR or other contractual clause to the contrary in any agreement into which this Agreement may be incorporated, Customer may provide to Government end user or, if this Agreement is direct, Government end user will acquire, the Software and Documentation with only those rights set forth in this Agreement. Use of either the Software or Documentation or both constitutes agreement by the Government that all Software and Documentation are "commercial computer software" and "commercial computer software documentation," and constitutes acceptance of the rights and restrictions herein.

e. **Choice of Law; Venue.** Except as otherwise set forth in Attachment C (if applicable), this Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without reference to or application of choice of law rules or principles. Except as otherwise set forth in Attachment C (if applicable), the sole and exclusive jurisdiction and venue for actions arising under this Agreement shall be the Illinois Court of Claims (705 ILCS 505/8) for matters over which it has jurisdiction or, for other matters, the State and Federal courts of Illinois as appropriate; Customer and MobileIron hereby agree to service of process in accordance with the rules of such courts. Notwithstanding any choice of law provision or otherwise, the Uniform Computer Information Transactions Act (UCITA) and the United Nations Convention on the International Sale of Goods shall not apply.

f. **Data Communications.** To the extent any Personal Information of Customer Representatives is obtained by, or communicated to, MobileIron by Customer in performance by MobileIron of its obligations under this Agreement, MobileIron agrees

that it (and/or its contractors) will not collect, access, use, store, disclose, transfer or otherwise process (collectively, "Process" or "Processing") any such Personal Information except (i) for the purposes of this Agreement, including without limitation, to implement and deliver the Software and its features and associated services, provide Customer support, and help Customer prevent or address service or technical problems; or (ii) as otherwise expressly permitted by Customer in this Agreement or otherwise; or (iii) as compelled by law. MobileIron shall, at its own expense, comply with all laws, including data privacy and statutory notification laws that are applicable to MobileIron's Products. Customer shall make such disclosures, obtain such consents, provide such choices, implement such safeguards in compliance with, and otherwise comply with, any applicable law, rule or regulation regarding the Processing of Personal Information of any individual whose Personal Information Customer's employees, contractors or other agents Process (including, without limitation, by disclosing the Personal Information to MobileIron) in connection with the Customer's use of or access to any Software. The Software can communicate with a gateway hosted by MobileIron as part of its normal operations which provides certain functionality, confirms license compliance, and reports aggregated statistical data (such as product or feature usage, device metrics/metadata and/or mobile application usage), which is anonymized and aggregated so that it does NOT and cannot contain any information identifiable or attributable to any individual ("Aggregated Anonymous Data"). Customer agrees that MobileIron shall have the right to use, store, analyze, and disclose such Aggregated Anonymous Data. Customer may disable communication with the hosted gateway, but if Customer does so, Customer acknowledges that it will lose certain functionality, including but not limited to Apple and/or Google push notifications to devices, non-US SMS text messaging from the enterprise administrator to devices, display of devices on the smartphone details page, country code and carrier lookup information and roaming alerts.

g. **Force Majeure.** Any delay or failure in the performance by MobileIron hereunder shall be excused if and to the extent caused by the occurrence of a Force Majeure. "Force Majeure" shall mean a cause or event that is not reasonably foreseeable or otherwise caused by or under the control of MobileIron, including but not limited to acts of God (including but not limited to fire, flood, earthquake, storm, hurricane or other natural disaster), war, hostilities (whether war be declared or not), invasion, act of foreign enemies, mobilization, requisition or embargo, rebellion, revolution, insurrection, military or usurped power, civil war, acts or threats of terrorism, riots, strikes or labor disputes (excluding by MobileIron employees).

h. **Publicity.** MobileIron may publicly disclose (orally and in writing) that Customer is a customer of MobileIron and a licensee of the Software, including in a list of MobileIron customers and other promotional materials.

i. **Entire Agreement; Modifications.** This Agreement constitute the entire agreement between the parties with respect to the provision of Software, other software (as applicable), products (as applicable), and services (as applicable) as described herein. This Agreement supersedes and cancels all previous written and previous or contemporaneous oral communications, proposals, representations, and agreements relating to the subject matter contained herein. This Agreement prevails over any pre-printed, conflicting or additional terms of any purchase order, ordering document, acknowledgement or confirmation or other document issued by Customer before or after execution of this Agreement, even if accepted in writing by both parties. Any such document is hereby deemed rejected and extraneous to this Agreement and MobileIron's performance of this Agreement shall not be deemed acceptance of the terms of any such documents or an amendment to (or agreement to amend) this Agreement. Except as expressly provided herein, this Agreement may be amended, or any term or condition set forth herein waived, only by a writing hand signed by both parties where "in writing" does not include an e-mail message and "hand signed" does not include an electronic signature.

j. **Severability and Waiver.** Should any term of this Agreement be declared invalid, void or unenforceable by any court of competent jurisdiction or by an arbitration panel (as applicable), that provision shall be modified, limited or eliminated to the minimum extent necessary to effectuate the original intent and such declaration shall have no effect on the remaining terms hereof, which shall continue in full force and effect. The failure of either party to enforce any rights granted hereunder or to take action against the other party in the event of any breach hereunder shall not be deemed a waiver by that party as to subsequent enforcement of rights or subsequent actions in the event of future breaches.

k. **Assignment.** This Agreement may not be assigned or transferred, in whole or in part, without the other party's prior written consent, provided each party expressly reserves the right to assign this Agreement in its entirety to a successor in interest of all or substantially all of its business or assets. Any action or conduct in violation of the foregoing shall be void and without effect. Subject to the foregoing, all rights and obligations of the parties hereunder shall be binding upon and inure to the benefit of and be enforceable by and against the successors and permitted assigns.

l. **Notice.** Any notice required or permitted to be given in accordance with this Agreement shall be in writing. Notices to MobileIron shall be sent by personal delivery, registered or certified mail (return receipt requested, postage prepaid) or commercial express courier (with written verification of receipt) to: MobileIron, Inc., 415 East Middlefield Road, Mountain View, CA 94043, Attention: General Counsel. For contractual purposes, Customer consents to receive communications from MobileIron electronically. With the exception of invoices or other regular communications with regard to payments, notices sent to Customer

shall be sent by personal delivery, electronic mail, registered or certified mail (return receipt requested, postage prepaid) or commercial express courier (with written verification of receipt) to the Customer as follows: General Counsel, Department of Central Manager Services, JRTC – Suite 4-500, 100 W. Randolph St., Chicago, IL 60601. All notices will be deemed given: (i) when delivered personally; (ii) 24 hours after electronic mail is sent, unless MobileIron is notified that the email address is invalid; (iii) five (5) days after having been sent by registered or certified mail, (or ten (10) days for international mail); or (iv) one (1) day after deposit with a commercial express courier specifying next day delivery (or two (2) days for international courier packages specifying 2-day delivery). Either party may change its address for receipt of notice by notice to the other party in accordance with this Section.

m. **Equitable Relief.** The parties agree that a material breach of this Agreement adversely affecting MobileIron's or its suppliers' intellectual property rights in Software or the Confidential Information of either party may cause irreparable injury to such party for which monetary damages would not be an adequate remedy and the non-breaching party shall be entitled to equitable relief (without a requirement to post a bond) in addition to any remedies it may have hereunder or at law.

n. **Customer Affiliates.** The parties agree that: (i) a Customer Affiliate may purchase licenses, products or services identified on any applicable Price List under the terms of this Agreement either by executing a participation or adherence agreement with MobileIron or through MobileIron's acceptance of an applicable purchase order issued by such Customer Affiliate to MobileIron or by an Authorized Reseller to MobileIron (as applicable); and (ii) upon execution by Customer Affiliate and MobileIron of such an agreement or acceptance by MobileIron of such a purchase order, such Customer Affiliate shall be deemed to have purchased such licenses, products or services hereunder, and such Customer Affiliate shall be bound by and shall comply with the terms and conditions of this Agreement as a "Customer" under this Agreement.

o. **Independent Contractors.** The parties are independent contractors, and this Agreement shall not establish any relationship of partnership, joint venture, employment, franchise or agency between the parties.

p. **Counterparts.** This Agreement may be executed and delivered in one or more counterparts (including facsimile, PDF or other electronic counterparts), with the same effect as if the parties had signed the same document. Each counterpart so executed shall be deemed to be an original, and all such counterparts shall be construed together and shall constitute one Agreement.
