RE: Village Impact Review

Dear Members of the Plan Commission:

I have reviewed the proposed multiple family development to be located at 6033 North Avenue at Humphrey Avenue by Noah Properties. Pursuant to my review on September 25, 2019, I have determined that the development proposal will not have a negative impact on the Fire Department.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas Ebsen", with a long horizontal line extending to the right.

Thomas Ebsen

Fire Chief, Village of Oak Park
