THIS CONSULTANT SERVICES AGREEMENT ("Agreement") is entered into this 2 day of June, 2015, between the Village of Oak Park, an Illinois home rule municipal corporation (hereinafter referred to as the "Village"), and Municipal GIS Partners, Incorporated, a Wisconsin corporation authorized to conduct business in the State of Illinois (hereinafter referred to as the "Consultant").

RECITALS

WHEREAS, the Village desires to engage the Consultant to provide support services in connection with the Village's geographical information system ("GIS"); and

WHEREAS, the Consultant represents that it has the necessary expertise and experience to provide such services to the Village pursuant to the Consultant's Statement of Work (hereinafter referred to as the "Consultant's Proposal"), attached hereto and incorporated herein by reference as Attachment 1, and the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties agree as follows:

1. SERVICES OF THE CONSULTANT.

1.1. The Consultant shall provide the services set forth in the Consultant's Proposal (hereinafter referred to as the "Services") after receiving written authorization by the Village to proceed. The Village shall approve the use of subconsultants and subcontractors by Consultant to perform any of the Services that are the subject of this Agreement.

1.2. The Consultant shall submit to the Village all reports, documents, data, and information set forth in Consultant's Proposal in a format customarily used in the industry. The Village shall have the right to require such corrections as may be reasonably necessary to make any required submittal conform to this Agreement. The Consultant shall be responsible for any delay in the Services to be provided pursuant to this Agreement due to the Consultant's failure to provide any required submittal in conformance with this Agreement.

1.3. The Village Manager or the Village Manager's designee shall act as the Village's Representative with respect to the services to be performed under this Agreement. The Village Manager or the Village Manager's designee shall have complete authority to transmit instructions, receive information, interpret and define the Village's policies and decisions with respect to the Services to be provided pursuant to this Agreement.

1.4. In case of a conflict between provisions of the Consultant's Proposal and the Agreement, this Agreement shall control to the extent of such conflict.

2. COMPENSATION FOR SERVICES.

2.1. The Village shall compensate the Consultant for the Services as set forth in the Consultant's Proposal in an amount not to exceed \$75,398.00. The Consultant shall be paid not more frequently than once each month ("Progress Payments"). Payments shall be made within thirty (30) days of receipt by the Village of a pay request/invoice from the Consultant. Payments shall be due and owing by the Village in accordance with the terms and provisions of the Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.*, except as set forth herein.

2.2. The Village may, at any time, by written order, make changes regarding the general scope of this Agreement in the Services to be performed by the Consultant. If such changes cause an increase or decrease in the amount to be paid to Consultant or time required for performance of any Services under this Agreement, whether or not changed by any order, an equitable adjustment shall be made and this Agreement shall be modified in writing accordingly. No service for which additional compensation will be charged by the Consultant shall be furnished without the written authorization of the Village.

2.3. The Consultant shall, as a condition precedent to its right to receive a progress payment, submit to the Village an invoice accompanied by such receipts, vouchers, and other documents as may be necessary to establish costs incurred for all labor, material, and other things covered by the invoice and the absence of any interest, whether in the nature of a lien or otherwise, of any party in any property, work, or fund with respect to the Services performed under this Agreement. In addition to the foregoing, such invoice shall include (a) employee classifications, rates per hour, and hours worked by each classification, and, if the Services are to be performed in separate phases, for each phase; (b) total amount billed in the current period and total amount billed to date, and, if the Services are to be performed in separate phases, for each phase; (c) the estimated percent completion, and, if the Services are to be performed in separate phases, for each phase.

2.4. Notwithstanding any other provision of this Agreement and without prejudice to any of the Village's rights or remedies, the Village shall have the right at any time or times to withhold from any payment such amount as may reasonably appear necessary to compensate the Village for any actual or prospective loss due to: (1) services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete; (2) damage for which the Consultant is liable under this Agreement; (3) claims of subcontractors, suppliers, or other persons performing consultants Services; (4) delay in the progress or completion of the Services; (5) inability of the Consultant to complete the Services; (6) failure of the Consultant to properly complete or document any pay request; (7) any other failure of Consultant to perform any of its obligations under this Agreement; or (8) the cost to the Village, including attorneys' fees and administrative costs, of correcting any of the aforesaid matters or exercising any one or more of the Village's remedies set forth in this Agreement. The Village must notify the Consultant of cause for withholding within fourteen (14) days of the Village's receipt of an invoice.

2.5. The Village shall be entitled to retain any and all amounts withheld pursuant to this Agreement until the Consultant shall have either performed the obligations in

question or furnished security for such performance satisfactory to the Village. The Village shall be entitled to apply any money withheld or any other money due the Consultant under this Agreement to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, attorneys' fees, and administrative expenses incurred, suffered, or sustained by the Village and chargeable to the Consultant under this Agreement.

3. TERMINATION.

3.1. This Agreement may be terminated, in whole or in part, by either party if the other party substantially fails to fulfill its obligations under this Agreement through no fault of the terminating party. The Village may terminate this Agreement, in whole or in part, for its convenience upon fifteen (15) days prior written notice to the Consultant.

3.2. If this Agreement is terminated by either party, the Consultant shall be paid for Services performed to the effective date of termination, including reimbursable expenses. In the event of termination, the Village shall receive reproducible copies of drawings, specifications and other documents completed by the Consultant pursuant to this Agreement.

4. TERM OF AGREEMENT.

4.1. This Agreement shall expire on December 31, 2015, or on the date that the Village Manager determines that all of the Consultant's Services to be provided pursuant to this Agreement are completed. A determination that the Consultant's Services are completed shall not constitute a waiver of any rights or claims which the Village may have or acquire in the future with respect to any breach of this Agreement by the Consultant.

5. INDEMNIFICATION.

5.1. The Consultant shall, without regard to the availability or unavailability of any insurance, either of the Village or Consultant, indemnify, save harmless, and defend the Village, its officers, employees, agents, and volunteers against any and all lawsuits, claims, demands, damages, liabilities, losses, and expenses, including reasonable attorneys' fees and administrative expenses, that may arise, or be alleged to have arisen, out of or in connection with the Consultant's performance of, or failure to perform, the Services or any part thereof, whether or not due or claimed to be due in whole or in part to the active, passive, or concurrent negligence or fault of Consultant, but only to the extent caused by the negligence of the Consultant or its subconsultants or their respective employees.

6. INSURANCE.

6.1. The Consultant shall, at the Consultant's expense, secure and maintain in effect throughout the duration of this Agreement, insurance of the following kinds and limits set forth in this Section 5. This provision shall also be stated on each Certificate of Insurance: "Should any of the above described policies be canceled before the expiration date, the issuing company shall mail fifteen (15) days' written notice to the certificate holder named to the left." The Consultant shall require any of its subconsultants to secure and maintain insurance as set forth in this Section 5 and indemnify, hold harmless and defend the Village, its officers, employees, agents, and volunteers as set forth in this Agreement.

6.2. The limits of liability for the insurance required shall provide coverage for not less than the following amounts, or greater where required by law:

The Village and the Consultant each bind themselves and their partners, successors, executors, administrators and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party in respect to all covenants of this Agreement. Except as above, neither the Village nor the Consultant shall assign, sublet or transfer its interest in this Agreement without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of any public body that may not be a party hereto, nor shall it be construed as giving any right or benefits hereunder to anyone other than the Village and the Consultant.

8. FORCE MAJEURE.

8.1. Neither the Consultant nor the Village shall be responsible for any delay caused by any contingency beyond their control, including, but not limited to: acts of nature, war or insurrection, strikes or lockouts, walkouts, fires, natural calamities, riots or demands or requirements of governmental agencies.

10. STANDARD OF CARE.

10.1. The Consultant is responsible for the quality, technical accuracy, timely completion, and coordination of all Services furnished or required under this Agreement, and shall endeavor to perform such Services with the same skill and judgment which can be reasonably expected from similarly situated professionals.

10.2. The Consultant shall promptly make revisions or corrections regarding its Services resulting from its errors, omissions, or negligent acts without additional compensation. The Village's acceptance of any of Consultant's Services shall not relieve Consultant of its responsibility to subsequently correct any such errors or omissions, provided the Village notifies Consultant thereof within one (1) year of completion of the Consultant's Services.

10.3. The Consultant shall respond to the Village's notice of any errors and/or omissions within seven (7) days of written confirmation by the Consultant of the Village's notice. Such confirmation may be in the form of a facsimile confirmation receipt by the Village, or by actual hand delivery of written notice by the Village to the Consultant.

10.4. The Consultant shall comply with all federal, state, and local statutes, regulations, rules, ordinances, judicial decisions, and administrative rulings applicable to its performance under this Agreement.

10.5. The Consultant shall give all notices, pay all fees, and take all other action that may be necessary to ensure that the Services are provided, performed, and completed in accordance with all required governmental permits, licenses, and other approvals and authorizations that may be required in connection with providing, performing, and completing the Services, and with all applicable statutes, ordinances, rules, and regulations, including, but not limited to, the Fair Labor Standards Act; any statutes regarding qualification to do business; any statutes prohibiting discrimination because of, or requiring affirmative action based on race, color, religion, sex, national origin, ancestry, age, order of protection status, marital status, physical or mental disability, military status, sexual orientation, or unfavorable discharge from military service or other prohibited classification, including, without limitation, the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 et seq., and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. The Consultant shall also comply with all conditions of any federal, state, or local grant received by the Village or the Consultant with respect to this Agreement.

10.6. The Consultant shall be solely liable for any fines or civil penalties that are imposed by any governmental or quasi-governmental agency or body that may arise, or be alleged to have arisen, out of or in connection with the Consultant's, or its subcontractors', performance of, or failure to perform, the Services required pursuant to this Agreement or any part thereof.

11. DOCUMENTS AND BOOKS AND RECORDS.

11.1. Reports, examinations, information, observations, calculations, notes and any other reports, documents, data or information, in any form, prepared, collected, or received by the Consultant in connection with any or all of the Services to be provided pursuant to this Agreement ("Documents") shall be and remain the property of the Village upon completion of the Services and payment to the Consultant all amounts then due under this Agreement. At the Village's request, or upon termination of this Agreement, the Documents shall be delivered promptly to the Village. The Consultant shall have the right to retain copies of the Documents for its files. The Consultant shall maintain files of all Documents unless the Village shall consent in writing to the destruction of the Documents, as required herein.

11.2. The Consultant's Documents and records pursuant to this Agreement shall be maintained and made available during performance of the Services under this Agreement and for three (3) years after completion of any Services. The Consultant shall give notice to the Village of any Documents to be disposed of or destroyed and the intended date after said period, which shall be at least ninety (90) days after the effective date of such notice of disposal or destruction. The Village shall have ninety (90) days after receipt of any such notice to given notice to the Consultant not to dispose of or destroy said Documents and to require Consultant to deliver same to the Village, at the Village's expense. The Consultant and any subconsultants shall maintain for a minimum of three (3) years after the completion of this Agreement, or for three (3) years after the termination of this Agreement, whichever comes later, adequate books, records and supporting documents to verify the amounts, recipients and uses of all disbursements of funds passing in conjunction with the Agreement. The Agreement and all books, records and supporting documents related to the Agreement shall be available for review and audit by the Village and the federal funding entity, if applicable, and the Consultant agrees to cooperate fully with any audit conducted by the Village and to provide full access to all materials. Failure to maintain the books, records and supporting documents required by this subsection shall establish a presumption in favor of the Village for recovery of any funds paid by the Village under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. The Consultant shall make the Documents available for the Village's review, inspection and audit during the entire term of this Agreement and three (3) years after completion of the Project as set forth herein and shall fully cooperate in responding to any information request pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq. by providing any and all responsive documents to the Village.

11.3. The Consultant shall have the right to include among the Consultant's promotional and professional materials those drawings, renderings, other design documents and other work products that are prepared by the Consultant pursuant to this Agreement (collectively "Work Products"). The Village shall provide professional credit to the Consultant in the Village's development, promotional and other materials which include the Consultant's Work Products.

11.4. The Consultant shall furnish all records related to this Agreement and any documentation related to the Village required under an Illinois Freedom of Information Act (ILCS 140/1 et. seq.) ("FOIA") request within five (5) business days after the Village issues notice of such request to the Consultant. The Consultant shall not apply any costs or charge any fees to the Village regarding the procurement of records required pursuant to a FOIA request. The Consultant agrees to defend, indemnify, and hold harmless the Village, and agrees to pay all reasonable costs connected therewith (including, but not limited to reasonable attorney's and witness fees, filing fees, and any other expenses) for the Village to defend any and all causes, actions, causes of action, disputes, prosecutions, or conflicts arising from the Consultant's actual or alleged violation of the FOIA, or the Consultant's failure to furnish all documentation related to a request within five (5) days after the Village issues notice of a request. Furthermore, should the Consultant request that the Village utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, the Consultant agrees to pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. The Consultant shall defend, indemnify, and hold harmless the Village, and agrees to pay all costs connected therewith (such as reasonable attorney's and witness fees, filing fees and any other expenses) to defend any denial of a FOIA request by the Consultant's request to utilize a lawful exemption to the Village.

12. SAVINGS CLAUSE.

12.1. If any provision of this Agreement, or the application of such provision, shall be rendered or declared invalid by a court of competent jurisdiction, or by reason of its requiring any steps, actions or results, the remaining parts or portions of this Agreement shall remain in full force and effect.

13. NON-WAIVER OF RIGHTS.

13.1. No failure of either party to exercise any power given to it hereunder or to insist upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under this agreement shall constitute a waiver of either party's right to demand exact compliance with the terms hereof.

13.2. This Agreement shall not prohibit the Consultant from providing services to any other public or private entity or person. In the event that the Consultant provides Services to a public or private entity or person, the Village, at its sole discretion, may determine that such Services conflict with a service to be provided to the Village by the Consultant, and the Village may select another consultant to provide such Services as the Village deems appropriate.

14. THE VILLAGE'S REMEDIES.

14.1. If it should appear at any time prior to payment for Services provided pursuant to this Agreement that the Consultant has failed or refused to prosecute, or has delayed in the prosecution of, the Services to be provided pursuant to this Agreement with diligence at a rate that assures completion of the Services in full compliance with the requirements of this Agreement, or has attempted to assign this Agreement or the Consultant's rights under this Agreement, either in whole or in part, or has falsely made any representation or warranty, or has otherwise failed, refused, or delayed to perform or satisfy any other requirement of this Agreement or has failed to pay its debts as they come due ("Event of Default"), and has failed to cure, or has reasonably commenced to cure any such Event of Default within fifteen business days after Consultant's receipt of written notice of such Event of Default, then the Village shall have the right, at its election and without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

14.1.1. The Village may require the Consultant, within such reasonable time as may be fixed by the Village, to complete or correct all or any part of the Services that are defective, damaged, flawed, unsuitable, nonconforming, or incomplete and to take any or all other action necessary to bring Consultant and the Services into compliance with this Agreement;

14.1.2. The Village may accept the defective, damaged, flawed, unsuitable, nonconforming, incomplete, or dilatory Services or part thereof and make an equitable reduction;

14.1.3. The Village may terminate this Agreement without liability for further payment of amounts due or to become due under this Agreement except for amounts due for Services properly performed prior to termination;

14.1.4. The Village may withhold any payment from the Consultant, whether or not previously approved, or may recover from the Consultant any and all costs, including attorneys' fees and administrative expenses, incurred by the Village as the result of any Event of Default or as a result of actions taken by the Village in response to any Event of Default; or

14.1.5. The Village may recover any damages suffered by the Village as a result of the Consultant's Event of Default.

16. NO COLLUSION.

16.1. The Consultant hereby represents and certifies that the Consultant is not barred from contracting with a unit of state or local government as a result of: (1) a delinquency in the payment of any tax administered by the Illinois Department of Revenue unless Consultant is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of the tax, as set forth in 65 ILCS 5/11-42.1-1; or (2) a violation of either Section 33E-3 or Section 33E-4 of Article 33E of the Criminal Code of 1961, 720 ILCS 5/33E-1 et seq. Statement of Work to GIS Consortium Service Provider Contract

1) General Purpose. The Consultant will perform all or part of the Municipality's geographic information system (GIS) management, development, operation, and maintenance. In addition to supporting the existing GIS program, the Consultant will identify opportunities for continued development and enhancement.

The Municipality will be sharing management, development, maintenance expertise and staffing with other municipalities as a member of the Geographic Information System Consortium (GISC). The benefits to the Municipality include, but are not limited to, collective bargaining for rates and services, shared development costs, and joint purchasing and training.

The Consultant is the sole Service Provider for GISC and is responsible for providing the necessary GIS professional resources to support this entity. The Consultant will facilitate and manage resource, cost, and technical innovation sharing among GISC members.

2) Service Types. The Consultant will provide two (2) service types. The intent of this distinction is to track specific types of investment without overburdening general operation of the GIS program. Many of these services will go unnoticed but are required to sustain the GIS program. The Consultant will employ reasonable professional discretion when specific direction is not provided. The two (2) services types are as follows:

A. Services related to the direct management, development, operation, and maintenance of the GIS required to reasonably support the system.

B. Services relating to the investigation, research, and development of new functionality and capability for the GIS Consortium and its members.

3) Services. The Consultant will provide the necessary resources to support the GIS program. The allocation of these resources will be reasonably commensurate with the level of expertise required to fulfill the specific task which includes, but is not limited to, the following:

A. The GIS Specialist provides the daily operation, maintenance, and support of the GIS program for the community. The GIS Specialist is responsible for database development and maintenance, map and product development, user training, help-desk, system support, and program documentation.

B. GIS/RAS (Remote Access Service) Specialist provides the same services as the GIS Specialist utilizing equipment hosted by the Consultant.

C. The GIS Coordinator is responsible for the coordination and operation of the GIS program for the community including planning, forecasting, resource allocation and performance management.

D. The GIS Analyst is responsible for providing technical support to the GIS Specialist including trouble-shooting, special projects, and access to GISC shared applications and extensions. The GIS Analyst also supports the development of GISC projects and programs.

E. The GIS Platform Administrator is responsible for developing, managing, and directing the GISC solutions including the data model, databases and centralized software applications offered by the GISC.

F. The GIS Application Developer is responsible for developing, testing, and supporting software applications developed by the GISC for its members.

G. The GIS Manager is responsible for the overall development and implementation of the GISC program based on the direction and instructions of the GISC Board of Directors.

4) Projected Utilization and Service Rates. The service rates set forth below are based on, among other things, the negotiated annual projected utilization of all GISC members. The Consultant shall negotiate annually with the Board of Directors (the "**Board**") of GISC to adjust the annual projected utilization and service rates for the members of GISC. It is anticipated that the Consultant will submit its proposed annual projected utilization and service rates (the "**Proposal**") to the Board for approval every year on or about July 31st. Upon the Board's approval of the Proposal, the annual projected utilization and service rates shall become binding on the Municipality and incorporated into this Contract by reference, which shall automatically become effective on January 1st and remain in effect for the remainder of such calendar year. The approved annual projected utilization and the service rates will be promptly distributed by the Board or the Consultant to the Municipality. Notwithstanding the foregoing, in the event the Board, for any reason whatsoever (including the Board being disbanded) does not approve the Proposal, the Consultant may submit its proposed annual projected utilization and service rates directly to the Municipality by no later than October 1st, and upon written approval by the Municipality shall become effective on January 1st. Consultant agrees that, each year, the new aggregate annual contract value for the Municipality will not exceed the greater of (i) cost-of-living adjustments based on the CPI¹ measured as of the most recent CPI number available prior to submitting the Proposal, or (ii) 3%. The GISC service and projected utilization rates set forth below are effective as of the Effective Date until December 31st:

A. Projected Utilization

1. 658 hours of GIS Specialist

¹For purposes of this Contract, "CPI" shall mean the all items Consumer Price Index for all Urban Consumers in the Chicago-Gary-Kenosha area.
