Environment & Energy Commission

Appoint as Member

Name: Ravi Parakkat

Term: 1

Term Expiration Date: 12/2 /2022

Profession:

Self-employed, managing an energy consulting business

Reason Interested:

I'm passionate about the evolving energy ecosystem and its impact on the environment. I have worked with regulators, governments, consumers, and utilities to drive down household energy costs using digital and clean technologies. In addition to my experience managing an energy consulting business, the social impacts of these efforts are a source of great pride and satisfaction for me. The energy and environment commission for Oak Park provides a great platform to leverage my expertise and have tangible impact on my local community, a community that has been home for me the last 13 years.
