APPROVED this 7th day of August, 2017.

Anan Abu-Taleb, Village President

ATTEST

Vicki Scaman, Village Clerk

INDEPENDENT CONTRACTOR AGREEMENT

THIS INDEPENDENT CONTRACTOR AGREEMENT ("Agreement") is entered into on the 15 day of August 2017, by and between the Village of Oak Park, an Illinois home rule municipal corporation (hereinafter the "Village"), and Revcon Technology Group, Inc., an Illinois corporation (hereafter the "Contractor").

WHEREAS, Contractor submitted a Proposal dated July 10, 2017 a copy of which is attached hereto and incorporated herein by reference (hereinafter referred to as "Proposal"), for the supply and installation of parking access and revenue control systems including license plate recognition cameras at the Holley Court Parking Garage, 1025 Ontario Street and The Avenue Parking Garage, 720 North Boulevard, (hereinafter referred to as the "Work" and collectively referred to as the "Project") and herein by reference as though fully set forth; and

WHEREAS, Contractor represented in said Proposal that it has the necessary personnel, experience, and competence to promptly complete the Project and the Work required hereunder; and

WHEREAS, Contractor shall perform the Work pursuant to the terms and conditions of this Contract.

NOW, THEREFORE, in consideration of the premises and the mutual promises contained in this Contract, and other good and valuable consideration received and to be received, it is mutually agreed by and between the parties as follows:

1. RECITALS INCORPORATED

The above recitals are incorporated herein as though fully set forth.

2. SCOPE OF WORK

Contractor shall perform the Work for the Project in accordance with its Proposal for a price not to exceed \$176,720 ("Contract Price"). Contractor shall complete the Work in accordance with any applicable manufacturers' warranties and in accordance with its Proposal, the Village's Request for Proposals, and this Contract, all of which together shall constitute the "Contract Documents." Contractor acknowledges that it has inspected the site(s) where the Work is to be performed and that it is fully familiar with all of the conditions at the site(s), and further that its Proposal has adequately taken into consideration all of the conditions at the sites. Contractor hereby represents and

warrants that it has the skill and experience necessary to complete the Work in a good and workmanlike manner in accordance with the Contract Documents, and that the Work shall be free from defects. Contractor shall achieve completion of all work required pursuant to the Contract Documents by December 31, 2017 ("Contract Time"). The Contract Time is of the essence. In the event Contractor fails to complete the Work on or before said date, the Village shall be entitled to liquidated damages in the amount of \$500.00 per day for each day the Work remains uncompleted beyond the completion date set forth above. This amount is not a penalty, and the parties agree to said amount given the difficulties associated with determining or calculating damages to the Village in the event the Work is not completed on time. Contractor shall have no claim for damages, for compensation in excess of the Contract Price, or for a delay or extension of the Contract Time based upon conditions found at, or in the vicinity of, the site(s).

3. DESIGNATED REPRESENTATIVES

Contractor shall designate in writing a person to act as its designated representative with respect to the Work to be performed under this Contract who shall have the power and authority to make or grant or do all things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Contractor and with the effect of binding the Contractor. The Village is entitled to rely on the full power and authority of the person executing this Contract on behalf of Contractor as having been properly and legally given by Contractor. Contractor shall have the right to change its designated representative by providing the Village with written notice of such change which notice shall be sent in accordance with Section 12 of this Agreement.

The Village Manager or the Manager's designee shall be deemed the Village's authorized representative for purposes of this Agreement, unless applicable law requires action by the Corporate Authorities, and shall have the power and authority to make or grant or do those things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Village and with the effect of binding the Village as limited by this Contract. The Contractor is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Village as having been properly and legally given by the Village. The Village shall have the right to change its authorized representative by providing the Contractor with written notice of such change which notice shall be sent in accordance with Section 12 of this Agreement.

4. TERM OF CONTRACT

Contractor shall perform the Work pursuant to this Contract beginning on the effective date as defined herein and ending on December 31, 2017. Contractor shall invoice the Village for the Work provided pursuant to this Contract at the rates set forth in its

Proposal. The term of this Contract may be extended in writing for additional periods of time pursuant to the consent of the parties.

5. PAYMENT SCHEDULE

Contractor shall, as a condition precedent to its right to receive any payment, submit to the Village an application for payment and such receipts, vouchers, and other documents as may be necessary to establish Contractor's payment for all labor and material and the absence of any interest whether in the nature of a lien or otherwise of any party in any property, work, or fund with respect to the Work performed hereunder. Such documents shall include, where relevant, the following forms, copies of which are attached hereto:

- (i) Contractor's sworn statement;
- (ii) Contractor's partial or final waiver of lien;
- (iii) Subcontractor's sworn statement(s); and
- (iv) Subcontractor's partial or final waiver of lien.

Payment by the Village shall be conditioned upon an inspection by the Village of the Work completed and submission of required waivers by Contractor. Payment by the Village shall in no way constitute a waiver of, or relieve the Contractor from, any defects in the work. All payments shall be made in accordance with the Illinois Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.* Final payment for any Work performed by the Contractor pursuant to an invoice by Contractor shall be made by the Village to the Contractor when Contractor has fully performed the work and the work has been approved by the Village and submission of required waivers and paperwork by Contractor. Approval of the work and issuance of the final payment by the Village shall not constitute a waiver of, or release Contractor from, any defects in the work.

The Village shall have the right to withhold from any payment due hereunder such amount as may reasonably appear necessary to compensate the Village for any actual or prospective loss due to Work which is defective or does not conform to the Contract Documents; damage for which the Contractor is liable hereunder; liens or claims of liens; claims of third parties, subcontractors, or material men; or any failure of the Contractor to perform any of its obligations under this Contract. The Village may apply any money withheld or due Contractor hereunder to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, and attorney's fees incurred, suffered, or sustained by the Village and chargeable to Contractor.

6. TERMINATION

The Village may terminate this Contract for cause, which includes but is not necessarily limited to, Contractor's failure to perform the work pursuant to this Contract. The Village shall provide the Contractor with five (5) days' written notice of a termination for cause pursuant to the provisions of Section 12 below. The Village may also terminate

this Contract when it determines the same to be in its best interests by giving fourteen (14) days' written notice to Contractor pursuant to the provisions of Section 12 below. In such event, the Village shall pay to the Contractor all amounts due for the work performed up to the date of termination.

7. COMPLIANCE WITH APPLICABLE LAWS

Contractor shall comply with all applicable laws, regulations, and rules promulgated by any federal, state, county, municipal and/or other governmental unit or regulatory body now in effect during the performance of the work. By way of example only and not as a limitation, the following are included within the scope of the laws, regulations and rules with which Contractor must comply: all forms of workers' compensation laws, all terms of the equal employment opportunity rules and regulations of the Illinois Department of Human Rights, statutes relating to contracts let by units of government, and all applicable civil rights and anti-discrimination laws and regulations.

8. INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall waive any right of contribution against the Village and shall indemnify and hold harmless the Village and its officers, officials, employees, volunteers and agents from and against all claims, damages, losses and expenses, including, but not limited to, legal fees (attorney's and paralegal's fees, expert fees and court costs) arising out of or resulting from the performance of Contractor's work, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or injury to or destruction of property, other than the work itself, including the loss of use resulting therefrom, or is attributable to misuse or improper use of trademark or copyright-protected material or otherwise protected intellectual property, to the extent it is caused in whole or in part by any wrongful or negligent act or omission of Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. Such obligation shall not be construed to negate, abridge or otherwise reduce any other right to indemnity which the Village would otherwise have. Contractor shall similarly protect, indemnify and hold and save harmless, the Village, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses, including, but not limited to, legal fees incurred by reason of Contractor's breach of any of its obligations under, or Contractor's default of, any provisions of this Contract. The indemnification obligations under this Section shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for Contractor or any subcontractor under Workers' Compensation or Disability Benefit Acts or Employee Benefit Acts.

9. INSURANCE

Contractor shall at Contractor's expense secure and maintain in effect throughout the duration of this Contract, insurance of the following kinds and limits set forth in this Section. Contractor shall furnish "Certificates of Insurance" to the Village before beginning work on the Project pursuant to this Contract. All insurance policies shall be written with insurance companies licensed to do business in the State of Illinois and having a rating of at least A according to the latest edition of the Best's Key Rating Guide; and shall include a provision preventing cancellation of the insurance policy unless thirty (30) days prior written notice is given to the Village. This provision shall also be stated on each Certificate of Insurance: "Should any of the above described policies be canceled before the expiration date, the issuing company shall mail fifteen thirty (30) days written notice to the certificate holder named to the left."

The limits of liability for the insurance required shall provide coverage for not less than the following amounts, or greater where required by law:

(A) Commercial General Liability:

i. Coverage to include Broad Form Property Damage, Contractual and Personal Injury.

ii. Limits:

General Aggregate	\$ 2,000,000.00
Each Occurrence	\$ 1,000,000.00
Personal Injury	\$ 1,000,000.00

iii. Coverage for all claims arising out of Contractor's operations or premises and anyone directly or indirectly employed by the Contractor.

(B) Workers' Compensation:

i. Workers' compensation insurance shall be provided in accordance with the provisions of the laws of the State of Illinois, including occupational disease provisions, for all employees who perform the Work pursuant to this Contract, and if work is subcontracted pursuant to the provisions of this Contract, Contractor shall require each subcontractor similarly to provide workers' compensation insurance. In case employees engaged in hazardous work under this Contract are not protected under the Workers' Compensation Act, Contractor shall provide, and shall cause each subcontractor to provide, adequate and suitable insurance for the protection of employees not otherwise provided.

(C) **Comprehensive Automobile Liability:**

i. Comprehensive Automobile Liability coverage shall include all owned, hired, non-owned vehicles, and/or trailers and other equipment required to be licensed, covering personal injury, bodily injury and property damage.

ii. Limits:

Combined Single Limit \$1,000,000.00

(D) **Umbrella:**

i. Limits:

Each Occurrence/Aggregate \$5,000,000.00

(E) The Village, its officers, officials, employees, agents and volunteers shall be named as additional insureds on all insurance policies set forth herein except Workers' Compensation. Contractor shall be responsible for the payment of any deductibles for said insurance policies. The coverage shall contain no special limitations on the scope of protection afforded to the Village, its officers, officials, employees, agents, and volunteers.

(F) Contractor understands and agrees that any insurance protection required by this Contract or otherwise provided by Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless, and defend the Village, its officers, officials, employees, agents and volunteers as herein provided. Contractor waives and shall have its insurers waive, its rights of subrogation against the Village, its officers, officials, employees, agents and volunteers.

10. GUARANTY

Contractor warrants and guarantees that its Work provided for the Project to be performed under this Contract, and all workmanship, materials, equipment, and supplies performed, furnished, used, or installed under this Contract, performed, furnished, used, or installed under this Contract, shall be free from defects and flaws in workmanship or design; shall strictly conform to the requirements of this Contract; and shall be fit and sufficient for the purposes expressed in, or reasonably inferred from, this Contract. The Contractor further warrants and guarantees that the strength of all parts of all manufactured materials, equipment, and supplies shall be adequate and as specified and that the performance requirements of this Contract shall be fulfilled.

Contractor shall, at no expense to the Village, correct any failure to fulfill the above guaranty that may appear at any time. In any event, the guaranty herein expressed shall

not be sole and exclusive, and is additional to any other guaranty or warranty expressed or implied.

11. AFFIDAVIT OR CERTIFICATE

Contractor shall furnish any affidavit or certificate in connection with the work covered by this Contract as required by law.

12. NOTICES

Any notice required to be given by this Contract shall be deemed sufficient if made in writing and sent by certified mail, return receipt requested, by personal service, or by email or facsimile transmission to the persons and addresses indicated below or to such addresses and persons as either party hereto shall notify the other party of in writing pursuant to the provisions of this Section:

To the Village:

Village Manager
Village of Oak Park
123 Madison St.
Oak Park, Illinois 60302-4272
Facsimile: (708) 358-5101
Email: villagemanager@oak-park.us

To Contractor:

President
RevCon Technology Group, Inc.
1364 Hamilton Parkway
Itasca, Illinois 60143-1144
Facsimile: 630-916-8704
Email: jim@revcon.net

Mailing of such notice as and when above provided shall be equivalent to personal notice and shall be deemed to have been given at the time of mailing.

Notice by facsimile or email transmission shall be effective as of date and time of facsimile transmission, provided that the notice transmitted shall be sent on business days during business hours (9:00 a.m. to 5:00 p.m. Chicago time). In the event facsimile or email notice is transmitted during non-business hours, the effective date and time of notice is the first hour of the first business day after transmission.

13. AUTHORITY TO EXECUTE

The individuals executing this Contract on behalf of Contractor and the Village represent that they have the legal power, right, and actual authority to bind their respective parties to the terms and conditions of this Contract.

14. EFFECTIVE DATE

The effective date of this Contract as reflected above and below shall be the date that the Village Manager executes this Contract on behalf of the Village.

15. ENTIRE CONTRACT; APPROVAL OF SUBCONTRACTORS

This Contract, including the documents incorporated by reference herein, sets forth the entire Contract between the parties with respect to the accomplishment of the Work. No right or interest in this Contract shall be assigned, in whole or in part, by either party without the prior written consent of the other party. The Village reserves the right to approve the use of subcontractors to complete any portion of the Work and to approve any applicable contract between Contractor and a proposed subcontractor to perform any of the Work. This Contract shall be binding upon the parties and upon their respective heirs, executors, administrators, personal representatives, successors, and assigns, except as herein provided.

16. INDEPENDENT CONTRACTOR

Contractor shall have the full control of the ways and means of performing the Work referred to above and that the Contractor and its employees, representatives or subcontractors are not employees of the Village, it being specifically agreed that the Contractor bears the relationship of an independent contractor to the Village. The Contractor shall solely be responsible for the payment of all salaries, benefits and costs of supplying personnel for the Work.

17. CONTRACT BOND

Before commencing the work on the Project, Contractor shall furnish a Contract Bond. The Contract Bond shall be in an amount equal to 100% of the total contract value as security for the faithful performance of its obligations pursuant to the Contract Documents and as security for the payment of all persons performing labor and furnishing materials in connection with the Contract Documents. Such bond shall be on a standard AIA document, shall be issued by a surety satisfactory to the Village, and shall name the Village as a primary co-obligee. The Contract Bond shall become a part of the Contract Documents. The failure of Contractor to supply the required Contract Bond within ten (10) days after the Notice of Award or within such extended period as the Village may grant if the Contract Bond does not meet its approval shall constitute a default, and the Village may either award the Contract to the next lowest responsible proposer or re-advertise for proposals. A charge against Contractor may be made for the difference between the amount of the Contractor's Proposal and the amount for which a contract for the Work is subsequently executed, irrespective of whether the amount thus due exceeds the amount of the bid guarantee.

18. PREVAILING WAGES

Contractor and any applicable subcontractor shall pay prevailing wages as established by the Illinois Department of Labor and determined by the Village for each craft or type of work needed to execute the contract in accordance with the Illinois Prevailing Wage

Act, 820 ILCS 130/0.01 et seq. ("Act"). Contractor shall prominently post the current schedule of prevailing wages at the Project site(s) and shall notify immediately in writing all of its subcontractors of all changes in the schedule of prevailing wages. Any increases in costs to Contractor due to changes in the prevailing rate of wage during the terms of any Contract shall be at the sole expense of Contractor and not at the expense of the Village, and shall not result in an increase to the Contract Price. Contractor shall be solely responsible to maintain accurate records as required by the Act and shall submit certified payroll records to the Village evidencing its compliance with the Act on no less than a monthly basis as required by the Act. Contractor shall be solely liable for paying the difference between prevailing wages and any wages actually received by laborers, workmen and/or mechanics engaged in the Work for the Project.

The Contractor shall indemnify, hold harmless, and defend the Village, its officers, officials, employees, agents and volunteers ("Indemnified Parties") against all regulatory actions, complaints, damages, claims, suits, liabilities, liens, judgments, costs and expenses, including reasonable attorney's fees, which may in any way arise from or accrue against the Indemnified Parties as a consequence of noncompliance with the Act or which may in any way result therefrom, including a complaint by the Illinois Department of Labor under Section 4(a-3) of the Act, 820 ILCS 130/4(a-3), that any or all of the Indemnified Parties violated the Act by failing to give proper notice to any other party performing work on the Project that not less than the prevailing rate of wages shall be paid to all laborers, workers and mechanics performing Work on the Project, including interest, penalties or fines under Section 4(a-3). The indemnification obligations of this Section on the part of Contractor shall survive the termination or expiration of this Agreement. In any such claim, complaint or action against the Indemnified Parties, the Contractor shall, at its own expense, appear, defend and pay all charges of reasonable attorney's fees and all reasonable costs and other reasonable expenses arising therefrom or incurred in connection therewith, and, if any judgment or award shall be rendered against the Indemnified Parties in any such action, the Contractor shall at its own expense, satisfy and discharge such judgment or award.

19. GOVERNING LAW AND VENUE

This Contract shall be governed by the laws of the State of Illinois both as to interpretation and performance. Venue for any action pursuant to this Contract shall be in the Circuit Court of Cook County, Illinois.

20. AMENDMENTS AND MODIFICATIONS

This Contract may be modified or amended from time-to-time provided, however, that no such amendment or modification shall be effective unless reduced to writing and duly authorized and signed by the authorized representative of the Village and the authorized representative of the Contractor.

21. NON-WAIVER OF RIGHTS

No failure of either party to exercise any power given to it hereunder or to insist upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under this Contract shall constitute a waiver of either party's right to demand exact compliance with the terms hereof.

22. CONFLICT

In case of a conflict between any provision(s) of Contractor's Proposal and this Contract, this Contract shall control to the extent of such conflict.

23. CERTIFIED PAYROLL

Contractor shall be solely responsible to maintain accurate records reflecting its payroll for its employees who perform any of the Work for the Village pursuant to this Contract and shall submit certified payroll records to the Village at any time during the term of this Contract. Contractor shall provide said certified payroll records within seven (7) days upon the request of the Village.

24. HEADINGS AND TITLES

The headings and titles provided in this Contract are for convenience only and shall not be deemed a part of this Contract.

25. COOPERATION OF THE PARTIES

The Village and Contractor shall cooperate in the provision of the Work to be provided by Contractor pursuant to this Contract and in compliance with applicable laws, including, but not limited to, the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* ("FOIA"), and the provision of any documents and information pursuant to a FOIA request. Contractor shall provide any and all responsive documents to the Village pursuant to a FOIA request at no cost to the Village.

26. COUNTERPARTS; FACSIMILE OR PDF SIGNATURES

This Contract may be executed in counterparts, each of which shall be considered an original and together shall be one and the same Contract. A facsimile or pdf copy of this Agreement and any signature(s) thereon will be considered for all purposes as an original.

IN WITNESS WHEREOF, the parties hereto have caused this Contract to be signed by their duly authorized representatives on the dates set forth below.

Automated Access Additions Proposal

RevCon Scope of Work

RevCon Technology Group, Inc. will furnish and install all necessary materials, hardware, conduit, wiring and equipment to provide an added parking access control system (PACS) creating a nested area at the roof top to include a custom entry and exit terminal, one image scanner, intercoms, two barrier gates and all other devices and software set forth and described in this proposal featuring TIBA Parking Systems.

Inclusions

- Custom site specific graphics on all TIBA PARCS equipment and barrier gates. All other interior and exterior signs and graphics by others.
- All appropriate sales taxes, freight fees, disposal and environmental impact fees paid by RevCon.
- All products are UL/ETL approved and certified.
- Two (2) year all-inclusive equipment warranty from date of installation completion (first ticket).
- RevCon Technology Group, Inc. will extend our comprehensive services on the installed systems after year two to coincide with the previously installed PARC System.

Investment

Total Project Cost including all equipment, materials and labor- \$35,878.00

PAC System Equipment and Material Listing

2	TIBA Custom CR-30-M Terminals with pedestal with integrated display, image scanners and Stentofon IP intercoms.	\$ 8,500.00
2	Barrier Gates with 10' articulating boom arms.	\$ 6,600.00
1	Lockable Aluminum NEMA Enclosure.	\$ 450.00
4	Steel Protection Bollards with plastic sleeves, surface mounted.	\$ 1,000.00
1	LSR Image Scanner on entry with enclosure and custom graphics.	\$ 1,850.00

Construction, Installation and Training

Site preparation; create drive island forms; rough-in all required conduits, pour concrete; strip forms; clean up all construction debris and haul away; saw cut, install and seal all vehicle detection loops; install all ancillary conduit, wire and cable for power, control and data and audio communications as required; perform all local programming, system configuration, local operational staff training and system commissioning. \$17,500.00

Equipment and System Descriptions

TIBA Custom Reader Terminal

Monthly card holders will present their barcoded access cards and gain access into the nested area. The fully integrated entry terminal is connected your parking office or command center providing access control reporting, monthly card holder usage and activity counts as well as audio communications for customer service. The Terminal is an ETL approved device.

Magnetic Barrier Gate

Magnetic Automation Parking Pro-M barrier gates feature the new innovative MHTM drive technology. Virtually no maintenance, high performance and speed are only some of the outstanding features. The small sized DC drive motor with its integrated servo control and the compact high-performance gearing provides the required performance at astounding levels. RevCon's LED light kits add extra visibility for safer entry and exiting. UL and ETL approved device.

RevCon Scope of Work

RevCon Technology Group, Inc. will furnish and install all necessary materials, hardware, conduit, wiring and equipment to provide added License Plate Recognition System to the existing TIBA parking access control system featuring Hi-Tech Solutions.

Inclusions

- All freight fees paid by RevCon.
- All products are UL/ETL approved and certified.
- Two (2) year all-inclusive equipment warranty from date of installation completion (first ticket).
- RevCon Technology Group, Inc. will extend our comprehensive services on the installed systems after year two to coincide with the previously installed PARC System.

Investment

Total Project Cost including all equipment, materials and labor- \$73,200.00

LPR System Equipment and Material Listing

- 8 HTS License Plate Recognition Camera sets
- 8 Mounting poles (ground and ceiling mount).
- 1 Lockable Aluminum NEMA Enclosure.
- 15 Flexible plastic Lane Delineators
- 4 Surface Sensors with LPRLink for tailgating event alarm.
- 1 Server with DVR, all single site licenses.

Construction, Installation and Training

Site preparation; create concrete drive island extension forms; rough-in all required conduits, pour concrete; strip forms; clean up all construction debris and haul away; saw cut, install and seal all additional vehicle detection loops; install all ancillary conduit, wire and cable for power, control and data as required; perform all local programming, system configuration, local operational staff training and system commissioning.

Village of Oak Park
Holley Court – License Plate Recognition System Proposal
July 10, 2017
Page two of two

Equipment and System Description

LPR Camera

The use of LPR Systems provides the ultimate in "hands free" access to your parking facility. The high resolution, low-mid speed all-in-one recognition units have a robust image processing system that captures car plate images and identifies their license plate numbers. LPR systems can be used as "ticket-less" parking access system or combined with PARC systems and other access devices like prox or barcode to bring you an efficient, fast and safe way to get large volumes of traffic in and out of your facility at peak times. UL approved device.

Investment Summary

Project Location: Holley Court Garage, 1125 Ontario Street, Oak Park, Illinois 60302

Scope of work: RevCon Technology Group, Inc. will furnish and install all necessary materials, hardware, conduit, wiring and equipment to provide eight LPR cameras sets, server with DVR and all other devices and software set forth and described in this proposal

Total Project Cost including all equipment, materials and labor as described in this proposal. Includes all freight and disposal/ environmental impact fees paid. **\$73,200.00**

Terms and Conditions

Pricing described herein is valid for sixty (60) days from this date. Delivery is 4-6 weeks from receipt of deposit. All work shall be performed during normal business hours.

Terms are: A **deposit of \$38,000.00** is due at acceptance per manufacturers' requirements, mobilization and infrastructure preparations; a **milestone payment of \$27,850.00** is due prior to equipment shipment and subsequent installation; with the **balance of \$7,350.00** plus any change orders is due upon completion and sign off. All work shall be done during normal business hours without disruption to the daily operation of the garage.

Acceptance

Both parties agree to the *Customer Responsibilities* and the *Terms and Conditions* described above.

Automated Access Additions Proposal

RevCon Scope of Work

RevCon Technology Group, Inc. will furnish and install all necessary materials, hardware, conduit, wiring and equipment to provide an added parking access control system (PACS) creating a nested area at the roof top to include a custom entry and exit terminal, one image scanner, intercoms, two barrier gates and all other devices and software set forth and described in this proposal featuring TIBA Parking Systems.

Inclusions

- Custom site specific graphics on all TIBA PARCS equipment and barrier gates. All other interior and exterior signs and graphics by others.
- All appropriate sales taxes, freight fees, disposal and environmental impact fees paid by RevCon.
- All products are UL/ETL approved and certified.
- Two (2) year all-inclusive equipment warranty from date of installation completion (first ticket).
- RevCon Technology Group, Inc. will extend our comprehensive services on the installed systems after year two to coincide with the previously installed PARC System.

Investment

Total Project Cost including all equipment, materials and labor- \$33,640.00

PAC System Equipment and Material Listing

2	TIBA Custom CR-30-M Terminals with pedestal with integrated display, image scanners and Stentofon IP intercoms.	\$ 8,500.00
2	Barrier Gates with 10' articulating boom arms.	\$ 6,600.00
1	Lockable Aluminum NEMA Enclosure.	\$ 450.00
4	Steel Protection Bollards with plastic sleeves, surface mounted.	\$ 1,000.00
1	LSR Image Scanner on entry with enclosure and custom graphics.	\$ 1,850.00

Construction, Installation and Training

Site preparation; create drive island forms; rough-in all required conduits, pour concrete; \$15,240.00
strip forms; clean up all construction debris and haul away; saw cut, install and seal all vehicle detection loops; install all ancillary conduit, wire and cable for power, control and data and audio communications as required; perform all local programming, system configuration, local operational staff training and system commissioning.

Equipment and System Descriptions

TIBA Custom Reader Terminal

Monthly card holders will present their barcoded access cards and gain access into the nested area. The fully integrated entry terminal is connected your parking office or command center providing access control reporting, monthly card holder usage and activity counts as well as audio communications for customer service. The Terminal is an ETL approved device.

Magnetic Barrier Gate

Magnetic Automation Parking Pro-M barrier gates feature the new innovative MHTM drive technology. Virtually no maintenance, high performance and speed are only some of the outstanding features. The small sized DC drive motor with its integrated servo control and the compact high-performance gearing provides the required performance at astounding levels. RevCon's LED light kits add extra visibility for safer entry and exiting. UL and ETL approved device.

Investment Summary

Project Location: The Avenue Garage, 101 N. Euclid Avenue, Oak Park, Illinois 61301

Scope of work: RevCon Technology Group, Inc. will furnish and install all necessary materials, hardware, conduit, wiring and equipment to provide an added parking access control system (PACS) creating a nested area at the roof top to include a custom entry and exit terminal an image scanner, intercoms, two barrier gates and all other devices and software set forth and described in this proposal

Total Project Cost including all equipment, materials and labor as described in this proposal. Includes all appropriate taxes, freight and disposal/environmental impact fees paid.

\$33,640.00

RevCon Scope of Work

RevCon Technology Group, Inc. will furnish and install all necessary materials, hardware, conduit, wiring and equipment to provide added License Plate Recognition System to the existing TIBA parking access control system featuring Hi-Tech Solutions.

Inclusions

- All freight fees paid by RevCon.
- All products are UL/ETL approved and certified.
- Two (2) year all-inclusive equipment warranty from date of installation completion (first ticket).
- RevCon Technology Group, Inc. will extend our comprehensive services on the installed systems after year two to coincide with the previously installed PARC System.

Investment

Total Project Cost including all equipment, materials and labor- \$34,000.00

LPR System Equipment and Material Listing

- 4 HTS License Plate Recognition Camera sets
- 4 Mounting poles (ground and ceiling mount).
- 1 Lockable Aluminum NEMA Enclosure.
- 15 Flexible plastic Lane Delineators
- 2 Surface Sensors with LPRLink for tailgating event alarm.
- 1 Server with DVR, all single site licenses.

Construction, Installation and Training

Site preparation; saw cut, install and seal all additional vehicle detection loops; install all ancillary conduit, wire and cable for power, control and data as required; perform all local programming, system configuration, local operational staff training and system commissioning.

Village of Oak Park
The Avenue – License Plate Recognition System Proposal
July 10, 2017
Page two of two

Equipment and System Description

LPR Camera

The use of LPR Systems provides the ultimate in "hands free" access to your parking facility. The high resolution, low-mid speed all-in-one recognition units have a robust image processing system that captures car plate images and identifies their license plate numbers. LPR systems can be used as "ticket-less" parking access system or combined with PARC systems and other access devices like prox or barcode to bring you an efficient, fast and safe way to get large volumes of traffic in and out of your facility at peak times. UL approved device.

Investment Summary

Project Location: The Avenue, 720 North Boulevard, Oak Park, Illinois 60302

Scope of work: RevCon Technology Group, Inc. will furnish and install all necessary materials, hardware, conduit, wiring and equipment to provide four LPR cameras sets, server with DVR and all other devices and software set forth and described in this proposal

Total Project Cost including all equipment, materials and labor as described in this proposal. Includes all freight and disposal/ environmental impact fees paid. **\$34,000.00**

Terms and Conditions

Pricing described herein is valid for sixty (60) days from this date. Delivery is 4-6 weeks from receipt of deposit. All work shall be performed during normal business hours.

Terms are: A deposit of \$20,000.00 is due at acceptance per manufacturers' requirements, mobilization and infrastructure preparations; a milestone payment of \$10,600.00 is due prior to equipment shipment and subsequent installation; with the balance of \$3,400.00 plus any change orders is due upon completion and sign off. All work shall be done during normal business hours without disruption to the daily operation of the garage.

Acceptance

Both parties agree to the *Customer Responsibilities* and the *Terms and Conditions* described above.
