Section I. General Requirements

A. Introduction and Mandatory Terms

The Village of Oak Park (“the Village”) will receive proposals from Office Equipment Vendors (“Vendors”) to provide copiers and other office equipment and maintenance of the leased equipment. The Village expects to replace all of its current copiers currently under lease agreements.

Proposals will be accepted either in hardcopy form at the Village of Oak Park-Finance Department, 123 Madison Street, Oak Park, Illinois 60302 Monday through Friday, 8:30 A.M. to 5:00 P.M or electronically by sending your proposal in PDF format to skeane@oak-park.us. Hard copies of the submission must be postmarked by January 31, 2020. Similarly, email submissions will be accepted until the close of business on January 31, 2020 at 5:00 pm. Proposals that are received by the Village after the specified time will not be accepted.

Any RFP inquiries must be submitted via email to: skeane@oak-park.us no later than January 17, 2020. At the Village’s discretion, inquiry responses may be provided to the known list of RFP recipients.

Upon a proposer’s request, the Village will permit a vendor walk-thru at Village locations where existing equipment is located in order to obtain a better understanding of the equipment setup and needs of the Village. Should a proposer request a visit, a minimum of a one week notice is required by the Village.

Proposals will be reviewed and the results of the review will be presented to the Village Board of Trustees of the Village of Oak Park.

Other inquiries regarding this RFP shall be directed to: Steven Drazner, Chief Financial Officer, at sdrazner@oak-park.us. However, please keep in mind that only a minimal amount of information will be shared until the selection and award process is complete.

B. Presentation of Request for Qualifications

The Village reserves the right to select a short list of Vendors, at its own discretion, to present their qualifications, respond to questions, and supply supplemental information.

C. Vendor Notification

Vendors will be notified in writing of further inquiries and/or decisions.

D. Award of Contract

The contract will be awarded in whole or in part to the responsible vendor whose proposal, conforming to the request for proposals, will be most advantageous to the Village; price and other factors considered.

E. Taxes Not Applicable

The Village of Oak Park, as an Illinois municipality, pays neither Illinois Sales Tax nor Federal Excise Tax (State Tax Exemption Identification Number E9998-1823-06). Vendors should therefore exclude such taxes from proposals.

F. Interpretation of the Request for Proposal Document

Any vendor with a question about this proposal may request an interpretation thereof from the Village. If the Village changes the proposal, either by clarifying it or by changing the specifications, the Village will issue a written addendum, and will mail a copy of the addendum to all prospective vendors. The Village will not assume any responsibility of receipt of such addendum. In all cases, it will be the vendor's responsibility to obtain all addenda issued.

H. Competency of Vendor

The Village will reject any proposal from any person, firm or corporation that appears to be in default or arrears on any debt, agreement or the payment of any taxes. The Village will make such investigations as necessary to determine the ability of the vendor to fulfill proposal requirements. If requested, the vendor should be prepared to present evidence to the Village of Oak Park of ability and possession of necessary financial resources to comply with the terms and scope of services.

I. Subletting of Contract

No agreement awarded by the Village of Oak Park shall be assigned in whole or in part without the written consent of the Village of Oak Park. In no case shall such consent relieve the vendor from its obligations or change the terms of the agreement.

J. Village Ordinances

The Vendor will strictly comply with all Ordinances of the Village of Oak Park and Village Code and laws of the State of Illinois.

K. Governing Law

All agreements entered into by the Village of Oak Park are governed by the laws of the State of Illinois without regard to conflicts of law. Any action brought to enforce an

agreement with the Village of Oak Park must be brought in the state and federal courts located in Cook County, Illinois.

L. Term of Agreement

The desired term of the equipment lease and maintenance agreement is three (3) years.

Proposers may choose to present cost information in another format. However, proposers may be eliminated from consideration if the requested simplified number is not communicated.

For services not specifically requested herein, but which the proposer charges fees, or where a different level of service is proposed, the proposer shall provide a description of the service and the proposed fee structure. It is the proposer’s responsibility to insert those items in a clear and understandable format. Ancillary services should be priced in a separate cost table and should not be included in the total proposed cost included in the Scope of Services as requested. Proposers that provide responses or costs which are vague, open to interpretation, presented in such a way that the information is intentionally incomparable to other proposers, or the information is generally not clear or concise, will not be considered.

The Village reserves the right to remove any individual service contained in the RFP if based on analysis, the fees for providing such service are excessive, or if the service proposed can be performed in an alternative manner.

Proposing vendors are required to provide an annualized total for all service charges based on the assumed cost drivers. Whenever possible, proposers should provide a discussion of the particular cost drivers and the impact changes in activity may have on cost.
