MEMORANDUM

RECEIVED

FEB 03 2020

TO: Cara Pavlicek, Village Manager
FROM: John P. Wielebnicki, Public Works Director
Cc: Scott Brinkman, Street Superintendent
RE: Emergency Contractor Street Lighting/Traffic Signal Repair Services
DATE: February 3, 2020

VILLAGE MANAGERS OFFICE

The FY2020 Street Lighting Budget provides funds for emergency repairs in the General Contractuals, accounts no. 1001-43720-751-530660 (\$45,000.00) for street lighting and 1001-43720-752-530660 (\$10,000.00) for traffic signals.

The Public Works Department Street Lighting Division staff typically makes in-house repairs to the street lighting and traffic signal systems. When in-house staff is unavailable, or lacks the necessary equipment to perform emergency repairs or improvements, an outside contractor is needed to do the work. Typical examples of such repairs are streetlight and/or traffic signal pole knockdowns due to vehicular accidents, underground electrical cable failures due to contractors hitting and breaking the lines and if the budget allows, assisting the Department on street and alley light outages.

Pricing for these services was requested from area electrical contractors. The Request for Proposals was also posted on the Village Web Site. The Street Lighting Division received four bids in response. To avoid delays we have utilized an approved list of contractors at their proposed hourly rates. Public Works practice is to call out the contractor with the lowest pricing first, but also taking into consideration their ability to respond and expertise in different areas of work. After looking over the proposals from each respondent, three contractors have been selected to enter into independent contractor agreements with the Village: H & H Electric Co. (\$25,000.00 in account 751), Meade, Inc. (\$20,000.00-\$10,000.00 in account 751 and \$10,000.00 in account 752) and Lyons Electric Company, Inc. (\$10,000.00 in account 751). We have a long history working with these three contractors and have been very satisfied with their work.

Regarding the fourth bidder, Western Utility LLC, we have not worked with them before in Street Lighting although the Engineering Division has done projects with them. Their labor prices are the highest of the four proposals submitted, and their response time of two hours is rather long. As such, we will not be entering into an independent contractor agreement with them.

Attached are: the bid summary, the Independent Contractor Agreements for H & H Electric Co. (\$25,000.00) and Meade, Inc. (\$20,000.00) with supporting documents for your consideration. I will proceed with authorizing the Lyons Electric Company, Inc. agreement (\$10,000.00).

Please let me know if you have any questions.

Thank you,

INDEPENDENT CONTRACTOR AGREEMENT

THIS INDEPENDENT CONTRACTOR AGREEMENT ("Contract") is entered into on this 4 day of February, 2020, by and between the Village of Oak Park, an Illinois home rule municipal corporation (hereinafter the "Village"), and H & H Electric Co., an Illinois corporation (hereinafter the "Contractor").

WHEREAS, the Contractor represented in said Proposal that it has the necessary personnel, experience, and competence to promptly complete the Project and the Work required hereunder (hereinafter referred to as the "Work"); and

Contractor shall complete the Work in accordance with any applicable manufacturers' warranties and in accordance with its Proposal, the Village's Request for Proposals, and this Contract, all of which, together shall constitute the "Contract Documents."

3. DESIGNATED REPRESENTATIVES

Contractor shall designate in writing a person to act as its designated representative with respect to the Work to be performed under this Contract who shall have the power and authority to make or grant or do all things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of Contractor and with the effect of binding Contractor. The Village is entitled to rely on the full power and authority of the person executing this Contract on behalf of Contractor as having been properly and legally given by Contractor. Contractor shall have the right to change its designated representative by providing the Village with written notice of such change which notice shall be sent in accordance with Section 12 of this Agreement.

The Village's Public Works Director shall be deemed the Village's authorized representative for purposes of this Agreement, unless applicable law requires action by the Corporate Authorities, and shall have the power and authority to make or grant or do those things, certificates, requests, demands, approvals, consents, notices and other actions required that are ministerial in nature or described in this Agreement for and on behalf of the Village and with the effect of binding the Village as limited by this Contract. Contractor is entitled to rely on the full power and authority of the person executing this Agreement on behalf of the Village as having been properly and legally given by the Village. The Village shall have the right to change its authorized representative by providing Contractor with written notice of such change which notice shall be sent in accordance with Section 12 of this Agreement.

4. TERM OF CONTRACT

Contractor shall perform the Work pursuant to this Contract beginning on the effective date as defined herein and ending on December 31, 2020. The Contractor shall invoice the Village for the Work provided pursuant to this Contract at the rates set forth in its Proposal. The term of this Contract may be extended in writing for additional periods of time pursuant to the consent of the parties.

5. PAYMENT SCHEDULE

Contractor shall, as a condition precedent to its right to receive any payment, submit to the Village an application for payment and such receipts, vouchers, and other documents as may be necessary to establish the Contractor's payment for all labor and material and the absence of any interest whether in the nature of a lien or otherwise of any party in any property, work, or fund with respect to the Work performed hereunder. Such documents shall include, where relevant, the following forms, copies of which are attached hereto:

- (i) Contractor's sworn statement;
- (ii) Contractor's partial or final waiver of lien;

- (iii) Subcontractor's sworn statement(s); and
- (iv) Subcontractor's partial or final waiver of lien.

Payment by the Village shall be conditioned upon an inspection by the Village of the Work completed and submission of required waivers by the Contractor. Payment by the Village shall in no way constitute a waiver of, or relieve the Contractor from, any defects in the work. All payments shall be made in accordance with the Illinois Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.* Final payment for any Work performed by the Contractor pursuant to an invoice by Contractor shall be made by the Village to the Contractor when Contractor has fully performed the work and the work has been approved by the Village and submission of required waivers and paperwork by Contractor. Approval of the work and issuance of the final payment by the Village shall not constitute a waiver of, or release Contractor from, any defects in the work.

The Village shall have the right to withhold from any payment due hereunder such amount as may reasonably appear necessary to compensate the Village for any actual or prospective loss due to Work which is defective or does not conform to the Contract Documents; damage for which Contractor is liable hereunder; liens or claims of liens; claims of third parties, subcontractors, or material men; or any failure of the Contractor to perform any of its obligations under this Contract. The Village may apply any money withheld or due Contractor hereunder to reimburse itself for any and all costs, expenses, losses, damages, liabilities, suits, judgments, awards, and attorney's fees incurred, suffered, or sustained by the Village and chargeable to Contractor.

6. TERMINATION

The Village may terminate this Contract for cause, which includes but is not necessarily limited to, the Contractor's failure to perform the work pursuant to this Contract. The Village shall provide the Contractor with five (5) days' written notice of a termination for cause pursuant to the provisions of Section 12 below. The Village may also terminate this Contract when it determines the same to be in its best interests by giving fourteen (14) days' written notice to Contractor pursuant to the provisions of Section 12 below. In such event, the Village shall pay to Contractor all amounts due for the work performed up to the date of termination.

7. COMPLIANCE WITH APPLICABLE LAWS

Contractor shall comply with all applicable laws, regulations, and rules promulgated by any federal, state, county, municipal and/or other governmental unit or regulatory body now in effect during the performance of the work. By way of example only and not as a limitation, the following are included within the scope of the laws, regulations and rules with which the Contractor must comply: all forms of workers' compensation Laws, all terms of the equal employment opportunity rules and regulations of the Illinois Department of Human Rights, statutes relating to contracts let by units of government,

8. INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall waive any right of contribution against the Village and shall indemnify and hold harmless the Village and its officers, officials, employees, volunteers and agents from and against all claims, damages, losses and expenses, including, but not limited to, legal fees (attorney's and paralegal's fees, expert fees and court costs) arising out of or resulting from the performance of the Contractor's work, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or injury to or destruction of property, other than the work itself, including the loss of use resulting therefrom, or is attributable to misuse or improper use of trademark or copyright-protected material or otherwise protected intellectual property, to the extent it is caused in whole or in part by any wrongful or negligent act or omission of Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. Such obligation shall not be construed to negate, abridge or otherwise reduce any other right to indemnity which the Village would otherwise have. Contractor shall similarly protect, indemnify and hold and save harmless, the Village, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses, including, but not limited to, legal fees incurred by reason of the Contractor's breach of any of its obligations under, or Contractor's default of, any provisions of this Contract. The indemnification obligations under this Section shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor or any subcontractor under workers' compensation or disability benefit acts or employee benefit acts.

Contractor shall be solely responsible to maintain accurate records as required by the Act and shall submit certified payroll records to the Village evidencing its compliance with the Act on no less than a monthly basis as required by the Act. Contractor shall be solely liable for paying the difference between prevailing wages and any wages actually received by laborers, workmen and/or mechanics engaged in the Work for the Project.

No failure of either party to exercise any power given to it hereunder or to insist upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under this Contract shall constitute a waiver of either party's right to demand exact compliance with the terms hereof.

Contractor shall provide said certified payroll records within seven (7) days upon the request of the Director of Public Works.

26. EQUAL OPPORTUNITY EMPLOYER

Contractor is an equal opportunity employer and the requirements of 44 Ill. Adm. Code 750 APPENDIX A and Chapter 13 ("Human Rights") of the Oak Park Village Code are incorporated herein by reference.

The Contractor shall comply with all requirements of Chapter 13 ("Human Rights") of the Oak Park Village Code.

In the event of the Contractor's noncompliance with any provision of Chapter 13 ("Human Rights") of the Oak Park Village Code, the Illinois Human Rights Act or any other applicable law, the Contractor may be declared non-responsible and therefore ineligible for future Agreements or subcontracts with the Village, and the Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation.

VILLAGE OF OAK PARK

BID NO: 20-109 PUBLIC WORKS
PROJECT NAME: 2020 EMERGENCY STREET LIGHTING AND TRAFFIC CONTROL RATES
DATE ISSUED: 1/13/2020

I
REQUEST FOR BIDS

The Village of Oak Park will receive bids for Emergency Street Lighting and Traffic Control repairs at the Public Works Service Center, Monday through Friday, 7:30 a.m. to 4:00 p.m., at 201 South Boulevard, Oak Park, Illinois 60302. Bids will be accepted until 4:00 p.m. local time, January 24th, 2020. Bids can also be faxed to the Department of Public Works at (708) 358-5711 or emailed to Scott Brinkman, Street and Street Lighting Superintendent: sbrinkman@oak-park.us

Bidders must submit their bid on the form included in this Request for Bids.

The Village of Oak Park is asking for bids for the replacement of damaged street light poles and replacing bad spans of street light cable and other small projects that may come up during the year. Since the locations and conditions will vary, the Village is looking for more of a 'time & material' bid that would be good for the year. The Village understands that labor cost may go up around June 30, so please mention that in your costs. The poles the Village has are 15' and 28' butt poles and 30' aluminum poles. We have some of them in stock, but add your costs for these poles in case you would or could supply them.

Upon formal award to the successful Bidder, a Purchase Order will be issued to secure this purchase and the Bidder will enter into an agreement with the Village. (See attached Purchase Price Agreement).

The Village of Oak Park as a municipality pays neither Federal Excise Tax nor Illinois Retailers Occupational Tax, and therefore these taxes should be excluded from quotations.

In responding to this Request for Proposals, the official logo of the Village of Oak Park is not to be used in any form. Use of the Village logo is strictly prohibited by law and such use could subject the proposer to disqualification.

The bid will be awarded in whole or in part to the responsible Bidder or Bidders whose bids, conforming to the request for bids, will be most advantageous to the Village; price and other factors considered.

The Board of Trustees reserves the right to accept or reject any and all bids or to waive technicalities, or to accept any item of any bid. Additional information is available at the Public Works Service Center 2nd floor office, Village of Oak Park, Illinois 60302, telephone (708) 358-5700, Attention Keith Scat, Senior Electrician, email- kscat@oak-park.us
