Hello Courtney,

To follow up on Craig's comment, your email below is sufficient to request an appeal to the Village Board. We are aiming for your appeal to be heard by the Board in early October and will keep you updated.

We are currently finalizing the Resolution from Thursday's hearing. We will provide you with a copy and official letter as soon as the Resolution has been signed by the Chair (likely in the next few days).

Let me know me know if you have any questions.

Hi Courtney,

Susie will be in the office on Monday, but in the interim, we will take this email as a your official request to appeal the HPC's decision. Susie will be able to provide you what you need for this process going forward. I have attached the demolition process steps which talk to the timing for your request for appeal (15 days) and when the Village Board must review the request (45 days).

Let me know if you have any questions.

Thanks.

Subject: 203 S Marion Street - HPC meeting and Village Board Appeal

Hi Craig and Tammie,

As you may have heard, our application for a certificate of appropriateness for demolition of 203 S Marion Street was denied last night at the HPC public meeting. Focus is requesting an appeal to the Village Board. I am not sure how to formally request an appeal so I'm reaching out to see if you can advise.

Thank you,
Courtney
