

SUBRECIPIENT GRANT AGREEMENT

THIS SUBRECIPIENT GRANT AGREEMENT ("Agreement") is entered into as of the day of _____ October, 2020 between the VILLAGE OF OAK PARK, Illinois (hereinafter the "Village") and NAMI METRO-SUBURBAN INC., an Illinois not-for-profit Corporation (hereinafter the "Subrecipient").

RECITALS

WHEREAS, the Village has applied for Community Development Block Grant ("CDBG") funds from the United States Department of Housing and Urban Development ("HUD") as provided by the Housing and Community Development Act of 1974, as amended (P.L. 93-383) (hereinafter "the Act"); and

WHEREAS, Subrecipient has applied to the Village for CDBG funds for the 2020 Program Year; and

WHEREAS, the Village has considered and approved the application of Subrecipient and hereby agrees to distribute to Subrecipient a portion of the total CDBG funds allotted to the Village by HUD, with the portion distributed to Subrecipient being in the amount provided in this Agreement and upon the conditions set forth herein; and

WHEREAS, the Village and Subrecipient, acting through their respective Boards are each authorized to enter into this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, the parties agree as follows:

1. INCORPORATION OF RECITALS. The foregoing recitals are incorporated into this Agreement as though fully set forth herein.

2. SCOPE OF SERVICES.

A. Subrecipient's project schedule and project budget (collectively referred to as "the Project") are set forth in the Subrecipient's Program Year 2020 Community Development Block Grant Program Proposal, attached hereto and incorporated herein by reference as Exhibit A (hereinafter the "Subrecipient's Proposal").

B. The Project will proceed in accordance with the terms of this Agreement, the Subrecipient's Proposal and all laws and regulations referenced in this Agreement. Any changes(s) in the Project must be approved by the Village prior to the Subrecipient incurring any Project costs or implementing any substantial Project modifications. Such approval shall only be effective if authorized by a written amendment to this Agreement.

C. The funds to be provided by the Village to Subrecipient pursuant to this Agreement shall be used to partially pay salary costs for the Drop In Center Program Supervisor position. A total of 120 persons (25 Oak Park persons) will benefit.

3. ALLOCATION OF FUNDS.

A. The Village shall distribute to Subrecipient as Subrecipient's portion of the total grant received by the Village from HUD a maximum of eleven thousand dollars (\$11,000) (hereinafter the "Grant Funds") to be paid in accordance with the terms of this Agreement. The Subrecipient acknowledges and agrees that only those budget line items and percentages that appear in its Program Year 2020 Project Budget will be considered for reimbursement through the Grant Funds.

B. The Grant Funds shall not be used for ineligible or unallowable costs, including costs incurred prior to the effective date of this Agreement as defined herein. In the event the Village does not receive the Grant Funds from HUD, the Village shall not provide the Grant Funds, or any other funds, to Subrecipient.

4. PAYMENT.

A. The Village shall make all Grant Funds payments on a reimbursement basis. To request a payment of Grant Funds, the Subrecipient must submit a request for payment to the Village in the form of an invoice, together with such supporting documentation as the Village deems necessary in its discretion to support the invoice. The Village shall only reimburse the Subrecipient for approved expenditures to the maximum of the allocated Grant Funds for the Project.

B. The Village may refuse to reimburse the Subrecipient if the Subrecipient is not in compliance with any applicable law, rule or regulation or this Agreement. In such case, the Village shall assist the Subrecipient to bring the Project into compliance.

C. The Subrecipient shall submit invoices to the Village for reimbursement monthly for the first quarter (a separate invoice for October, November and December, 2020, respectively) and at least quarterly for the last three quarters of the Program Year, as defined below. Final project invoices must be submitted to the Village no later than October 31, 2021. Any invoices submitted after October 31, 2021 shall not be paid by the Village.

5. PROGRAM YEAR.

A. The Subrecipient shall perform the Project beginning October 1, 2020 and ending on September 30, 2021 (hereinafter referred to as the "Program Year").

B. The Project shall be completed no later than September 30, 2021. Project costs shall not be incurred after the Program Year.

C. If the Subrecipient is delayed in the completion of the Project by any cause legitimately beyond its control, it shall immediately, upon receipt and knowledge of such delay, give written notice to the Village and request an extension of time for completion of the Project. The Subrecipient shall request an extension from the Village in writing at least thirty (30) days before the end of the Program Year. The Village shall either grant or deny the request for an extension in its discretion and shall provide notice to the Subrecipient of its grant or denial of the request.

D. The Subrecipient shall return any funds not expended by the end of the Project to the Village. All funds obligated or committed by the Subrecipient to contractors, suppliers, etc. during the Program Year must be expended by the end of the Program Year unless an extension has been given to the Subrecipient. The Subrecipient shall have 30 days after the close of the Program Year to request reimbursement for costs incurred for the Project, unless an extension has been granted pursuant to this Agreement.

6. COMPLIANCE WITH LAWS AND REGULATIONS.

A. The Subrecipient shall comply with the applicable provisions Housing and Community Development Act of 1974, 42 U.S.C. § 5301 *et seq.* (hereinafter referred to as the "Act"), and all applicable rules and regulations promulgated under the Act by the Department of Housing and Urban Development (HUD), including, but not limited to 24 CFR Part 570, and all other applicable federal, state, county and local government laws, ordinances or regulations which may in any manner affect the performance of this Agreement, including but not limited to those set forth herein, and those identified in the document titled "Assurances," attached hereto and incorporated herein by reference as Exhibit B.

B. The Subrecipient shall comply with the applicable administrative requirements set forth in 2 CFR 200 of the Code of Federal Regulations.

C. The Subrecipient shall comply with the following in its performance of the Project:

1. Not discriminate against any worker, employee, or applicant, or any member of the public because of race, religion, disability, creed, color, sex, age, sexual orientation, status as a disabled veteran or Vietnam era veteran, or national origin, nor otherwise commit an unfair employment practice;

2. Take action to ensure that applicants are employed without regard to race, religion, handicap, creed, color, sex, age, sexual orientation, status as a disabled veteran or Vietnam era veteran, or national origin, with such

action including, but not limited to the following: employment, upgrading, demotion or transfer, termination, rates of pay, other forms of compensation, selection for training, including apprenticeship; and

3. The Village's Reaffirmation of Equal Employment Opportunity Policy ("EEO"), attached hereto and incorporated herein by reference as Exhibit C.

D. Subrecipient agrees not to violate any state or federal laws, rules or regulations regarding a direct or indirect illegal interest on the part of any employee or elected officials of the Subrecipient in the Project or payments made pursuant to this Agreement.

E. Subrecipient agrees that, to the best of its knowledge, neither the Project nor the funds provided therefore, nor the personnel employed in the administration of the program shall be in any way or to any extent engaged in the conduct of political activities in contravention of Chapter 15 of Title 5 of the United States Code, otherwise known as the "Hatch Act."

F. Subrecipient shall be accountable to the Village for compliance with this Agreement in the same manner as the Village is accountable to the United States government for compliance with HUD guidelines.

G. The Village, as a condition to Subrecipient's receipt of Grant Funds, requires Subrecipient, when applicable, to assist in the completion of an environmental review as needed for the Project.

H. Subrecipient shall permit the authorized representatives of the Village, HUD, and the Comptroller General of the United States to inspect and audit all data and reports of Subrecipient relating to its performance of this Agreement.

I. Subrecipient agrees and authorizes the Village to conduct on-site reviews, examine personnel and employment records and to conduct other procedures or practices to assure compliance with these provisions. The Subrecipient agrees to post notices, in conspicuous places available to employees and applicants for employment, setting forth the provisions of this non-discrimination clause.

J. The Village will provide technical assistance as needed to assist the Subrecipient in complying with the Act and the rules and regulations promulgated for implementation of the Act.

7. REPORTING AND RECORD KEEPING.

A. Subrecipient's Maintenance of Required Records.

Subrecipient shall maintain records to show actual time devoted and costs incurred in connection with the Project. Upon fifteen (15) days' notice from the Village, originals or certified copies of all time sheets, billings, and other documentation used in the preparation of said Progress Reports required pursuant to Section 7(C) below shall be made available for inspection, copying, or auditing by the Village at any time, during normal business hours.

B. Subrecipient's documents and records pursuant to this Agreement shall be maintained and made available during the Project Period and for three (3) years after completion of the Project. The Subrecipient shall give notice to the Village of any documents or records to be disposed of or destroyed and the intended date after said period, which shall be at least 90 days after the effective date of such notice of disposal or destruction. The Village shall have 90 days after receipt of any such notice to give notice to the Consultant not to dispose of or destroy said documents and records and to require Consultant to deliver same to the Village. The Subrecipient shall maintain for a minimum of three (3) years after the completion of this Agreement, or for three (3) years after the termination of this Agreement, whichever comes later, adequate books, records and supporting documents to verify the amounts, recipients and uses of all disbursements of Grant Funds passing in conjunction with the Agreement. The Agreement and all books, records and supporting documents related to the Agreement shall be available for review and audit by the Village and the federal funding entity, if applicable, and the Subrecipient agrees to cooperate fully with any audit conducted by the Village and to provide full access to all materials. Failure to maintain the books, records and supporting documents required by this subsection shall establish a presumption in favor of the Village for recovery of any Grant Funds paid by the Village under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. The Subrecipient shall make the documents and records available for the Village's review, inspection and audit during the entire term of this Agreement and three (3) years after completion of the Project as set forth herein and shall fully cooperate in responding to any information request pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* by providing any and all responsive documents to the Village.

C. Quarterly Progress Reports & Final Report. Subrecipient shall prepare and submit a quarterly Progress Report to the Village reporting on the status of the Project. Project progress is to be implemented based on the Project timeline set forth in the Proposal, attached hereto and incorporated herein as Attachment A. The information provided in the Progress Reports shall be forwarded to the United States Department of Housing and Urban Development and shall be made available to the Village's Community Development Citizen Advisory Committee in order to determine the success or failure of the Project.

All Progress Reports, unless otherwise specifically noted, shall be due by the 15th day of the month following the end of each quarter and shall contain data obtained during the preceding three months. The Subrecipient shall be required to submit a final report at the end of the Project in lieu of the last Progress Report.

The following schedule shall be applicable:

1 st Quarter: October–December, 2020	Progress report due by January 15, 2021
2 nd Quarter: January–March, 2021	Progress report due by April 15, 2021
3 rd Quarter: April–June, 2021	Progress report due by July 15, 2021
4 th Quarter: July–September, 2021	Progress report/Final report due by October 15, 2021

Each quarterly Progress Report and the Final Report shall include information regarding activity compliance pursuant to the national objective criteria set forth in 24 C.F.R. Section 208 (2) and 570 and in Section 2 - Scope of Services. See the attached formats Exhibits D & E. The Village may request additional reports from the Subrecipient as necessary to comply with any applicable federal law requirements.

D. Penalty for Late Submission of Quarterly Reports or Final Report. In the event the Subrecipient does not provide the Village with any report within the required time period, the Village shall withhold \$25.00 from the Grant Funds for each business day the report remains overdue. Funds charged for failure to submit a required report shall be deducted from the total Grant Funds and the amount allocated to reimburse for the scope of services shall be reduced accordingly. It is the Subrecipient's sole responsibility to be aware of the reporting schedule and to provide the Village with timely reports.

E. Subrecipient will keep and maintain such records and provide such reports and documentation to the Village as the Village deems necessary to further its monitoring obligations.

8. MONITORING AND PERFORMANCE DEFICIENCIES.

A. Village Project Monitoring. The Village will monitor the Subrecipient's planning and implementation of the Project on a periodic basis to determine Subrecipient's compliance with all laws, rules and regulations and to determine whether Subrecipient is adequately performing and operating the Project in accordance with the approved Project guidelines. Subrecipient acknowledges the necessity for such monitoring and agrees to cooperate with the Village in this effort by providing all requested records and information and allowing such on-site visits as the Village determines is necessary to accomplish its monitoring function.

B. Performance Deficiency Procedures. The Village may take such actions as are necessary to prevent the continuation of a performance deficiency, to mitigate, to the extent possible, the adverse effects or consequences of the deficiency, and to prevent a recurrence of the deficiency. The following steps outline the general procedure the Village will use when it becomes aware of a performance deficiency. The Village is not bound to follow these steps. Depending on the seriousness of the deficiency, the Village may take any steps it deems

necessary to address the deficiency, including immediate termination of the Project and any other remedies available by law.

1. When an issue involving a performance deficiency arises, including performance reporting requirements, the Village will first attempt to resolve the issue by informal discussions with the Subrecipient. The Village will attempt to provide Technical Assistance, to the maximum extent practicable, to help the Subrecipient successfully resolve the performance issue.
2. If discussion does not result in correction of the deficiency, the Village will schedule a monitoring visit to review the performance area that must be improved. The Village will provide the Subrecipient with a written report that outlines the results of the monitoring. Generally this report will include a course of corrective action and a time frame in which to implement corrective actions.
3. If, despite the above efforts, the Subrecipient fails to undertake the course of corrective action by the stated deadline, the Village will notify the Subrecipient in writing that its Project is being suspended. CDBG funds may not be expended for any Project that has been suspended.
4. The Village's written suspension notice will include a specified, written course of corrective action and a timeline for achieving the changes. Generally, corrective action plans will require a 15 to 60 day period of resolution (depending upon the performance issue).
5. The Village may lift a suspension when the performance issue has been resolved to the satisfaction of the Village. The Village will release a suspension by written release signed by the Village Manager or her designee.

C. Unresolved Performance Deficiencies. Subrecipient's failure, in whole or in part, to meet the course of corrective action to have a suspension lifted, shall constitute cause for termination pursuant to the procedures set forth in Section 9 below.

9. TERMINATION.

This Agreement may be terminated as follows:

- A. By Fulfillment. This Agreement will be considered terminated upon fulfillment of its terms and conditions.
- B. By Mutual Consent. The Agreement may be terminated or suspended, in whole or in part, at any time, if both parties consent to such termination or suspension. The

conditions of the suspension or termination shall be documented in a written amendment to the Agreement.

C. Lack of Funding. The Village reserves the right to terminate this Agreement, in whole or in part, in the event expected or actual funding from the Federal government or other sources is withdrawn, reduced or eliminated.

D. For Cause. The Village may terminate this Agreement for cause at any time. Cause shall include, but not be limited to:

1. Improper or illegal use of funds;
2. Subrecipient's suspension of the Project; or
3. Failure to carry out the Project in a timely manner.

E. Termination for Illegality. This Agreement shall be subject to automatic termination due to the Subrecipient's improper or illegal use of the Grant Funds. Notice of termination for illegality shall be provided by the Village to Subrecipient pursuant to Section 18 below.

10. REVERSION OF ASSETS.

A. At the termination of this Agreement, Subrecipient shall transfer to the Village any CDBG funds on hand, and any accounts receivable attributable to the use of CDBG funds.

B. Any real property under Subrecipient's control that was acquired or improved in whole or in part with CDBG funds (including CDBG funds provided to Subrecipient in the form of a loan) in excess of \$25,000 must be either:

1. Used to meet one of the national objectives in Section 570.208 for a period of five years after the expiration of the agreement, or for such longer period of time as determined to be appropriate by the recipient; or
2. If not so used, Subrecipient shall then pay to the Village an amount equal to the current market value of the property, less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property, which payment shall be considered program income to the Village, as required by law. Such change in use or property disposition will be reported to the Village within 30 days of the intent to dispose of said property. Promissory notes, deeds of trust or other documents may additionally be negotiated as a term for receipt of funds.

C. If Subrecipient intends to dispose of any real property acquired and/or improved with CDBG funds, Subrecipient must report, in writing, to the Village, such intent to dispose of said property 30 days prior to the negotiation and/or agreement to dispose of said property.

D. For a period of 5 years after the Project Year, Subrecipient will provide the Village with an annual report inventorying all real property acquired or improved with CDBG funds and certifying its use in accordance with the CDBG National Objectives.

11. REMEDIES.

A. In the event of any violation or breach of this Agreement by Subrecipient, misuse or misapplication of funds derived from the Agreement by Subrecipient, or any violation of any laws, rules or regulations, directly or indirectly, by Subrecipient and/or any of its agents or representatives, the Village shall have the following remedies:

1. The Subrecipient may be required to repay the Grant Funds to the Village;

2. To the fullest extent permitted by law, the Subrecipient will indemnify and hold the Village harmless from any requirement to repay the Grant Funds to HUD previously received by the Subrecipient for the Project or penalties and expenses, including attorneys' fees and other costs of defense, resulting from any action or omission by the Subrecipient; and

3. The Village may bring suit in any court of competent jurisdiction for repayment of Grant Funds, damages and its attorney's fees and costs, or to seek any other lawful remedy to enforce the terms of this Agreement, as a result of any action or omission by the Subrecipient.

12. INDEPENDENT CONTRACTOR. Subrecipient is and shall remain for all purposes an independent contractor and shall be solely responsible for any salaries, wages, benefits, fees or other compensation which she may obligate herself to pay to any other person or consultant retained by her.

13. NO ASSIGNMENT. Subrecipient shall not assign this Agreement or any part thereof and Subrecipient shall not transfer or assign any Grant Funds or claims due or to become due hereunder, without the written approval of the Village having first been obtained.

14. AMENDMENTS AND MODIFICATIONS.

A. The nature and the scope of services specified in this Agreement may only be modified by written amendment to this Agreement approved by both parties.

B. No such amendment or modification shall be effective unless reduced to writing and duly authorized and signed by the authorized representative of the Village and the authorized representative of the Subrecipient.

15. SAVINGS CLAUSE. If any provision of this Agreement, or the application of such provision, shall be rendered or declared invalid by a court of competent jurisdiction, or by reason of its requiring any steps, actions or results, the remaining parts or portions of this Agreement shall remain in full force and effect.

2. Project Narrative

I. Background & Need

Mental illness remains a pervasive problem for local communities in that people with a severe mental health diagnosis often experience social isolation. This type of isolation often exacerbates symptoms associated with the illness resulting in unneeded hospitalizations.

In Chicago's Western Suburbs, this community concern was addressed by providing a "safe" place for those living alone with mental illness. In 1993, NAMI established the first free-standing, consumer-oriented, peer support facility, one of the first in all of Illinois. The Drop-In Center strives to reintegrate the "whole person" back into the community by utilizing a process wherein each person is invited to build social skills and embrace wellness themes toward the goal of living a more healthy and happy life.

II. Approach

a. Purpose

The Drop-in Center is a comprehensive program of support and opportunities. Drop-in Center participants are members instead of clients and restorative activities focus on strengths and abilities, rather than illness. The Center is not a traditional mental health agency, meaning there are no therapists or psychiatrists on staff. A psychosocial program model is utilized which includes elements of small group work, peer support, socialization activities, life skills building, and evidence-based job placement strategies. All this in collaboration with program participants.

b. Target Populations

NAMI's Drop-in Center serves adults 18 years and older with a mental illness diagnosis. Drop-in Center participants are generally low to moderate in income, racially mixed and are a gender mixed equally. Some individuals have co-occurring disorders as physical and / or development disabilities. We also serve participants from the LGBTQ community. Drop-in center participants speak and write multiple languages including English, Spanish, Arabic, Italian, Korean, Filipino (Tagalog). Some of our participants are connected to a variety of faith-bathed communities and other identify as being atheist, agnostic, or secular humanist. The key unitary is that all participants have a mental illness diagnoses.

NAMI utilizes the NAMI Start Center Cultural in Mental health peer-run programs in collaboration with the university of Illinois at Chicago tool kit to help assess and enhance our services. This has influenced our hiring practices to include a more diverse representation of participants to employees. We have increased our inclusion of hiring people with a lived mental health experience to model living well in recovery.

c. Strategies

NAMI partners with local community mental health agencies, local psychiatric hospitals and other mental health providers to promote services and recruit Drop-in Center participants. NAMI's Executive Director meets with other Executive Directors from local agencies to promote the Drop-In Center. She also belongs to and networks with the local mental health provider consortium. NAMI's Drop-In Center staff makes annual presentations to local agency's clinical staffs highlighting our non-competing services. Local clinicians receive our monthly Drop-in center newsletter and activity calendar about our socialization and wellness activities.

We specifically partner with Thrive, Presence Health and Oak Park Counseling Center through our Employment Services Program, part of the recovery program at the Drop-in Center. Our Employment Specialist meets weekly at each of these agencies to discuss employment strategies for Drop-in Center individuals that are enrolled in our job readiness/placement program.

In addition, NAMI partners with four local hospitals: MacNeal, Riveredge, Hines VA and Loretto to promote recovery services at our Drop-in Center. We conduct NAMI Nights at each of the hospitals twice a month, where we have trained speakers living well in recovery, and they share their recovery stories with patients on the psychiatric unit. The speakers provide hope and model recovery lifestyles for patients. They also talk about NAMI's Drop-In Center programming which includes support groups and education classes. Recovery support services at the Drop-In becomes part of the patients discharge plan. Many of the participants that come to the Drop-in Center have been isolated for long periods of time, so the intake process might take some time, and may change over time. Many participants need more socialization skill development at the beginning of their stay to become comfortable with the program milieu, while others need life skills along the way that either empowers them or modifies behaviors that are out of control. Some individuals are eager to jump right into our jobs program.

We work with each person in a collaborative way that encourages them to drive their own recovery. Below is a graph that highlights our offerings and a progression of services. Because a mental health diagnosis is a lifelong event we do not have a specific exit plan in that program participants are always encouraged to return to our Center when it is right for them. We try to provide opportunities and support at all stages of their recovery plan, including advocacy work at the program and beyond, in the larger community recovery movement.

III. Outcomes & Evaluation

a. Goal Statement

Program evaluation at the Drop in Center takes on different forms. Informally, we receive feedback from program participants daily as we run groups or provide an array of socialization activities. In part this happens with participants who step into leadership roles as they facilitate or co facilitate activities. The result is that they may make modifications to the group, in response to this feedback, on the spot. NAMI has monthly leadership council meetings, called "Suggestion Boxes". These monthly meeting gives opportunities for people, new to the Drop-in center to provide input anonymously.

We have invested in a management information system that tracks an individual's wellness goals against their attendance in different groups they have identified as beneficial to their recovery and integration into the community. We celebrate their accomplishments twice a year. We also survey all participants annually to ensure we are meeting our mission.

b. Narrative

1. Ensuring Outputs/Outcomes

NAMI's Drop-in Center Program Manager Charles Torpe and Director of Recovery Support Services Shelly Lustrup, LCSW oversee our center's outcomes by recruiting, training and

coaching the right personnel. Attendance and group attendance is tracked every day and is reported monthly to the NAMI's Board. NAMI is audited quarterly by two of its funders and the State of Illinois conducts a two day fidelity audit that includes verification, employee interviews, file and financials review.

2. Documenting Income

Eligibility for the Drop in Center includes the following; the individual must be 18 years of age or older; a formal Axis I mental health diagnosis is required, a request of information document is signed by their psychiatrist confirming the diagnosis; a consent form is signed; copies of identification cards are secured verifying current address; and finally a demographics form completed by the applicant. Income verification is self-reported. Medical history is also by self-report with special inquiry made by possible emergency situations (i.e. history of seizure disorder).

3. Evaluation Process

Program evaluation at the Drop-In Center (the Center) takes on different forms. Informally we receive feedback from program participants daily as we run groups or provide an array of socialization activities. In part this happens with participants who step into leadership roles as they facilitate or co-facilitate activities. The result is that they may make modifications to the group, in response to this feedback, on the spot.

We also have a more formal gathering of participants who sit on our Leadership Council, and these individuals provide more formal feedback with the Program Facilitator, and Program Director, both of whom facilitate these meetings. Participant Leaders often take responsibility for the development and implementation of new activities or programs, or it is done collaboratively with program staff. This process was able to generate a new program initiative, NAMI To-Go, which is being developed into satellite sites at which participants may gather together in local settings, in various communities throughout the Western suburbs.

We also ask our population to complete an annual Satisfaction Survey, which is done anonymously with results compiled for staff and board members to review. We use this information to improve, add and delete programming throughout the year.

IV. Organization Capacity

a. Mission & Experience

NAMI Metro Suburban is an affiliate of the National Alliance on Mental Illness. NAMI is headquartered in Arlington, Virginia and staffed by professionals in the field of social work and mental health. Curricula for NAMI sponsored programs are developed by committees knowledgeable in their respective fields and the rolled out to affiliates (NAMI Metro Suburban) across the country. Affiliates are required to follow the standards laid out in each program curriculum, and leaders or facilitators of these programs are required to go through training designed by the national office.

b. Ability to Meet Reporting Requirements

NAMI has had no issue or barrier in reporting program outcomes or financial information in the last 25 years of operation. We have implemented both CDBG and Title XX grant with no issues or notation. We conduct an annual audit with an outside auditing firm changing firms every 7 years as recommended. NAMI understands the importance of providing program results to is funding partners and has invested \$10,000 in a new management information system that reports on participant's attendance, participants annual wellness goals and obtainment, program satisfaction and job search and days on the job numbers.

c. Collaboration with Others

NAMI partners with local community mental health agencies, local psychiatric hospitals and other mental health providers to promote services and recruit Drop-in Center participants. NAMI's Executive Director meets with other Executive Directors from local agencies to promote the Drop- in Center. She also belongs to and networks with the local mental health provider consortium. NAMI's Drop-in Center staff makes annual presentations to local agency's clinical staff highlighting our non-competing services. Local clinicians receive our monthly Drop-in Center newsletter and activity calendar about our socialization and wellness activities.

We specifically partner with Thrive, Presence Health and Oak Park Therapy Group through our Employment Services Program, part of the recovery program at the Drop-in Center. Our Employment Specialists meet weekly at each of these agencies to discuss employment strategies for Drop-in Center individuals that are enrolled in our job readiness/placement

program.

In addition, NAMI partners with four local hospitals: MacNeal, Riveredge, Hines VA and Loretto to promote recovery services at our Drop-in Center.

EXHIBIT C
VILLAGE OF OAK PARK REAFFIRMATION OF EQUAL EMPLOYMENT OPPORTUNITY POLICY
(EEO)

APPENDIX V

REAFFIRMATION STATEMENT

MARCH 31, 1987

**REAFFIRMATION OF
EQUAL EMPLOYMENT OPPORTUNITY POLICY (EEO)
VILLAGE OF OAK PARK**

It is the policy of the Village of Oak Park to afford equal opportunity in employment to all individuals, regardless of race, color, religion, age, sex, national origin, sexual orientation, disability, or status as a disabled veteran or Vietnam era veteran. The Village is committed to this policy because of legal requirements set forth in the Civil Rights Act of 1964 and the Equal Employment Opportunity Act of 1972, and because such principles are fundamental to Oak Park's existence as a racially and culturally diverse community. Equal Employment Opportunity within the Village government is essential if Oak Park is to effectively pursue community-wide goals of racial diversity and increased economic opportunity. EEO is, therefore, a legal, social, moral and economic necessity for the Village of Oak Park.

Chapter 13, Article III of the Code of the Village of Oak Park expressly prohibits discrimination in hiring, terms and conditions of employment, and promotions. Appeal procedures set forth in the Village Personnel Manual provide a mechanism for reporting any such practice to the Village Manager, who is empowered to hold hearings and issue decisions on such matters in behalf of the Village.

Policy statements alone are not sufficient, however, to address longstanding social barriers which have resulted in under-utilization of the skills and abilities of certain groups within our society. The Village of Oak Park, therefore, embraces a policy of affirmative recruitment, whereby specific efforts are made to attract and retain qualified female, minority, and disabled employees in the Village work force.

Responsibility for administering the Village of Oak Park's Equal Employment Opportunity/Affirmative Recruitment Plan lies with the Village Manager, who is assisted by the Human Resources Director in implementing policies which ensure Equal Employment Opportunity within the Village work force. Ultimately, however, the Village's EEO/affirmative recruitment efforts will succeed only with the cooperation of all Village employees. Each of us is responsible for creating a work environment which encourages full participation by women, minorities and the disabled. Each of us is responsible for forging a Village work force that reflects the diversity of our community and utilizes the best talent available for serving the residents of Oak Park.
