I. Introduction

The Oak Park Regional Housing Center is committed to a mission of achieving vibrant communities and promoting intentional and stable residential integration throughout Oak Park and the region. The OPRHC is experiencing a challenge in meeting the Village of Oak Park's goals for affirmative moves. These challenges are rooted in how apartment seekers search for rentals, competition from online apartment search sites, and the need for technical upgrades for reporting and website services. A SWOT analysis outlined the following:

- **Strengths:** Strong reputation locally and nationally for Oak Park housing integration program; Continued Support from the Village of Oak Park and other funders to the mission.
- **Weaknesses:** Lack of technology to provide rental assistance services to clients; staff turnover has led to increased overload on current staff and inconsistencies across the organization; Lack of impact and outcomes data collection and management systems in place for both programs.
- **Opportunities:** Hire ED who can position OPRHC strongly and firmly locally and nationally; embrace diversity internally, as well as externally; Re-establish and build relationships with major funders.

Oak Park Regional Housing Center

2019 Activities Report for the VOP MFHIP

Prepared and Submitted by: Athena Williams, Executive Director

March 5, 2020

INTRODUCTION

The Housing Center is a 501(c)(3) non-profit organization with a mission to achieve meaningful and lasting racial diversity in Oak Park. Annually, we contract with the Village to provide a service that affirmatively furthers fair housing while promoting the stability of Oak Park's racial integration within the community. Our program works proactively to influence the housing searches of households in search of rental housing in Oak Park. It also works proactively to educate property owners and managers about the benefits of embracing diversity and while understanding how to comply with fair housing laws. Taken together, we offer a service that makes the rental process quicker and easier for both parties involved – landlord and tenant.

Our program is also the procedure by which the Village can ensure that Oak Park markets the community to a balanced diverse demand. Our program productively ensures the development of segregated clusters within Oak Park. We also safeguard and promote, to the extent of our ability, fair housing laws. All of this work is accomplished collaboration with various Village staff such as Development Customer Services, Community Relations, and the Oak Park Police, just to name a few.

IMPACT

With ongoing transitioning, 2019 continued to be an ongoing year of instability for OPRHC. With this in mind, even though our numbers continued to decrease, we continued to remain steady with an affirmative move rate above 60%, proven by our outcomes, which comparable to the 5-year and 10-year averages of the years prior. Please see the table below.

	2019	Prior 5-years	Prior 10-years
Oak Park Affirmative Rate (Affirmative Moves / Moves)	63%	68%	66%
% of Available OP Units Rented	75%	79%	77%
New Registrations per Move to Oak Park	3.50	6.18	6.09

The affirmative move rate remains well above 50%, demonstrating our impact in promoting integration. In addition, our New Registrations per Moves to Oak Park has significantly fallen indicating our success in targeting our marketing efforts to people who eventually move to Oak Park.

With the installation of a new executive director, there is promise of brighter pathways ahead. There will be an infusion of marketing, new partnerships, and new initiatives to increase our footprint of client matching and diversity in the community. We understand that our outreach and marketing must evolve to stay relevant. We also know that efforts that worked in the past may not be as effective today and we are constantly looking at how we can better meet the needs of people who are looking to move to Oak Park. As the ratings and feedback we receive reflect, we are continuing to play the role intended for us in the rental market.

MARKET CONDITIONS

The health of the 2019 rental market received mixed reviews from our building owners and managers. Many of our larger building owners and managers reported that it had been a slower rental season than they had seen in past years. However, a few of the owners did indicate that there were times in late summer when they were quite busy. Many of our owners also complained about receiving a lot of unqualified apartment seekers from large web-based lead generators making it difficult to identify qualified applicants earlier in the process.

Oak Park Regional Housing Center

2019 Activities Report for the VOP MFHIP

Prepared and Submitted by: Athena Williams, Executive Director

March 5, 2020

Many Oak Park owners noted there is increasingly less turnover. Many also remarked that when vacancies became available it was during the time when there were less clients looking for an apartment. The Housing Center often encourages owners and managers to time the leases to expire during the busier spring and summer rental market, but this is not always feasible.

Overall the rents in the Oak Park market continue to increase annually. We did find that many of our Oak Park owners and managers ran specials, offering rent concessions in the late summer, fall, and winter of 2018 to attract renters. Many of these rent specials helped owners rent apartments later in the season.

We believe that going forward, there needs to be a greater marketing effort for the rental market in Oak Park that includes new property management companies that have entered the market and also providing information about the entire market (not just new development), and that rekindles the spirit of the community that all are welcome in Oak Park. This is what we strive to do at the Housing Center. The brand of a diverse, integrated, and welcoming community has been a competitive advantage for the community.

Conclusion

Despite a down market, higher rents, and increased competition from outside Oak Park, our collaborative effort to sustain the racial diversity and integration of the rental market in Oak Park continues. We remain committed to continue to have an integrating effect on the community and serve landlords and tenants well. We look forward to continuing our partnership to serve the community and further expand our efforts into 2020.
