1/4

We, the undersigned, respectfully petition the Transportation Commission to recommend to the Oak Park Board of Trustees that parking restrictions be established in the 1150 block of WILSON AVENUE in the Village of Oak Park, Illinois.

We further petition the Commission to regulate parking in this manner:

NO PARKING 11 AM - 2 AM THURSDAYS AND MONDAYS

We understand that these restrictions, if adopted by the Board of Trustees, will be enforced without any special parking privileges being granted to the residents on our block.

RE: Request for Change of Parking Hours

To Ms. Jones:

Over the last year, the block of 1150 Wisconsin Avenue in Oak Park has witnessed and dealt with a parking and behavior problem caused by patrons of the Scoreboard Sports Bar and Grill located on 7109 Roosevelt Rd, Berwyn, IL 60402. Residents on this block—who have young children, including myself—have witnessed disturbing behavior such as excessive drinking and urinating in our front yards. We want to eliminate this behavior by requesting a new parking hour restriction for our block. We are proposing a No Parking from 11:00 p.m. to 2:30 a.m. from Thursday through Monday parking restriction. We feel this parking restriction would best help our residents and village create the desired environment we deserve and pay for.

The following is gathered testimony, documenting the disturbing incidents and citing the reason for our change of parking hours:

1. We have noticed patrons of Scoreboard Bar and Grill over the last year parking on our streets and participating in unacceptable behavior.
2. Patrons of Scoreboard Bar and Grill drink in their cars before and after they go to the bar, which is illegal, causing rowdy behavior.
3. These patrons throw their empty alcohol containers in our yards; one night I counted and photographed over twenty bottles and pieces of litter.
4. There have been several incidents of urination. I saw a woman urinate on my tree at 2:00 a.m. before she drove away.

5. The police were called on 10/20 after a Bears game because of patrons urinating on a residential fence on our block, and while the residents notified them of this disturbing behavior, they shook their privates at them in protest and drove off.
6. There has been several arguments and occasional fights that have taken place around 2:00 a.m. when they leave the bar.
7. They play loud music before and after they leave the bar waking us and our children up.
8. They smoke marijuana in their cars and outside their cars before and after they leave.
9. On several nights over the last year, we have had over forty cars park on our block and conduct on the behaviors mentioned in this email creating a "party atmosphere."
10. When the residents of block 1150 came together to stop this problem and form our petition, we noticed disturbances on Sept 7-8, Sept 28, October 5, October 11, October 13, October 19, October 20, October 25, October 27 plus moments during the summer and the previous years.
11. Scoreboard Sports Bar and Grill runs a valet service at Ino's, and when Ino's parking lot is filled, a worker for Scoreboard Sports Bar and Grill starts placing parking cones down Wisconsin Avenue around 11:00 – 11:30 at night to reserve additional parking. We have called the police twice on this - once on 10/19 and again on 10/26. The police spoke to Scoreboard Sports Bar and Grill about this, which they denied wrongdoing, and the police stated to us they were skeptical about their intentions.
12. Residents on our block have called the police concerning our mentioned problem over five times regarding above incidents.

From the patrons of Scoreboard Bar and Grill parking forty plus cars on our block and conducting themselves with inappropriate behavior-- drinking in cars, littering in our yards, urinating on our property, playing loud music, and creating an unsafe party like atmosphere that wakes us up and our kids-- the block of 1150 proposes a rule change to our parking hour restrictions. We are proposing a No Parking from 11:00 p.m. to 2:30 a.m. from Thursday through Monday parking restriction. We feel this parking restriction would best help our residents and village create the desired environment we deserve and pay for.

In addition, we would like to notify the village of residential vehicles that would be excused from our request.

Transportation Commission Agenda Item

Item Title: Petition for Evening Parking Restriction on the 1150 Wisconsin Avenue Block.

Review Date: October 13, 2020

Prepared By: Tammie Grossman

Abstract (briefly describe the item being reviewed):

On November 4, 2019, the Village of Oak Park received a petition for "No Parking from 11:00 pm to 2:00 am Thursday through Monday on the 1150 block of Wisconsin."

The residents claim most disturbances are caused by patrons and customers of the Scoreboard Sports Bar and Grill located on 7109 Roosevelt Rd, Berwyn, IL 60402. Residents' concerns include littering, play loud music in the vehicle causing residents to wake up, a high volume of parked cars, public urination, and workers of the bar placing cones on the street to reserve parking for when their valet parking lot is full. The Petition was signed by 12 out of the 14 homes on the block.

At tonight's meeting, Staff will present collected parking data, and public testimony will be taken. The Commission may recommend Staff's suggested parking restrictions or other alternatives to be installed on the 1150 Block of Wisconsin.

Staff Recommendation(s):

Staff is recommending extending the overnight parking ban limits for this block be one of either two time restriction options that can be decided by the Transportation Commission.

1. Install " No Parking 8 PM – 6 AM Thursday - Monday" signs.
2. Install " No Parking 10 PM – 6 AM Thursday - Monday" signs.

Residents of the block can request a temporary pass to override this extended overnight restriction, for their own vehicles as well as their guests', by using the Passport application. Residents can request up to 10 passes a month. The first 3 passes are free, and the remaining 7 for \$7.00 each. Resident's must have a valid Village vehicle license to secure the passes.

Cinthya,
Please find attached link to information for the hearing. I included the original petition and signed version, block map diagram documenting households and giving the board an overview of the location, proximity to Berwyn Township . I have also added some photos of a regular night with cars parked on both sides of the street. The max we had was 52 cars on the block parked both sides solid. This is not totally uncommon.

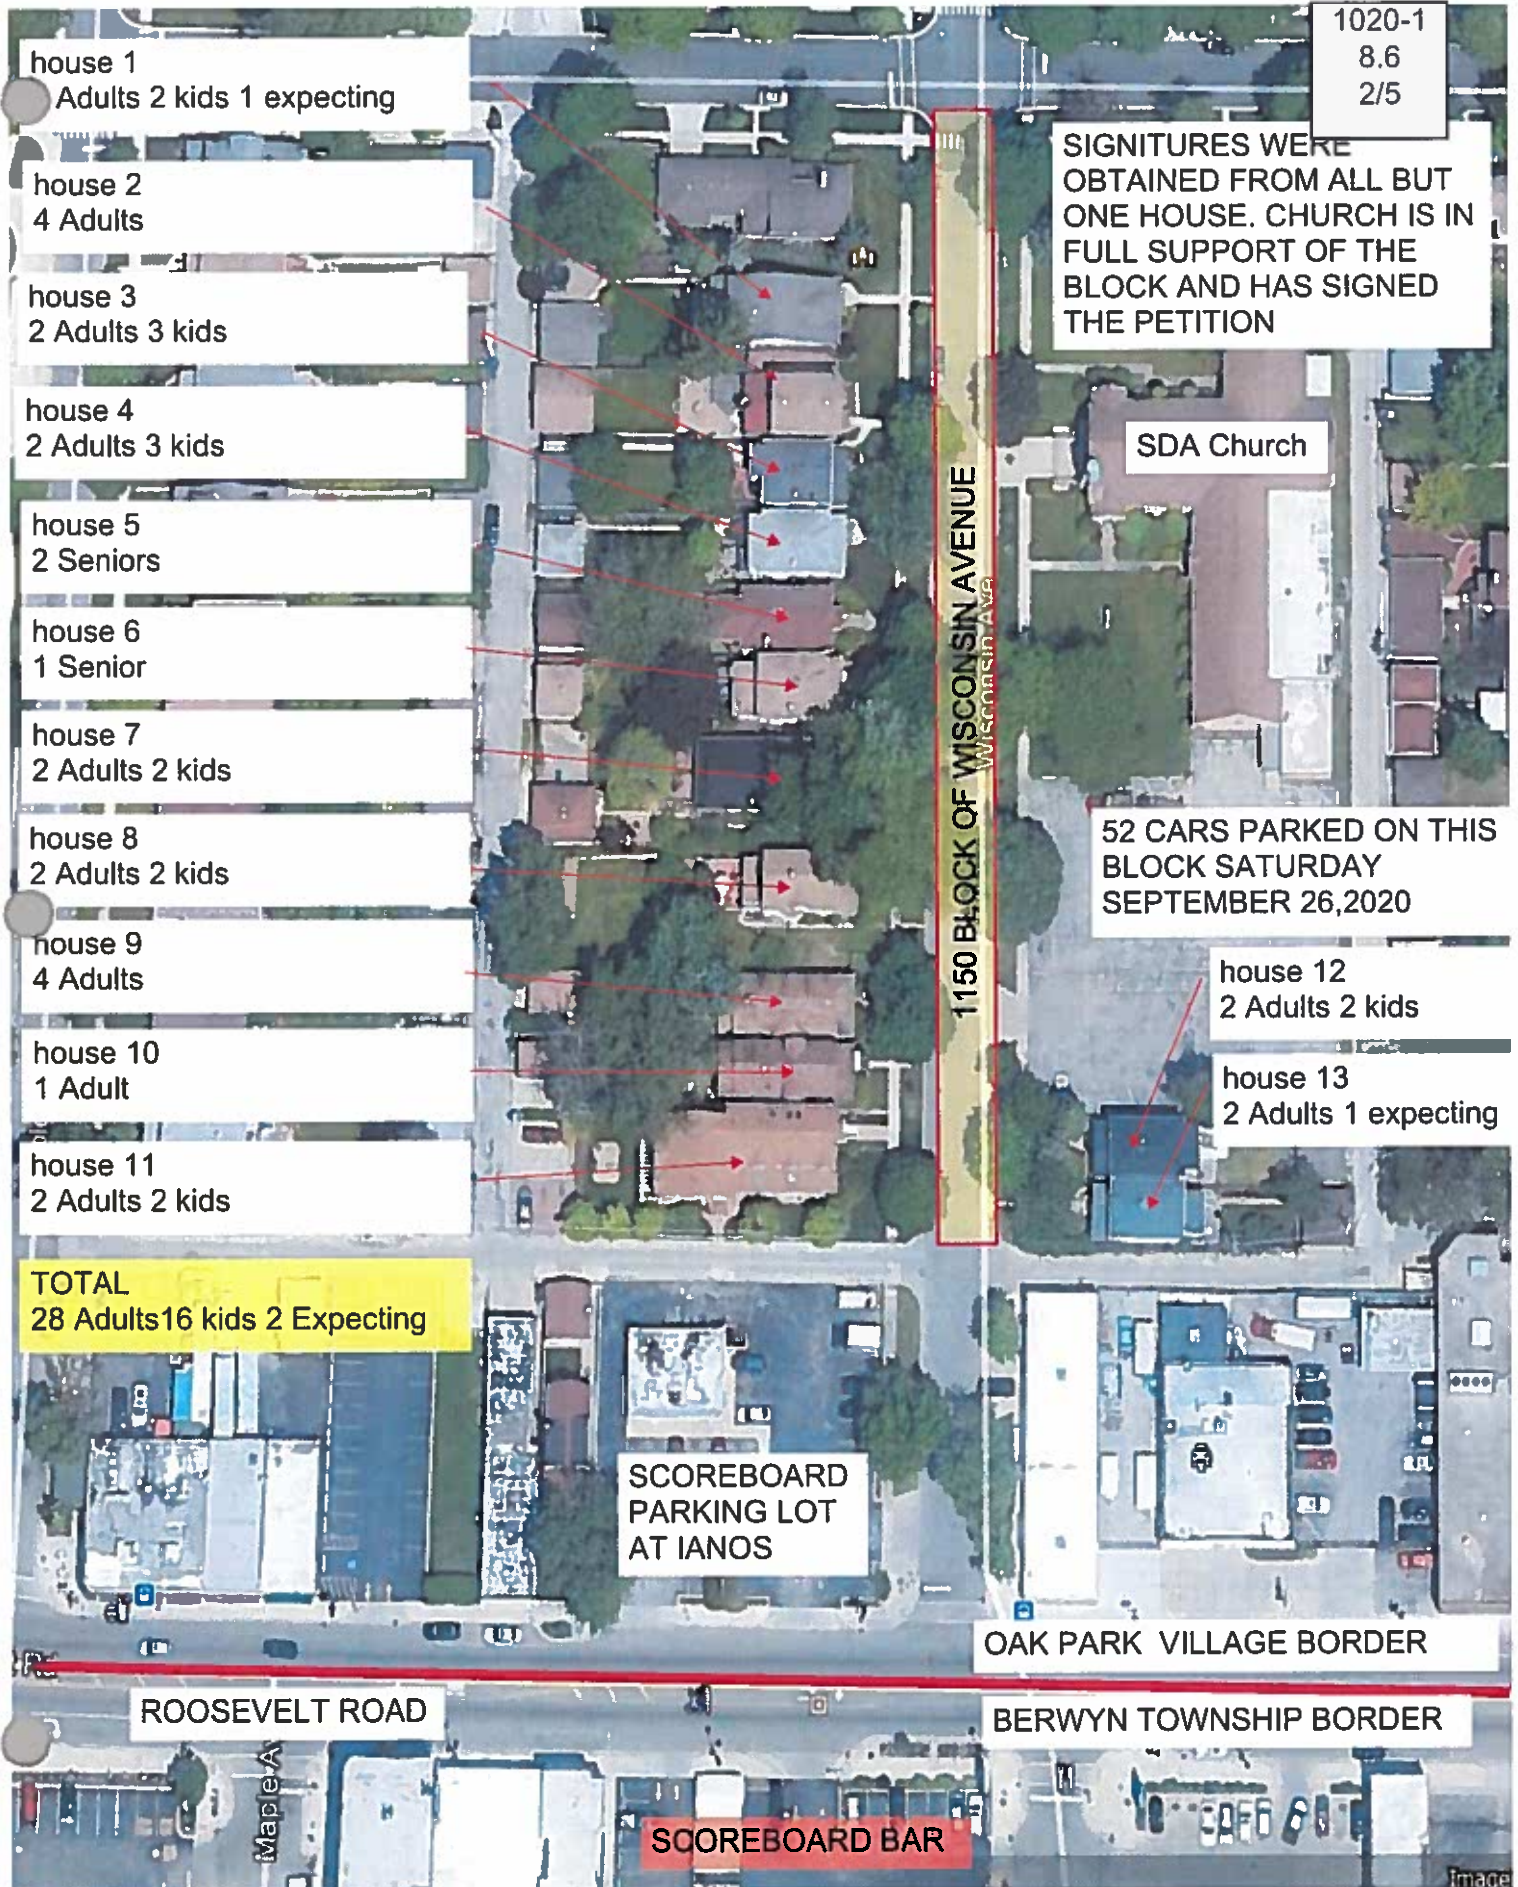

I also added photos of the trash left over.
