Description

Transformative Justice/Restorative Justice  
Restorative Justice via Internal v. External Resources  
The initial costs are zero or not quantifiable  
In the unlikely event that cases soar well beyond  
pre-COVID levels additional costs may be incurred  
in an amount less than \$10K to accommodate  
specialized training that is not currently needed due  
to the ability of Community Relations to handle the  
function along with an outside provider that will  
not charge for services.
