#### Key Issues/Discussion Items

Description	Cost (if applicable)
The current commission database is an Access database. The current system is very manual and not intuitive for the end user. The online commission application	\$ 6,000.00 annual fee
is not tied to the database - therefore, information must be entered in manually and tracked by staff. Additionally, all public comments for Commissions and Board	\$ 2,100.01 annual Fee
meetings are sent via email to the clerk or staff and do not allow for easy consolidation of comments or reporting.	\$ 2,250.00 one-time fee
