Agenda Item Title

An Ordinance Providing for the Abatement of \$327,955 Against the 2019 Tax Levy (2016B General Obligation Corporate Purpose Bonds)

Overview

On an annual basis, Village staff recommends the abatement or cancellation of various tax levies that were originally pledged to pay the debt service of a specific bond issue. By default, whenever general obligation (GO) bond is issued, the annual debt service is automatically levied by the County unless the Village directs the Cook County Clerk's Office to abate some or all of the annual levy amount.

The Village abates the tax levy needed to pay for certain issues depending on the purpose of the issue.

Staff Recommendation

Approve the Ordinance.

Fiscal Impact

This ordinance will reduce the necessary property levy for debt service by \$327,955 as recommended in the FY20 Budget.

Background

Abatements come before the Village Board for review and approval annually as the Village sets its property tax levy necessary to pay annual debt service. An abatement of \$327,955 will be paid by other parking revenue sources.

Alternatives

The Village Board is not required to abate any of the pre-filed debt levies with the County and by doing so, the abated amounts reduce the debt service portion of the Village levy. Prior to abating the debt service on a particular bond issue, there must be an alternative revenue source to pay that annual debt service.
