Background

This project includes the resurfacing of 23 blocks on 13 different streets throughout the Village, as well as upgrading adjacent corners to be in compliance with ADA requirements. The streets included under this

contract typically only require patching of curb and gutter, upgrading corners to be in compliance with ADA requirements, and resurfacing the asphalt surface layer.

This contract is the first of two resurfacing contracts planned for construction in 2017. The second contract is tentatively scheduled to be brought forward to the Board for consideration in June.

Alternatives

The alternative to this recommendation could be to delay action to gain additional information.

Previous Board Action

The Village Board annually approves street resurfacing contracts.

Citizen Advisory Commission Action

N/A.

Anticipated Future Actions/Commitments

The second street resurfacing contract is tentatively scheduled to be brought forward for consideration at a June Village Board meeting. This second street resurfacing project will consist of local streets to be reconstructed.

Intergovernmental Cooperation Opportunities
