### **Agenda Item Title**

**A Motion to Refer to the Board of Health a Request for Review of Chapter 8 (“Business Licensing”), Article 6 (“Comprehensive Regulation of Tobacco Products”) of the Oak Pak Village Code as it Relates to the Regulation of Electronic Cigarettes, Vaping and Specifically the Popular E-Cigarette Produced by JUUL Labs which has been Criticized for its Appeal to Children and Teenagers**

### **Overview**

At the April 16, 2018 Village Board meeting, Trustee Taglia requested a review and report by the Board of Health regarding signage requirements about the risk of vaping at locations which sell e-cigarettes and compliance check to ensure the Village’s restriction of sales to those under 21 years of age is begin followed at retailers.

### **Staff Recommendation**

Approve the motion.

### **Fiscal Impact**

N/A.

### **Background**

There has been increased public discussion of a vaping device that has become popular with teenagers and young adults. The vaping device doesn't look like an e-cigarette at all. The Juul vaporizer (stylized as "JUUL") looks like a USB flash drive. It even charges when plugged into a laptop. The current Chapter 8 (“Business Licensing”), Article 6 (“Comprehensive Regulation of Tobacco Products”) of the Oak Park Village Code is attached.

### **Alternatives**

The Board may elect to amend the motion to reduce or expand the scope of review the Board of Health is asked to conduct.

### **Previous Board Action**

N/A.

**Citizen Advisory Commission Action**

The Board of Health will review the request and provide a report and possibly recommendations to the Village Board.

**Anticipated Future Actions/Commitments**
