Agenda Item Title

A Resolution Approving and Adopting Updates to the Village of Oak Park Emergency Operating Plan and Authorizing its Implementation

Overview

The Emergency Operating Plan (EOP) is the framework document for policies and procedures to prepare for, respond to, and recover from a large scale emergency. This document is a long-standing document for the Village and is periodically updated.

Staff Recommendation

It is recommended that the Village Board adopt this plan as written

Fiscal Impact

There is no cost to the Village to update/adopt this plan

Background

The original EOP was written in 2008 and has not been updated since. The updated document was reviewed by department heads and Village Management over the past two years.

Alternatives

There are no alternatives to this plan

Previous Board Action

This is the first time this updated plan has been presented to the Board

Citizen Advisory Commission Action

N/A

Anticipated Future Actions/Commitments

This document will be reviewed and updated every three years or as necessary due to regulatory change.

Intergovernmental Cooperation Opportunities

This document outlines responsibilities for numerous external local, county, state and federal partners to

operate in support of the Village during an emergency.

Performance Management (MAP) Alignment
