Agenda Item Title

An Ordinance Authorizing the Sale of Surplus Equipment Owned by the Village of Oak Park.

Overview

The Department of Public Works has variety of surplus equipment that is no longer useful to the Village. The equipment can be offered to another Oak Park agency or sold at auction, and if they cannot be sold at auction, then they shall be disposed of as scrap.

Staff Recommendation

Approve the Ordinance.

Fiscal Impact

Funds received for vehicles and or equipment will be placed in the fund from which they were purchased originally.

Background

In accordance with Village policy and State law (65 ILCS 5/11-76-4), the Village may, by Ordinance, authorize the disposition of designated personal property (as opposed to real property) in order to dispose of vehicles, equipment and materials no longer usable to the Village. Items on the Attachment will be disposed of via internet auction. The Village has had recent success using internet auctions for disposal. If the materials are not sold they will be disposed of as scrap.
