Agenda Item Title

A Resolution Approving an Amendment to the Intergovernmental License Agreement with the Forest Preserve District of Cook County Dated July 21, 2014 and Authorizing its Execution

Overview

In 2014 the Village and the Cook County Forest Preserve entered into an Intergovernmental Agreement for the use of fifteen (15) parking spaces in the Holley Court Parking Garage in exchange for storage facilities to help the Public Works Department with salt, excess snow and storm debris storage at the Forest Preserve Maintenance Facility. The Cook County Forest Preserve has recently offered an additional 2 acres of storage area for the Public Works Department in exchange for an additional fifteen (15) parking spaces in Holley Court Parking Garage.

Staff Recommendation

Approve the Amendment.

Fiscal Impact

The Village would provide fifteen additional parking spaces in the Holley Court Parking Garage (current annual permit rate of \$15,600) and the Forest Preserve would provide an estimated 2 acres of space. Staff estimates that the value of the storage would be equivalent to the value of the parking spaces should the Village have to rent another location for this purpose.
