### **Fiscal Impact**

The requested levy of \$402,000 plus a budgeted amount of \$355,000 transferred in from the Downtown Oak Park TIF provides funding totaling \$757,000. This will be used to pay for the annual contractual expenses budgeted for Downtown Oak Park (DTOP).

### **Background**

Special Service Area Number One was created by Village ordinance on December 17, 1973 and provides for a special annual tax levy on properties located within the Downtown Oak Park area. The taxes are collected by the Cook County Treasurer and remitted to the Village. The Finance Department then forwards the levy proceeds to Downtown Oak Park, an organization created by the merchants and businesses in the area that provides marketing support and maintenance functions for the area.

### **Alternatives**

The Board could choose not to levy the funds and provide an alternative source of funding or no funding at all.

### **Previous Board Action**

The Board last approves the levy for Special Service Area Number One at its meeting on December 5, 2016.
