Agenda Item Title

A Resolution Approving the Purchase of Two 2018 Ford Police Interceptor Sedans with Police Package, from Currie Motors of Frankfort, Illinois through the Suburban Purchasing Cooperative (SPC) Joint Purchasing Program in an Amount not to Exceed \$54,810.00 and Waiving the Village's Bid Process for the Purchase

Overview

The FY 2018 Fleet Replacement Fund includes the replacement of six Police vehicles. Two of these vehicles will be replaced with two 2018 Ford Police Interceptor sedans with the Police Package. The SPC awarded the bid to Currie Motors of Frankfort, Illinois.

Staff Recommendation

Approve the Resolution.

Fiscal Impact

The purchase of two 2018 Ford Police Interceptor sedans with the Police Package, will cost \$54,810.00. The cost for each vehicle is \$27,405.00.

Funding is provided in the Fleet Replacement Fund in account No. 3032-43900-857-570750 via a transfer from the Federal RICO Fund. The amount of \$300,000.00 is budgeted in the Fleet Replacement Fund. Currently there is \$300,016.00 in the RICO fund.

Funds for necessary equipment such as light bars, sirens, etc. will also come from this account but will be purchased separately from vendors who supply this equipment.

Background

Each year, the Village allocates funds for the annual replacement of vehicles in the Fleet Replacement Fund. The Public Works Department manages the budget for vehicles that will replace those units having reached the end of their service life under the fleet replacement program.

The intent of the fleet replacement program is to replace vehicles and equipment using the established criteria for replacement of fleet vehicles/equipment, including age of vehicle/year purchased, mileage or hours, type of use (full time, seasonal, emergency, non-emergency, etc.), consequences of down time, maintenance history & costs, drivers evaluations, trade-in or resale values and indispensability of

vehicle/equipment as a guide to guard against excessive maintenance costs and low resale values.

The Fleet Division's goal is to standardize vehicle acquisitions whenever possible in support of the fleet maintenance program and to operate the Village's fleet in a fiscally responsible manner.

The vehicles being replaced are considered a full time emergency response vehicles and the consequences of their downtime could compromise life safety for citizens and those who work in the Village.

The new vehicles include the standard Police package, All Wheel Drive, and come with a three year, 36,000 mile bumper to bumper and five year, 100,000 mile drivetrain warranty. The proposed vehicles will be flex fuel vehicles and will be capable of using E85 fuel.

The two existing Police units will be reassigned, scrapped, or sent to Auction.
