Agenda Item Title

A Resolution Approving an Independent Contractor Agreement with Waste Management of Illinois, Inc., for Village Wide Street Sweeping Services in 2019-2020 in an Amount not to Exceed \$140,000.00 and Authorizing its Execution

Overview

The Public Works Department is responsible for maintaining approximately 250 lane miles which includes the sweeping of main arterials and residential streets as well as the twelve separate Business District Areas. Waste Management of Illinois, Inc. provided the lowest responsible bid.

Staff Recommendation

Approve the Resolution.

Fiscal Impact

In the FY2019 General Fund, Street Services budget, there is \$140,000.00 to perform street sweeping services in the General Contractuals account no., 1001-43740-761-530660.

Background

One of the responsibilities of the Public Works Department is to sweep the streets. This work over the last ten years has been completed by a contractor working for the Village. There are approximately 250 lane miles of streets that need to be swept regularly. Business districts and main street roadways are typically swept 16 times a year. Residential streets are typically swept eight times a year.

In addition, this contract provides support to the Leaf Pickup Program by sweeping the streets as the Public Works Department finishes up the program. There is generally no sweeping over the winter months unless weather permits. There are times when the contractor is not available or if it is a small area, the Department will sweep the street.

Competitive bids were opened on June 19, 2019 in response to a call for bids for 2019-2020 Village Wide Street Sweeping Services that was sent out on June 5, 2019. The bid was advertised in the Wednesday Journal and was posted on the Village web site.

Five invitation to bid notices were also sent out to contractors. Three bids were received. The low responsible

bid was submitted by Waste Management of Illinois, Inc. The bid summary is attached.

Waste Management of Illinois, Inc. has done this work for the Village for the last six years. They have provided a responsive and quality service.

Alternatives

The Board can delay action to gain additional information.

Previous Board Action

The Village Board has approved this contractor's work annually.

Citizen Advisory Commission Action

N/A.

Anticipated Future Actions/Commitments

It is anticipated that the Public Works Department will be bringing this contract to the Village Board annually for renewal consideration until 2022.

Intergovernmental Cooperation Opportunities

To date, no local intergovernmental programs have been established to jointly bid out this work.
