### **Agenda Item Title**

**A Resolution Approving a Pole Attachment License Agreement Between SMSA Limited Partnership D/B/A Verizon Wireless and the Village of Oak Park and Authorizing Its Execution**

### **Overview**

On July 23, 2018, the Board adopted Ordinance Number 18-393 to regulate small wireless facilities installations in the Village pursuant to state law. The ordinance requires any entity seeking to install facilities on Village property to enter into a license agreement with the Village. The proposed License Agreement with SMSA Limited Partnership D/B/A Verizon Wireless ("Verizon") is pursuant to that Ordinance.

### **Staff Recommendation**

Adopt the Resolution.

### **Fiscal Impact**

The Village will receive \$200 per year as permitted by state law for any pole attachment by Verizon under the Agreement and associated permit fees.

### **Background**

The proposed License Agreement with Verizon is authorized by a state law known as the "Small Wireless Facilities Deployment Act" (Public Act No. 100-585) which went into effect on June 1, 2018. The Board adopted Ordinance Number 18-393 to regulate small wireless facilities installations as required by the Act on July 23, 2018. The License Agreement with Verizon follows the requirements of state law and the Village's ordinance. A list of sites Verizon proposes to install pole attachments is attached to the Agreement as Exhibit A. This will be the second such agreement subject to the Village's ordinance. The first was with Crown Castle NG Central LLC ("Crown Castle") which was approved by the Board on February 19, 2019.

### **Alternatives**

Not adopt the Resolution.

### **Previous Board Action**

The Board adopted Ordinance Number 18-393 on July 23, 2018 and approved a License Agreement with Crown Castle on February 19, 2019.
