**File #:** MOT 20-016, **Version:** 1

---

### **Submitted By**

Tammie Grossman, Director, Development Customer Services

### **Reviewed By**

LKS

### **Agenda Item Title**

**A Motion to Concur with the Transportation Commission's Recommendation to Add Four (4) Parking Spaces to the Z3 Overnight Zone on the 400 Block of North Taylor Avenue**

### **Overview**

Staff presented a Petition to Extend Z3 overnight permit parking on the 400 Block of North Taylor which is currently within 500 feet of an R-7 Multi-family Zoning District and is thus, eligible for inclusion in the Z3 Overnight Parking Zone. After a hearing, the Transportation Commission supports the addition of the four (4) overnight parking spaces.

### **Recommendation**

After a hearing on January 27, 2020, the Transportation Commission is recommending adding four (4) parking spaces to the Z3 overnight zone on the 400 block of N. Taylor. The location of these four parking spaces is shown circled on the attached map.

### **Staff Recommendation**

Approve the recommended Motion. Staff will present the Village's Overnight Permit Parking Map and Daytime Restrictions map to the Village Board for codification at a later date.

### **Fiscal Impact**

The recommended change adds four (4) available permits that residents may purchase for the Z3 overnight zone. The fiscal impact will be negligible.

### **Background**

Pursuant to Village Ordinance 1994-0-60, overnight parking is allowed on street frontage adjacent to property located within five hundred (500) feet of an R-7 zoned district which contains a multiple family dwelling containing four (4) or more dwelling units. The additional spaces recommended by the Transportation Commission for the 400 block of North Taylor are within the Village Ordinance requirements. Bi-annually, the Village Board approves a comprehensive street map of the Village, which identifies all existing overnight parking restrictions, inclusive of changes recommended to date by the Transportation Commission and authorized by the Village Board.

Staff will present the comprehensive street map at a subsequent Board meeting for approval.

**Alternatives**

Do not approve the additional recommended spaces.

**Previous Board Action**

N/A.

**Citizen Advisory Commission Action**

On January 27, 2020 the Transportation Commission recommended adding four (4) spaces to the Z3 parking zone.
