### **Submitted By**

Tammie Grossman, Director, Development Customer Services

### **Reviewed By**

AMZ

### **Agenda Item Title**

**An Ordinance Updating and Replacing the Map Codified as Part of Section 15-1-26 of the Oak Park Village Code to Reflect the Village's Current Time Restrictions, Time Limits, and Prohibited Parking Areas**

### **Overview**

On a bi-annual basis, the Village Board approves the Village's Daytime Parking Restrictions Map for codification that contains the prior six-month Board approved Transportation Commission recommendations. This proposed map identifies all existing on-street daytime parking restrictions, inclusive of changes from the past six months.

### **Recommendation**

Adopt the Ordinance.

### **Fiscal Impact**

N/A.

### **Background**

Pursuant to the Village Code, the Board of Trustees establishes parking regulations, which are primarily captured in Chapter 15. In addition, it is necessary on a bi-annual basis that the Board approves a comprehensive street map of the Village which identifies all existing Daytime Parking Restrictions, inclusive of changes recommended to date by the Transportation Commission and authorized by the Board of Trustees.

Only one change was made to the Daytime Parking Restrictions Map and this is the removal of the daytime parking restrictions on the 600 Block of Clarence Avenue which was reviewed by the Transportation Commission in January 2021 and approved by the Village Board on February 16, 2021.

Attached is the current "Village of Oak Park Daytime Parking Restrictions" map (6.17.21). The map shows the following on-street daytime parking restrictions: 1.) Time Restrictions (Example - No Parking Monday through Friday, 8 am to 10 am, not inclusive of weekly street cleaning restrictions within the on-street overnight permit parking areas); 2.) Time Limits (Example - Maximum parking of 2 hours Monday through Friday, 9 am to 5 pm); 3.) Resident daytime permit parking; 4.) Non-resident daytime permit parking (Example - Student permits as established in 15-3-18 of the Village Code.); 5.) No parking anytime; and 6.) The parking pilot program restrictions.

The Daytime Parking Restrictions Map does not include parking restrictions that are traffic safety-related. An example of this would be “No Parking Here to Corner” locations, crosswalks, and driveways. Further, the Daytime Parking Restrictions Map does not include on-street parking meter locations, loading zones, or designated disabled parking locations.

**Alternatives**

N/A

**Previous Board Action**

On February 16, 2021, the Village Board approved the Transportation Commission’s recommendation from its January 12, 2021 meeting to remove “No Parking 8 am to 10 am Monday through Friday” on the 600 block of Clarence Avenue.

**Citizen Advisory Commission Action**

On January 12, 2021, The Transportation Commission reviewed and approved the removal of daytime parking restrictions on the 600 block of Clarence Avenue.

**Anticipated Future Actions/Commitments**
