Agenda Item Title

A Resolution Approving the Renewal of an Independent Contractor Agreement with A & B Landscaping & Tree Service, Inc. for Snow Plowing and Salting of Village Leased/Owned Parking Lots, Back-up Snow Removal for Public Streets and Sidewalk Snow Shoveling for Fiscal Year 2022 in an Amount Not to Exceed \$175,000 and Authorizing its Execution.

Overview

This renewal agreement with A & B Landscaping and Tree Service, Inc. is for a one (1) year term and is the first of two (2) optional one (1) year term renewals to provide plowing and salting of village leased/owned parking lots, back-up snow removal on public streets and sidewalk shoveling.

Recommendation

Approve the Resolution.

Fiscal Impact

The Recommended FY 2022 Budget includes the following for contracted services for snow and ice removal:

Parking Fund:

5060.43770.786.530660 (Street Parking General Contractuals) = \$50,000

5060.43770.787.530660 (Parking Lots General Contractuals) = \$50,000

General Fund:

1001.43740.765.530667 (Sidewalk Shoveling) = \$50,000

1001.43740.765.530667 (Back-up Street Snow Removal) = \$25,000

Background

The Village issued a request for proposals (RFP) on August 18, 2020 for snow and ice removal for the parking system, sidewalk shoveling and back-up snow removal on public streets. Staff received four (4) proposals and recommended that the Village enter into an agreement with A & B Landscaping and Tree Service, Inc. for an initial term of one year (01/01/21 - 12/31/21). The Village experienced several substantial snow events in 2021 and, as a result, the contract had to be amended twice to provide for additional spending authority for hours needed to remove and move snow from Village parking lots.

Snow and ice removal for the Village's parking system is performed solely through this independent contractor agreement rather than in-house Village staff. The Village's entire parking system is comprised of 95 off-street parking locations and a total parking capacity for snow removal and salting of 2,459 spaces.

Throughout the course of the snow season, the Public Works Department may require assistance for back-up plowing and salting operations to clear snow and ice from residential streets and alleys when snowfall is expected to be six inches (6") or more.

The Village requires residents to clear snow and ice from their public sidewalks within 24 hours after a snow event. Recognizing that some residents are not able to remove snow without assistance, the Village has provided a snow removal assistance program through an independent contractor agreement since 2007.
