### **Agenda Item Title**

**An Ordinance Providing for the Abatement of \$11,940.00 Against the 2022 Tax Levy (2020A General Obligation Corporate Purpose Bonds)**

### **Overview**

On an annual basis, Village staff recommends the abatement or cancellation of various tax levies that were originally pledged to pay the debt service of a specific bond issue. By default, whenever general obligation (GO) bond is issued, the annual debt service is automatically levied by the County unless the Village directs the Cook County Clerk's Office to abate some or all of the annual levy amount. When other non-property tax Village revenues are available to pay all or a portion of the debt service, the Village abates the tax levy.

### **Staff Recommendation**

Approve the Ordinance.

### **Fiscal Impact**

This ordinance will reduce the necessary property levy for debt service by \$11,940.00 as recommended in the FY23 Budget.

### **Background**

Abatements come before the Village Board for review and approval annually as the Village sets its property tax levy necessary to pay annual debt service. A portion of this particular debt issue was issued for the benefit of the Parking Fund (4.5%) which will be paid by Parking revenues and/or reserves rather than general property taxes.

### **Alternatives**

The Village Board is not required to abate any of the pre-filed debt levies with the County and by doing so, the abated amounts reduce the debt service portion of the Village levy. Prior to abating the debt service on a particular bond issue, there must be an alternative revenue source to pay that annual debt service.

### **Previous Board Action**

The Village Board last approved the annual abatements at its meeting held on December 6, 2021.
