Agenda Item Title

A Resolution Approving a Purchase Price Agreement with Core & Main LP for Materials for Repair of Water Mains and Sewers, Fire Hydrants, Water Services and Sewer Services in an Amount Not to Exceed \$50,000.00 and Authorizing its Execution

Overview

The Water and Sewer Division of the Public Works Department is responsible for maintaining the water distribution and sewer collection systems in the Village. The department annually seeks competitive bids for water main parts and materials and sewer pipe parts and materials.

Recommendation

Approve the Resolution.

Fiscal Impact

The proposed Fiscal Year 2023 Water and Sewer Fund Budget allocates funds for materials and supplies for the operation and maintenance of the water distribution and sewer collection systems in the Operational Supplies account, numbers 5040-43730-777-560631 (\$162,000.00)

Based on the bid summary and the estimate of materials needed, staff anticipates spending up to an amount of \$50,000.00 of the total \$162,000.00 with Core & Main LP.

Background

Five vendors provided material price bids for 2023. The materials are purchased from the lowest cost qualified vendor based on the availability and quality of the material. Staff is bringing forward agreements with vendors that exceed \$25,000.00, the Village Managers spending authority.

Core & Main LP has provided the lowest competitive pricing for some of these materials. Staff recommends entering into an agreement for \$50,000.00 with Core & Main LP.

2023 pricing is relatively unstable with increases in all products. Some vendors have elected to not provide pricing on some items difficult to guarantee an annual price.
